REPORT ON NORTH CAROLINA BAPTIST HOSPITAL

Our North Carolina Baptist Hospital at Winston-Salem ministers to the sick from all parts of our state. It is our Good Samaritan, in the name of the Great Physician, to those who suffer and do not have sufficient money to pay the large cost of the best medical care.

From those of limited means 26,000 visits were made to the Out-Patient Department for examination, diagnosis and treatment last year. There will be 35,000 visits this year. This is one of the most important services of our Hospital and it is being enlarged as rapidly as possible.

Of this large number coming to the Out-Patient Department, there is room for only about one-fourth of them to be treated in the Hospital as bed patients. Money is now being raised from interested friends and businesses to build a new enlarged hospital. This will be located on a beautiful 100 acre tract in Winston Salem which has been given for this purpose. It is hoped that the money needed for the enlargement will come speedily so that space may be provided for many sick people for whom there is not room now.

As the services of our Hospital have grown, the Mother's Day offerings from our churches likewise have grown. Those offerings are all used to help pay the cost of caring for those who receive this ministry and do not have the money to pay the total cost themselves. In order to provide such help for as many as possible, our Hospital adds to the Mother's Day offerings all the funds it can get for this purpose from the welfare agencies of the state and counties, the Duke Endowment, contributions from individuals, and any other available sources. The calls for help are far beyond the means of our Hospial to supply, however. We hope the Mother's Day offerings will con-

tinue to grow in our churches in order that our Hospital may provide more service for more people.

North Carolina Baptist have developed an outstanding mediacl center. It is for its ministery to those with little money that we appeal to the churches of our Association to give generously on Mother's Day.

Respectfully submitted,

HERBERT JENKINS

9. W. K. McGee, Religious Educational Director of the Baptist Hospital discussed the report. Every Church in the Association has made an offering to the Hospital during the year.

10. The report on the American Bible Society was read and discussed by T. N. Cooper who urged every church to send a contribution to this worthy cause.

11. Lonnie Sasser lead in a discussion of Chowan College. He brought a report of the progress that is being made toward the reopening. L. P. Spencer, business manager, brought a very encouraging report of the work which is being done. Oscar Creech also joined in the discussion.

12. Motion was made that the Trustees be informed that the Association is standing back of them as they proceed with plans to reopen the College in September 1949, and with the campaign to raise the second $100,000

13. Several announcements were made and the host pastor, J. B. Daily, welcomed the Association, and invited us to lunch following the next item.

14. L. J. Godwin lead in the singing of, "I Love Thy Kingdom, Lord."

15. The annual sermon was preached by W. P. Milne, his text being, "The Kingdom of God." It was an outstanding message and was presented in a wonderful manner.

16. The morning session closed with prayer by Worth Grant.

AFTERNOON

17. This session opened by the singing of hymns and prayer by Roy V. Young.

18. The Sunday School Report was presented and discussed by William Futrell.

Sunday School Report

On October 4th, 1948, Mr. E. J. Rogers came by my store and gave me several booklets about the Sunday School work. He informed me that he resigned and was leaving the Association. He did not leave any report of the work during the year, so I will have to let most of his work go at the present time; although I am sure he could have brought us an ideal report had he been here today.

During the year our work was greatly interrupted during the month of February by the three weeks snow. Brother Rogers had planned to have an Associational meeting of the work during that month but twice it was postponed by the snow. As a matter of fact, we have not met during the year nor reorganized to the present date.

During the past few weeeks and throughout the year I have visited in about twenty of the churches and Sunday Schools of this Association. The work is very encouraging at every place I have visited. In Northampton County Brother Dailey is doing an exceptional good work with the churches of Seaboard, Elam, Margarettsville, Mount Carmel, Jackson, Creeksville, Hebron, Potecasi and others.

Our aims for the next year will be those set up by the Southern Baptist Sunday School Board which are as follows: First, increase the Sunday School enrollment twenty-five percent; second, plan a Bible teaching program by vacation Bible Schools, Bible study at home and encouraging a Bible study week in January; third, we will stress soul winning opportunities in the Sunday School to win them for Christ.

My recommendations to the Association are as follows: exchange teachers with other Sunday Schools near you frequently during the year to keep up a good fellowship among the churches; have an officers and teachers meeting as early in the year as possible in each church; have our Associational meeting sometimes during the summer months at some church, have an all day meeting and invite our State Officers to be with us and have dinner served by the host church.

I stand as an humble servant ready at any time to help aid or assist in any way possible.

Respectfully submitted,

WILLIAM M. FUTRELL

19. The Baptist Training Union Report was read and discussed by W. P. Milne.

He reported that 21 churches have Training Unions, that there are 11 Adult Unions, 6 Young People's Unions, 14 Intermediate Unions, 17 Junior Unions, 7 Story Hour Unions, with a total enrollment of 786.

20. The report on Denominational Literature was presented by A. P. Mustian and discussed by L. L. Carpenter, Editor of the Biblical Recorder.

Report On Denominational Literature

Our land is flooded with literature, perhaps as never before, the good and the bad. People are reading more than ever before and reading both kinds.

Our ideas are largely formed by what we read. Well has it been said that we become much like what we read.

If we are to keep abreast with the times, we must read—and read widely.

Our day and generation demand that we be informed. The printed page is one of our best means to this end.

As Baptists we rejoice in the great part that Christian literature has played in our achievements thus far in the Kingdom program, and believe that if we are to continue to grow in usefulness, we must emphasize the importance of Christian literature.

The informed Christian is the inspired christian, the interested worker, the one on whom God can depend to do his will.

Southern Baptist publish and circulate much of the best Christian literature.

The Sunday School Board publishes more than sixty periodicals with a combined circulation of more than twenty-seven million. The major purpose of which is to encourage Bible study to build Christian character, and develop skilled and useful workers in our churches.

"The Commission", the journal of the Foreign Mission Board, and the "Southern Baptist Home Mission", journal of the Home Mission Board, are periodicals that have a wide circulation and many readers, keeping ever before us our great mission program.

The report of the Biblical Recorder is indeed gratifying. As of October 14, 1948 a breakdown of the circulation showed 26,953 subscribers on Every-Family plan and 14,707 on the Culb plan. A total of 44,354.

We have in West Chowan Association 46 Recorder Clubs with 1869 subscriptions. Your committee would urge every church that does not have a Recorder Club, to spare no effort that they may have one at the earliest possible date.

Respectfully submitted,

A. P. MUSTIAN

21. R. R. Jackson brought greetings from Wake Forest College, and urged us to stand back of this institution.

22. Ministers Retirement Report was read and discussed by H. B. Huggins, Oscar Creech, J. A. Willoughby, and J. B. Dailey further discussed this topic.

23. The Historians Report was presented by J. E. Lanier.

Historian's Report

The churches are so busy making history that they do not have time to write about their progress. At least your historian has been able to hear from a very limited number of the churches after an urgent appeal to report to him their achievements for the year.

This report does not include nearly all that has been done and planned among the churches during the Associational year. We are limited to the tangible things. Many of the churches have not reported to the historian and yet some of these have made progress worthy to be recorded.

It has been a great year financially. Much has been done repairing church buildings and properties.

Rev. H. B. Huggins reports, at Green Cross four new oil heaters have been purchased for class rooms, plans have been made to insulate the ceiling of the auditorium and a new roof for the entire church plant. A play ground prepared and equipped for general recreation. Capeharts has purchased and installed a Hammond organ and new pulpit furniture. The organ is a memorial to Mrs. Newbern.

Siloam has added three Sunday School rooms, built a new front to the church auditorium and painted the building in-

side and outside. The interior of the building has been remodeled. Electric lights and an oil heating system has been installed and purchased new Hymn books.

Rev. A. P. Mustain reports, that Riverside has installed a new heating system, put in new floors, and painted the building at a cost of $5,400.00. Mars Hill has painted the church house and done some remodeling at a cost of $700.00.

Potecasi Baptist Church has done many things this year of which she may be justly proud. First completed installation of a steam heating system. The Biblical Recorder placed in the home of every resident member. Definite plans have been made for improvements on the cemetary. The exterior of the church auditorium painted. The church is very grateful for an electric Hammon Organ, presented by Mr. and Mrs. E. B. Lassiter.

Rev. T. N Cooper reports, Rich Square church has a total in building fund of approximately $20,000.00. Woodland church has cash in hand $13,000.00 and in pledges $7,000.00 for a building fund. All this has been paid and pledged since the first of January 1948.

The following is a report by Rev. W. P. Milne for his field:

Aulander—A Wurlitzer Organ was donated to the church by Mr. Charles H. Jenkins in memory of his father and in honor of his mother, Mr. and Mrs. Henry Jenkins. Mrs. Henry Jenkins donated Chimes and public address system in memory of her husband.

A Youth Choir was organized and has proved a blessing to the evening Worship Service.

In the Spring the Church had a Deepening the Spiritual Life Week on the theme, "My People", useing the text II Chronicles 7:14. The speakers were Rev. Earle Rodgers, Rev. Fletcher Ford, Rev. T. N. Cooper, Rev. Oscar Creech, and Rev. R. N. Carroll.

Miss Kate Ellen Gruver, Southern Baptist Missionary to Palestine showed pictures and talked of her work as Superintendent of the George Truett Orphanage.

Dr. H. Clayton Waddell, head of the Department of Social Ethics, New Orleans Baptist Seminary, was guest preacher for the Revival. The church was blessed with his simple but powerful gospel preaching.

Pleasant Grove—The church building has been improved with the inside being painted, light fixtures installed and floor

sanded. Rev. T. N. Cooper led us in our Fall Revival. The church was blessed with Christian personality and his spiritual messages.

Oak Grove—Rennovation has been done to the inside of the Church Building. The auditorium was partitioned, making individual Sunday School rooms. New light fixtures and windows were installed. Rev. P. T. Worrell was the guest preacher in our Revival. The quiet forcefulness of this man of God is still being felt in the church. Home Coming Day was observed with Rev. Cyrus Bazemore, Associational Missionary for the Roanoke Association, the principal speaker for the day.

During the year a number of changes have been made in pastors and fields. Rev. J. U. Teague resigned and left the Powellsville field. Rev W. H. Hollowell, Republican and Askewville. Rev. J. L. Jones, Murfressboro and Mt. Tabor, Rev. J. F. Roach, Lewiston and Kelford, and Rev. E. J. Rogers, Seaboard, Elam and Margarettsville.

The following pastors have been called and accepted work in the Association this year. Rev. Warren F. Taylor, Murfreesboro; Rev. J. A. Willoughby, Askewville; Rev. C. E. Upchurch, Lewiston and Kelford; Rev. Roy V. Young, Ross, Bethany and Elm Grove; Rev. Geo. Reynolds, Cannaritsa, Sandy Run, and Horton's; and Rev. J. L. Powers, Republican, full time.

May the writer say that Buckhorn and Holly Springs have each purchased a Pulpit Bible and Hymn Books. Winton has painted the roofs of church house and pastorium; St. Johns is raising funds to build Sunday School rooms.

Perhaps the most outstanding material accomplishment during the year by the Association as a whole was the raising $100,000.00 for reopening Chowan College and launching a drive to raise a second $100,000.00.

We sincerely and prayerfully thank God for his blessing upon us and our work in the past year, and that we may so labor and serve as to have his smile of approval upon us for the years to come.

Respectfully submitted,

JAMES E. LANIER

Report of Orphanage

CHILDREN IN OUR HOMES

Last year 608 children were cared for in both of our homes 83 children in foster homes and 80 children were given Mothers Aid, making a total of 771 children helped directly. The case wokers helped with the plans for 749 other children, thus serving 1520 children in one year.

If one could spend some time at either Mills Home or Kennedy Home he would discover that the workers take seriously their work and are giving their best to it.

THE SPIRIT OF OUR INSTITUTION

At 8:40 each morning Dr. Wall calls the office staff into an "Upper Room" where the word of God is read and prayers are uttered for all the workers, all the childen and all of the

Sunday Schools and churches. There is a spirit of cooperation and unselfishness which is most beautiful. Recently the Mills Home Pastor, John Walton, led 42 of the children down to the pool and buried all with Chist in baptism.

SUPPORTING THE WORK

The following message comes to us from General Superintendent Wall: We need your prayers; and on one Sunday in each month we know that you will continue to take an offering for us. Our own Sunday Schools observe the first Sunday in each month as Ophanage Day. You will rejoice to know that all our children remain for church, behave beautifully and make their own offerings regularly and cheerfully.

Let's all begin now to plan for a great Thanksgiving offering to back up the regular monthly gifts. As you do your best for us, you may be assured that we will continue to do our best for you and the hundreds of homeless children being housed, fed, clothed, educated and led into deeper things of the Spirit.

38. In the absence of J. M. Duncan, W. E. Taylor read his report on Missions, which was very forcefully discussed by Earl Bradley of the State Mission Board.

Report on State Missions

The Baptist State Convention was organized in the town of Greenville, March 26, 1830.

The two primary objects in mind were the evangelization of our state, and the education of our young preachers.

For some time State Missions were known as Home Missions.

In 1858 Home Missions in North Carolina was changed to State Missions.

Today the State Mission work is carried on through Departments. I shall mention the work of one namely: Student Program.

This brief summary of facts will give an idea of their activ-

ities. They worked in 469 different churches, conducting 303 Vacation Bible Schools. 13 Training Union Study Courses and 13 Sunday School Study Courses. 19,214 persons were enrolled in the Bible Schools with an average attendance of 16,932. 947 people were enrolled in the Study Courses with an average attendance of 742. 656 Training Course awards were requested. The group peached 280 sermons; taught 200 Sunday School lessons; presented 22 Taining Union programs; and conducted 205 miscellaneous services. These miscellaneous services included vesper services; jail services; prayer meetings; youth councils; church library conferences; socials; song services; and, religious census and Sunday School clinics. 548 conversions were reported with 417 additions to the churches. The group made 3,109 home visits. Denominational causes were presented to the people in nearly every church where these young people worked, and the mission offerings amounted to more than $3,000.

Home Mission Report

Our homeland has been called the racial meltingpot of the world because we have all races in our citizenship. This furnishes us as no other nation is furnished the material for a clinic in woking out the Christian principal of brotherhood. We do not have to go to Africa to find negroes, to China to find Chinese, to Japan to find Japanese, to Russia to find Russians or to the islands of the Pacific to find Malays. We have them here in our midst. Our responsibility as Christians is to adjust our relationship to these various races on the basis of the teachings of Christ and to show to the world by so doing that we are sending out missionaries to foreign lands because we love people and not because of the urge and appeal to something spectacular and difficult.

We have been making some surveys in our field of service here in the homeland. We found sixty cities with a population of over 100,000 each. In these sixty cities there are in round numbers 15,000,000 people and 8,000,000 of these are unchurched. These unchurched ones are receiving little if any spiritual instruction from any church of any faith.

We have found also that in the whole territory of the Southern Baptist Convention there is one Baptist to every 4.8 people, but in our cities only one out of every 34 people is a Baptist. Our cities are growing porportionately very much

faster in population than our chuches.

"Who saves his homeland saves all,
And all things saved bless him;
He whose homeland is lost, loses all,
And all things lost curse him."

Report on Foreign Missions

A story was told in a recent magazine of the desperate plight of twelve travelers who, when their plane crashed in the Alps more than eleven thousand feet above sea level, were marooned in the snow. In response to their appeal which went out over the air there was a reconnaissance by aviators until they were located. After two or three days they were rescued by eighty men who had volunteered, at the risk of their lives to join the expedition. When the party was being organized, no one in the little village was urged to go. Certainly no one was conscripted. But when the need was faced those eighty men, with no promise of reward of any kind, responded to the appeal.

If Southern Baptists had such a spirit we could have six thousand missionaries instead of six hundred. More volunteers will be enlisted if we get the word to them concerning the desperate plight of millions who know nothing about the Saviour of the world. The Commission, published by the Foreign Mission Board has accepted this assignment. We seek the opportunity to go into every Southern Baptist home and tell our fellow workers about the tragic needs of a suffering sinning, sorrowful world.

The Foreign Mission Board has authorized the appointment of one hundred new missionaries during 1948 and has approved a policy whereby several candidates may be accepted each month, with the majority of the group still to be appointed at the meeting in April, when the entire Board is in session.

Teachers, doctors, nurses, evangelists—these and leaders in other areas of service are urgently needed. Opportunities are abundant; needs are imprative; the young people are ready to dedicate their lives. Will Southern Baptists support such a program? Upon their response depends the answer to the question, " Shall our foreign mission work retreat, mark time, or advance?"

How the West Chowan Association Came To Be

1. The Kehukee Association was organized November 9, 1769, (according to Paschall). Sand Run (then called Bertie) was the only West Chowan church in the organization.

2. In 1806, the Kehukee was divided at the Roanoke River and north of the River in North Carolina became the Chowan Association. The following West Chowan churches were in the new organization: Ahoskie, Sandy Run, Bethlehem, Cashie, Meherrin, Boss (then called Ross' Meeting House), Colerain (then called Wiccacon).

3. In 1883 the Chowan Association divided at the Chowan River and the three counties between the Chowan and Roanoke Rivers became the West Chowan Association. Twenty-eight churches formed the Association.

The Kehukee was probably the fourth Baptist Association in America. The Philadelphia formed in 1707 was first; the Charleston (S. C.) in 1751; the Sandy Creek (around Sanford) in 1758; and the Kehukee in 1769.

MORNING

1. The Sixty Seventh Session of the West Chowan Association was called to order by the Moderator, Oscar Creech.
2. The song leader of the Associational Meeting, T. H. Williams, led in the singing of, "He Leadeth Me," and "Love Divine" and Austin Staples, Bible Teacher and Chaplain at Chowan College read the scripture and led in prayer.
3. Messengers were enrolled and the following new pastors were recognized: R. T. Greene, W. I. Johnson, Austin Lovin, E. S. Morgan, L. J. Rainey, J. C. Ray, Austin Staples and T. H, Williams. The following vistors were also recognized: Claude F. Gaddy, B. D. Bunn and Miss Hilda Mayo.
4. The following committees were appointed: Finance, H. W. Greene; Time, Place and Preacher, George Reynolds, Chairman, C. R. Brinkley, and F. R. Johnson; Credentials, W. P. Milne, Chairman, J. B. Cooper, Chairman, C. G. Maddrey and A. P. Mustian.
5. The Order of Business was presented by the Clerk, P. T.

Worrell, and adopted.

6. The Digest of Church Letters was presented by the Clerk.

7. C. R. Brinkley discussed the Minister's Retirement Plan.

8. Chowan College was discussed. A report of the campaign to raise $50,000 in this Association was made by M. M. Revelle, Public Relations Chairman.

9. Miss Shirley Davis, student at Chowan College, gave her reasons for going to Chowan.

10. President B. D. Bunn followed with an inspiring address on the college.

11. Oscar Creech made an appeal for putting the Chowan Campaign over the top, and made the following recommendations:

PLAN FOR FINANCIAL SUPPORT FOR CHOWAN

There are about 21,000 resident members of the churches in the Chowan and West Chowan Associations. If the churches will give $1.00 or more per resident member per year, that will be equivalent to an income from an endowment of $590,000.00 at 4%, which will insure the financial success of the college.

Therefore, we recommend:

1. That the churches of the West Chowan Association be asked to put in their budgets for the college for 1950, and until sufficient endowment can be established, at least $1.00 per resident member.

2. That this amount be raised extra and above the cooperative funds contributed by the churches.

3. That the College furnish special CHOWAN COLLEGE envelopes for this offering; and that the envelopes be distributed to the members as early in the new year as deemed wise by the church; and that a "CHOWAN DAY" be observed for the beginning of this offering, it being understood that any member may contribute at any time he wishes during the year.

4. That all funds collected for the College be sent at the end of each month even though the amount be small.

5. It must be understood that this does not in any way take the place of the present campaign to raise $75,000 for re-working or remodeling and refurnishing the plant.

A copy of these resolutions is being sent to the Executive Committee of the Chowan Association for their consideration and approval.

Respectively submitted,

Oscar Creech, Campaign Chairman

12. Lonnie Sasser, made motion the second Sunday in November be designated Chowan College Sunday in all our churches.

13. Warren F. Taylor presented the report on Christian Education.

CHRISTIAN EDUCATION

There are two understandings of the term Christian Education. There is the first which has to do with higher education. We in this Association have had this uppermost in our minds because of the attention being given to Chowan College. In higher education we understand the term to mean that what is taught be God-related and Christ-centered. It does not mean that what is taught is necessarily different from what is taught in non-denominational schools. It does mean that the Lord Jesus Christ be felt in all that is taught. For this purpose Chowan College has been reopened.

The second understanding of the term Christian Education has to do with teaching of the Christian faith, in its many aspects. Often this side of Christian Education is forgotten. Yet one of the most effective pieces of work being done in this respect is being done by our local churches. The unit of Christian education in our Association is of course the local Church. Here the teaching ministry of our faith is carried on. With this said, we have this definition that Christian Education is the method or means by which individuals are brought into a saving knowledge of Jesus Christ. What the churches do to bring people to a knowledge of Christ as Savior is Christian Education as here defined.

Looked at in the first understanding we now find ourselves with only one school, Chowan College, and thirteen on the faculty and with a student enrollment of 133. But seen in the light of the second meaning we have 58 other schools, one for each Church, with more than 500 teachers and more than 9,000 in the student body. There are other channels through which Christian Education is received by the people. This comes through the W. M. U., the B. T. U. and the Vacation Bible Schools.

We bring Christian Education to our people through Chowan College and the 58 Churches.

22. The Report on Missions was presented by Roy V. Young, and ably discussed by our State Mission Secretary, M. A. Huggins.

Mission Report

In the report on missions we have within our Southern Baptist program 5 phases of mission activities. We have locally the association mission program and in the larger cities the city mission program, then there is the State Mission program, the Home Mission program and the Foreign Mission work. Certainly we who desire progress will agree that all five of these are vitally important and should have our best support.

The state mission program is above and beyond that of our efforts within our associations. The state mission program is for the entire state and seeks to minister to the needs of all and to help in every phase of the Master's work. The state mission program is under the leadership of the state convention. Mr. M. A. Huggins our very efficient General Secretary is at the head of this work with Mr. E. L. Spivey, Mr. J. C. Pipes and Mr. Earle Bradley as his co-workers.

The Home Mission Board of the Southern Baptist Convention is a very important arm of our work in the S. B. C. for it has a work that is similiar to the Foreign Mission work but it is here in the states. It has its work among the Indians of the various states, the Mexicans of the south west, the French of Louisiania, the Jews and with various other groups. The work of this board is very essential for it goes into places where there are very few or no Baptist Churches.

The Foreign Board is under the leadership of M. Theron Rankin who is the Executive Secretary. There are 670 Missionaries working in 119 mission centers situated in twenty-five geographical areas of the world. The overall annual budget of the board is about $5,000,000 dollars. This is the money

that the board has to work with to try to win the lost, care for the sick, build schools and churches as well as to try to help provide hospital care and to teach. As you and I try to think of all the needs of man then we can realize something of the huge job of the Foreign Mission Board.

Report on North Carolina Baptist Hospital

Teaching and healing, two of the principal precepts of Christ's ministry, are the main objectives of your Baptist Hospital, which, together with the Bowman Gray School of Medicine of Wake Forest College, forms the only Baptist-owned hospital and medical school combined in the world today.

Underlying these objectives is the Christian responsibility of caring for the poor by giving them medical service they require and by ministering to the sick throughout the state.

Funds received each year in our Mother's Day offerings are used to pay the hospital expense of those patients who can pay only a part of the cost of their hospitalization or nothing at all. Receipts from the churches in Mother's Day offerings in 1948 totaled $141,150.51. This included the value of linens contributed through Woman's Missionary Union and estimated at $2,115.09 last year. Approximately half of the 8,800 bed patients admitted to the hospital in 1948 and all those seen in the 36,000 visits made to the outpatient clinics paid no doctor's fee and were assisted by the Mother's Day offering. Your hospital provided more free service in 1948, than any other denominationally controlled hospital in the south.

The Hospital is the property of North Carolina Baptists and is the concrete expression of their desire to minister to the whole person. A patient's need for pastoral care is increased rather than lessened, by his physical sickness. To meet this need, the hospital has established a full Department of Religion with a director, a Chaplain and a student secretary.

If any of the churches have not yet made a special offering to help the hospital care for sick persons who cannot bear the cost themselves, we urge that they do so at an early date. Any church can at any time add to the offering it has already made. Every gift enables your Baptist Hospital to be a good Samaritan to someone who needs our help. In so doing we fulfill the admonition of Paul, "Bear ye one another's burdens, and so fulfill the law of Christ."

Respectively submitted,

GEORGE E. REYNOLDS

36. Richard K. Young made an address on the report.

37. A motion was made that the Committee On Committies be instructed to name some to represent the Hospital through

39. The report on the Orphanage was made by E. C. Upchurch.

Associational Missions Committee Report

Mr. M. A. Huggins gave a fine introduction to this report on yesterday as he pointed out the value of an Associational Worker. (If you recall, Mr. Huggins likened him unto as assistant pastor, a religious educational director, and told us of our Missionary) we are electing to call our Associational Field high privilege of cooperating with him in the extension of God's kingdom.

Your Associational Missions Committee wishes to express gratitude for the patience and prayerful consideration to them in the tremendous task of seeking and securing the Field Representative. The Committee met twice in 1948, once in Seaboard and once in Ahoskie. Many letters and contacts were made but to no avail. Mr. M. Heath Tadlock of Charlotte was recommended by Earle Bradley of the State Mission Board, and he was contacted and asked to come for an interview. The committee met with Mr. Tadlock in Ahoskie, March 5, 1949, at which time a call was extended to begin September 1, 1949. Mr. Tadlock accepted the call and moved on the field sooner than we had anticipated, arriving August 1, 1949. Since his arrival, he has busied himself getting acquainted, supplying pulpits in different churches, holding revivals, presenting State Missions programs, assisting in Sunday School Enlargement Programs, Organizing Baptist Brotherhoods, speaking on WMU programs, getting out Associational News Letter and Calendar of Activities. Mr. Tadlock has already proved himself as a thorough and diligent worker. We predict great advancement in all phases of our Baptist work in the West Chowan Association as we labor together under the direction of our Field Worker, Mr. M. Heath Tadlock.

The committee as it stands now consists of the following and we wait for further instruction from the Association: W. P. Milne, Chairman, C. G. Maddrey, Mrs. Julian Porter, George Gibbs,, Scarborough Parker, T. N. Cooper.

Respectively submitted,

W. P. MILNE

45. After a financial report on Associational Missions by C. G. Maddrey, the Associational Field Representative, M. H. Tadlock discussed the report and outlined some plans for the future work in the Association.

46. The Report on Denominational Literature was presented by E. S. Morgan and discussed by L. L. Carpenter, editor of the Biblical Recorder.

Report On Denominational Literature

An informed Baptist is a working Baptist. One of the greatest informing agencies in our Convention is our Denominational Literature.

As time marches on we become more keenly aware that we are the product of all that we have seen, heard and read. The minds of our children are molded into certain patterns as a result of their reading.

Southern Baptists publish and circulate literature of such high quality that we find it being used outside the Convention.

Our Denominational Literature consists of our Sunday School Board publications which have a reading public of twenty seven million. "The Commission", journal of the Foreign Mission Board, The "Southern Baptist Home Mission", journal of the Home Mission Board, and our own Biblical Recorder.

The Baptist State Convention, organized in 1830, has as its purpose, according to the Constitution, the promotion of "missions,, education, social service, and the distribution of the Bible and sound religious literature." Therefore we are proud of our own Biblical Recorder.

The present circulation of the Biblical Recorder is around 43,000. A slight increase in the subscription has helped to get our paper out of the red financially. We are happy to note that the people of our association are becomingly increasingly interested in the family plan of the Recorder.

Your committee urges each individual to read every item of Denominational Literature that we may be better fitted for service in His Kingdom.

Respectfully submitted,

E. SUMTER MORGAN

47. The Historians Report was presented by A. P. Mustain:

Historians Report

"The Lord hath done great things for us whereof we are glad."

It has been a great year in history making for the West Chowan Association. Your Historian report is based largely upon data submitted by our pastors.

Probably our greatest achievement during the year was the reopening of Chowan College on September 14th with 133 students enrolled. After a campaign launched more than a year ago to raise one hundred thousand dollars which was a hundred per cent success, work on the college plant was begun under the supervision of Mr. Leon Spencer, business manager and Dr. B. D. Bunn, president of the college. The entire plant has been renovated and much new equipment added. Four cottages have been built and are being occupied by the young men students. A new home has been constructed for the president, and Dr. Bunn and family are comfortably located in their new home. At present our Association is in the midst of a second campaign to raise seventy-five thousand dollars, which amount is needed to clear the college of all debt. Your historian is informed that the Chowan Association, has entered into this second campaign and has agreed to undertake the raising of twenty-five thousand of the above mentioned seventy-five thousand. This second campaign is moving along hopefully, with Dr. Bunn, an able and outstanding educator as the president, and a well trained faculty, the future of the college is most promising.

Another movement of special interest with great promise is the coming of Rev. M. H. Tadlock as field worker into our Association. Bro. Tadlock has already made many contacts and given promise of great usefulness among us.

Bro. Lonnie Sasser reports that Earley's Church has renovated their building and added three new class rooms. Mt. Tabor has installed new lighting system. Conway is in the midst of a building program. The new church plant when completed will cost about ninety thousand dollars. Bro. E. C. Upchurch reports that Lewiston church has installed a Hammond Organ and tower chimes, also laid new carpet. The Kelford church has launched a building and remodeling program and when completed they will have a modern church plant.

Bro. R. T. Greene reports that the Riverside church has erected a modern parsonage at a cost of seven thousand five hundred dollars, and has acquired additional acreage, now hav-

ing four acres of land on which is located the church and parsonage. Merry Hill has started a building fund to repair the present building and add new class rooms.

Bro. T. N. Cooper reports the Rich Square church is engaged in a building program. The church plant under construction when completed will cost about fifty thousand dollars. St. Johns church has some material on the ground and will soon begin the construction of a Sunday School plant. They have in the treasury twelve hundred dollars.

Bro. J. W. Teague reports that Ashley's Grove church has installed a heating plant and new pews at a cost of seven thousand dollars. Lasker church is busy raising money for a new building. Galatia cancelled all debts on the parsonage.

Bro. J. B. Dailey reports that the Jackson church has installed a Hammond organ and placed new pulpit furniture. Potecasi has started a parsonage fund. Hebron has done some remodeling and installed new lights.

Bro. P. T. Worrell reports that the Colerain church has completed a modern parsonage at a cost of twenty thousand dollars. The church has also installed a tower system of chimes, given by Mrs. M. L. Brinkley and daughters in memory of Mr. M. L. Brinkley. Bro. L. J. Raney reports that the Harrellsville church will soon complete a modern church plant at a cost of about fifty thousand dollars. The building is being erected on the pay-as-you-go-plan. Rev. Roy V. Young reports that the Ross church has put in a new floor, laid a new carpet and finished the parsonage. Bethany has renovated their building, laid new carpet, and greatly improved the church ground. Elm Grove has renovated their building and added four Sunday schools rooms. Rev. W. P. Milne reports that his field of churches granted the pastor a leave of absence during the summer for the purpose of study at the Southern Baptist Seminary at Fort Worth, Texas. Rev. Raymond Stewart, a student at our Baptist Seminary, at Louisville, Ky. served as enterim pastor. Bro. Milne states that both Pleasant Grove and Oak Grove are now having weekly prayer meetings and that Aulander had "Deepening Spiritual Week", led by Rev. W. E. Goode of Scotland Neck, N. C.

Rev. W. F. Taylor reports that the Murfreesboro church has been painted and a new carpet laid in the main auditorium at cost of four thousand dollars. Bro. Taylor also reports that the members of his church contributed eight hundred and fifty dollars on the price of a new car for the pastor, and the church gave to Chowan College a plot of ground on which the home

of the president of the college was built and the cottages now occupied by the young men students. The church has installed a Hammond organ at a cost of three thousand dollars, and spent two thousand dollars renovating the parsonage.

Rev. T. H. Williams reports that the Powellsville church has put in a new heating system, weather-stripped doors and windows in main auditorium, money on hand to refinish the floors. The church has also painted the parsonage. Bethlehem has repaired its building which was damaged by lighting during the summer.

The Mars Hill church has installed a Hammond organ and tower chimes. The organ was given by Mr. and Mrs. W. H. Miller, the chimes by Mrs. Nannie Northcott. The church has installed rest rooms in the building.

Bro. George Reynolds reports that the Connaritsa church has organized a B. T. U., Horton's renovated their building, and added three class rooms. Bro. Reynolds also reports that a "Youth Revival" was held with the Lewiston church. The Churches taking part in the revival were: Lewiston, Kelford, Horton's, Republican, Sandy Run, Connaritsa.

Your Historian has no definite data from the Woodland church, but is informed that they are building a new plant.

The following men have accepted pastorates in our Association during the year: R. T. Greene, Riverside, Merry Hill; T. H. Williams, Powellsville, Bethlehem, Center Grove, Holly Grove; Austin Lovin, Winton, Buckhorn, Holly Springs; E. S. Morgan, Seaboard, Elam, Margarettsville; J. T. Ray, Severn, Roberts Chapel; L. J. Raney, Harrellsville, Christian Harbor; W. I. Johnson, Cashie; Dr. Austin Staples, Woodland.

49. H. W. Greene reported that every church had paid in something toward the minute fund.

50. The report of the Committee on Resolutions was presented by H. B. Huggins.

Report Of The Resolutions Committee

Whereas the Association has enjoyed such good days because of the hospitality and generosity of the Elam and Capeharts Baptists Churches, and

Whereas the Association has received adequate publicity from the local newspapers,

Whereas the delegates from all the Churches have enjoyed the splendid speeches and have heard excellent reports, now therefore, Be It Resolved:

51. Motion was made that words of appreciation be sent to Radio Station WRCS for publicity given the Association.

52. An offering of $31.09 was received to make up deficit in the minute fund.

53. Motion was made that Roy V. Young be asked to prepare a report on the school for deacons last march.

Report Of School For Deacons

The Association is session in 1948 voted to have a school for deacons at a time suitable to the pastors and deacons of the various churches. The time was set for the first week in March and there was to be three places of meeting to be at the same time. The churches were divided up into groups according to their location in the Association. One group met at the Conway church with Rev. E. L. Spivey as the speaker. There was another group that met with the Ahoskie church with Rev. Earle Bradley as the speaker. The third group met at the Ross church with Rev. James Ray as speaker. I believe that the school was

of great value to the churches for I believe that it instilled in the hearts of all who attended a fuller sense of their responsibility to God and to their church. I feel that it was a means of drawing closer together in a spirit of love and fellowship the pastor and his co-workers the deacons. Many problems with which the pastor and the deacons are confronted were discussed and to some extent, the answers to the problems were found The meeting was concluded with a joint meeting of the three groups at the Aulander church with the General Secretary of the convention, Dr. M. A. Huggins, as the speaker.

Respectfully submitted,

ROY V. YOUNG

NOTE—The Clerk used only resident members in computing the per capita gifts to missions.

NOTE—The following churches gave as much or more for Missions as they did for Local Expenses: Ahoskie, Center Grove, Christian Harbor, Creeksville, Margarettsville, and Meherrin.

NOTE—While increases are noted in many items, our churches are reporting less Resident Members this year than last. We have had a decrease in number enrolled in our Training Unions. Also there has been a decrease in our Gifts to Missions and our per capita gifts to Missions compared with last year

How the West Chowan Association Came To Be

1. The Kehukee Association was organized November 9, 1769, (according to Paschall). Sand Run (then called Bertie) was the only West Chowan church in the organization.

2. In 1806, the Kehukee was divided at the Roanoke River and north of the River in North Carolina became the Chowan Association. The following West Chowan churches were in the new organization: Ahoskie, Sandy Run, Bethlehem, Cashie, Meherrin, Boss (then called Ross' Meeting House), Colerain (then called Wiccacon).

3. In 1883 the Chowan Association divided at the Chowan River and the three counties between the Chowan and Roanoke Rivers became the West Chowan Association. Twenty-eight churches formed the Association.

The Kehukee was probably the fourth Baptist Association in America. The Philadelphia formed in 1707 was first; the Charleston (S. C.) in 1751; the Sandy Creek (around Sanford) in 1758; and the Kehukee in 1769.

CONSTITUTION

NAME

Article 1. This body shall be known as the North Carolina West Chowan Baptist Association.

MEMBERSHIP

Article 2. It shall be composed of messengers elected by the churches connected with this body and all ordained ministers who are members or pastors of said churches, together with the officers of this Association, and chairmen of all standing committees. Each church of one hundred members and under shall be entitled to two messengers, and for each additional one hundred members, an additional messenger; provided that no church shall have more than four messangers.

OBJECTS

Article 3. The object shall be to devise and recommend measures for increasing the harmony, the intelligence and spiritual power of the churches, and for developing and directing their energies, their resources and their gifts, in advancing the Redeemer's Kingdom on earth.

POWERS AND PREROGATIVES

Article 4. The Association shall have no power to infringe upon the sovereignty or rights of the churches. It is neither an ecclesiastical nor legislative council, nor court of appeal. It may advise the churches and recommend measures of usefulness for their adoption, but cannot bind them in any way. Yet, in view of the combined wisdom, piety and intelligence of the body, it may justify claims for itself, for its objects, and for its recommendations the very highest consideration and regard.

Article 5. The Association may dissolve connection with any church that becomes heterodox in doctrine, or disorderly in practice or that fails to represent itself, either by messenger or letter, more than two successive sessions, without sufficient reason, or that treats with contempt its objects and requirements, upon application of a church for dismission.

RIGHTS OF CHURCHES

Article 6. Each individual church shall hold and exercise all the functions of an independant church of Jesus Christ. As constituent members of this Association, the churches shall have the right to advise, when desired, in case of difficulty, and suggest plans of usefulness to be adopted. It shall be the undisputed privilege of any church to withdraw its membership from this Association whenever it shall so elect.

DUTIES OF CHURCHES

Article 7. It shall be the duty of the churches to appoint as messengers as far as practicable, their most capable members, to require their attendance, and to send by them a contribution to the Association fund to pay for printing the Minutes and other necessary expenses.

Article 8. It shall be the duty of each church to send an annual letter to the Association giving: (1) locality; (2) name of its pastor and clerk and their respective postoffices; (3) the Sabbaths of regular service; (4) church statistics, including the number baptised, received by letter, restored, dismissed, deceased, expelled and aggregate mem-

bership, male and female; (5) Sabbath school statistics; (6) amount contributed to benevolent objects and the Association fund; (7) names of messengers and alternates; (8) and other information of special importance.

ORGANIZATION

Article 9. The officers of this Association shall be a Moderator, Vice-Moderator, Clerk, Treasurer and Historian, who shall be elected at each annual session as the last item of business and just prior to adjournment and shall continue in office until the next annual election.

Article 10. In order to conserve time and not to interfere with the main work of the body, this Association will not consider any routine or miscellaneous business except at the close of discussion of each general topic.

DUTIES OF OFFICERS

Article 11. It shall be the duty of the Moderartor to open the meetings punctually at time appointed; to enforce the rules; to enforce order, and to exercise all the prerogatives of a presiding officer according to the principals of parlimentary usage.

Article 12. It shall be the duty of the Vice-Moderator to discharge the duties of the Moderator in his absence.

Article 13. It shall be the duty of the Clerk to keep a faithful record of the proceedings of this body, and superintend the printing and distribution of same, and to keep on file the printed Minutes and other important documents belonging to the body. He may appoint an assisant when necessary. The Clerk shall receive for his service Seventy-five dollars out of the Minute Fund.

Article 14. It shall be the duty of the Treasurer to receive and disburse the money contributed to the Minute Fund, as directed by the body, and make an annual report of the same.

Article 15. It shall be the duty of the Historian, who shall be elected at each annual meeting of the body to prepare for publication in the Minutes an historical sketch of the church with which the Association meets, with obituaries, incidents and other facts of the year that shall be preserved, and make report to the next Association.

Article 16. On the first day of the session there shall be appointed a Committee of Finance and a Committee on Time, Place and Preacher for the next session.

Article 17. The Executive Committee of the Association shall be composed of eight members, the five officers of the Association; Moderator, Vice-Moderator, Clerk, Treasurer and Historian; the heads of the three departments of work; President of the Woman's Missionary Union, Superintendent of the Sunday School Convention, President of the Baptist Training Union. It shall be the duty of this committee to transact whatever business may require attention between sessions of the Association.

AMENDMENTS

Article 18. This Constitution may be altered at any annual session of the body by a two-thirds vote of the members present.

REPORT ON THE CHOWAN CAMPAIGN, JANUARY 1, 1946—JUNE, 1950

At the meeting of the West Chowan Association at Meherrin in 1945 the responsibility for reopening the College was shifted to the pastors. The next month the trustees and pastors met at Murfreesboro in a very enthusiastic meeting. As a result of this meeting Rev. Lonnie Sasser was asked to lead in the campaign for funds to reopen the college. The last of November, 1947, Rev. Oscar Creech was asked by the trustees to aid Mr. Sasser in raising $200,000 for reconditioning the plant and running the school the first year. The first objective was to raise $100,000 as early as possible so the work could be started on the buildings. In March of 1948 the first objective had been reached in cash (about $75,000) and pledges. Mr. Leon Spencer was employed as business manager and the work was begun in the spring of 1948. The College opened for students in 1949. The campaign for funds was continued during the period of renovation, though not with the intensity of the first four months.

Two weeks before commencement last June it was learned that the college would have to have $35,000 in order to pay all obligations due by that time. The Baptist Educational Council had agreed to give $10,000 if we would raise the other $25,000. It looked impossible but faith prevailed through the intense efforts of many friends and the goodness of the Lord. The amount was raised in eight days. On the night of commencement President Bunn displayed the $10,000 check from the Baptist Education Council and read a letter from the Standardizing Agency of the State saying that the college was then a

Standard Junior College. This was the hour towards which this Association especially had looked and longed for three and one-half years.

According to the report of Mr. Leon Spencer the full amount of money raised for all purposes during the campaign from January 1, 1946 to June 1950 was $230,952.78.

PLANS FOR THE FUTURE—

One year ago this Association voted to ask the churches of this Association and the Chowan to give to the college for operation, One Dollar per Member. We are informed that forty-two churches have voted to help the college in this way.

It has been suggested that many people would be glad to give the College $100 per year if they were approached with a definite plan.

Therefore the following resolutions are offered:
First, That the DOLLAR-PER-MEMBER PLAN be followed up until all churches have a part in the support of the College. This we call a "LIVING ENDOWMENT THROUGH THE CHURCHES."

Second, that earnest effort be made to secure two hundred people anywhere who will give the college $100 or more per year. This we call "LIVING ENDOWMENT BY INDIVIDUALS."
Third, That we ask the Board of Trustees to make arrangements for carrying out these two plans for funds.

Respectfully submitted,

Oscar Creech

9. B. D. Bunn in speaking on the report brought an inspiring address on the life on the College campus.

10. L. J. Rainey moved that we recommend to the Baptist State Convention, amend the by-laws of its constitution so that two of the Trustees of Chowan College might come from Virginia. This was referred to the Committee on Resolutions.

11. The report on Denominational Literature was presented by Mrs. C. W. Jones.

Report Of Denominational Literature

Our denomination publishes literature to meet the spiritual and educational needs of all the Church programs. From the Sunday School Board we have material to encourage Bible study leading to personal faith and cultivation of Christian character which effectuates in expressions of world redemption.

As a stimulus to missions we have two organs; Southern Baptist Home Missions, giving a closer prospective of conditions and opportunities in the Homeland, and the Commission which challenges us to a larger field of service for Foreign Missions.

Our State Baptist weekly, the Biblical Recorder, which furnishes us denominational news and sound religious literature reports an improved and expanded service. Reverend C. W. Bazemore, formerly the Roanoke Associational Missionary, has recently joined the staff as assistant to the editor and business manager. The size of the paper has been increased from sixteen pages to twenty-four. The present circulation is around forty-two thousand. Of this number our association has twenty churches using the every-family plan with a thousand, five hundred, thirty subscriptions, twenty-six churches carrying three hundred and nineteen individual subscriptions, totaling one thousand, eight hundred and forty nine.

Respectfully submitted,

Mrs. C. W. Jones

12. In order to make room for Dr. L. L. Carpenter on the second day's program, by agreement E. C. Upchurch brought a very earnest plea for our support in the Training Union work.

13. The hymn, "Blessed Assurance", was sung.

14. The report of the Committee on Associational Missions was given by W. P. Milne and C. G. Maddrey. The resignation of M. Heath Tadlock as Associational Field Worker was announced.

15. W. P. Milne for the committee recommended that the work be continued. After some discussion the resolution failed. The matter of the disposition of the property and funds was referred to the Resolutions Committee.

16. The host pastor, L. J. Rainey made announcements relative to lunch.

17. The hymn, "Break Thou The Bread of Life," was sung and the annual sermon was preached by J. M. Duncan who read Matt. 4:18-21;28:18-20 and spoke earnestly and challengly on the "Biggest Business In The World."

AFTERNOON

18. After a delicious lunch served in the high school gymnasium, W. I. Johnson led in a brief but impressive observance of United Nations Day.

19. Two former Moderators, W. D. Barbee and C. G. Powell, were recognized.

20. W. P. Milne outlined the plan for the Associational Evangelistic Crusade in 1951.

21. The Report on Missions was read by C. W. Williams in absence of R. T. Greene. Earle Bradley, in his usual forceful manner spoke on the report.

Mission Report

On May 12, 1950, Southern Baptist closed one of the greatest years of mission work in it's 105 years of history.

The Foreign Mission Board has less than 800 Missionaries preaching the Gospel to the lost millions in foreign lands. This is a larger number than ever before, but it is only a handful in comparison to the need.

The Home Mission Board has also had a great year but it is laboring under great handicap because of the lack of money. There is need for 5,000 new Baptist Churches in the Southern Baptist Convention Territory—mainly in the west.

The State mission program has had a very good year but it is also laboring under the handicap of insufficient funds.

I pray to God that we, of the West Chowan Association, may take Christ at His word and start where we are and go unto the ends of the earth, winning people to Christ. Next year may be too late. The time is now at hand to see to it that our work is not hindered by the lack of our support.

Respectfully submitted,

R. T. Greene

22. "O Zion Haste," was sung.

23. The report on Christian Education was presented and discussed by Austin Staples. He gave the results of a test given to the Chowan College students, which clearly pointed out the need of Christian Education.

24. The Committee On Resolutions made a recommendation that the Trustees of Chowan College be recommended by the Chowan and West Chowan Associations as in former years, at the ratio of four in the West Chowan and two in the Chowan.

25. An amendment was offered by L. J. Rainey, that the Baptist State Convention be asked to change its by-laws so that two Trustees could be elected from Virginia. This Amendment carried as did the original resolution.

26. The days session closed with prayer by G. D. Leggett.

Second Day

Greens Cross Baptist Church

MORNING

27. After singing, "We're Marching To Zion," T. H. Williams read a passage of Scripture and C. L. Gatling led in prayer.

31. After the singing of "We've A Story To Tell To The Nations," E. C. Upchurch read his report on the Training Union.

The Baptist Training Union

The Baptist Training Unions of our Association have made progress in the past year. We have a total of twenty-five participating churches at this time. Our goal is every church in the Association.

Our activities during the past associational year consisted of quarterly meetings, a central training school in Aulander by State Workers, and co-operating with our State and Regional Training Programs.

We hope to have the co-operation of all our pastors and

leaders of the churches in the training program. All of us see the need of Trained Workers in our churches. Our Lord gave His best for us. Can we do less for His program?

Respectfully submitted,

Ernest C. Upchurch

32. C. R. Brinkley presented the report on the Baptist Hospital. W. K. McGee brought a stirring address on this subject.

Report of the Baptist Hospital, Winston Salem

I am glad that teaching and healing was the main objects of Jesus' ministry. In all of God's plans he intended for us to have something to do, both temporal and spiritual, in this hospital. We have a great work training nurses, healing the sick, and a Chaplain for the spiritual good of everyone.

So many people in our State are not able to pay all or even part of hospital bills. The Mother's Day offering in 1949 was about $12,000.00 which helps lots to relieve the situation.

With Wake Forest College and Bowman Gray School, we can do even more for everyone.

We want to urge every church to continue the good work. Last year West Chowan gave $7,600.00. We want every church in our Association to help build the new wing to the hospital, for Jesus said, "it was more blessed to give than to receive."

Respectfully submitted,

C. R. Brinkley

33. W. P. Milne brought a forceful address on Civic Righteousness.

34. After the singing of "Onward Christian Soldiers," W. H. Greene read the report on the Orphanage, and E. C. Wilkie brought a very fine message.

Report on North Carolina Baptist Orphanage

In our 1949 report we were compelled to announce that we had spent $56,000.00 more than we had received, this overdraft being due to our having to repair so many old buildings and to erect some new ones. We told you about our shortage and appealed to you to give more liberally than heretofore. You gave $32,000.00 more than we spent—gave more than had ever been given before, in one year, to carry on our work, for which we were very thankful.

On March 21st, this year, the Co-Executors of the Robert M. Idol Estate turned over to the Orphanage $586,000.00 to be used in building a church at Mills Home, in memory of his mother; an infirmary here, in memory of his sister, and a Vocational building, which the trustees feel should be in memory of Mr. Idol himself. This is the largest single bequest the orphanage has ever received. An architect has been employed and plans and specifications are being prepared for these new buildings, which should be started this fall.

With 65 years of glorious history back of us; with a big building program immediately in front of us; with a new General Superintendent and a group of new workers coming to us; with a faithful and experienced band of old workers remaining with us; with scores and scores of homeless children calling to us for shelter and sustenance; with thousands of generous hearts standing back of us, and with unfaltering faith in God, we face the future, unafraid, feeling that, unless war comes, our biggest and brightest days are ahead of us.

Let us continue to pray for our Orphanage, and give regulary and generously to it and thus help carry on the great work being done at both of our homes.

Respectfully submitted,

H. W. Greene

35. H. B. Huggins, Host Pastor, made announcements relative to lunch. The Doxology was sung, and C. G. Powell dismissed with prayer.

AFTERNOON

36. The hymns, "The Kingdom Is Coming" and "Standing On The Promises," were sung and C. G. Maddrey led in prayer.

37. L. L. Carpenter, editor of the Biblical Recorder was heard

with profit, as he spoke on the Biblical Recorder

38. The Sunday School Report was presented by William Futrell.

Sunday School Report

We have had one of the best years of activity in several decades. With few exceptions, we have had interesting officers and teachers meetings in almost every church. I wish to express my deepest gratitude to the pastors and fine laymen who gave their services so freely. We had visiting teams to go in almost every church to create interest.

Our Study courses held at Riverside, Lewiston, Ashley's Grove, and Ahoskie were attended during the week by more than four hundred pastors, teachers, officers and others.

Our officers meetings held at Rich Square, and Menola were real spring boards for better service. Then the climax to our work was during our associational meeting at Bethamy. That was a real day of service.

During the new year we hope again to organize, our teams, and go to each church with a new program during the month of November. During the months of February and March we hope to have five study courses taught.

Again this year we have as our slogan "Take your family to Sunday School. Do not send them." There should be a place for the entire membership of each family in the Sunday School. Invite your neighbors, and new-comers in town. Take a census of your possibilities. "Go out into the highways and Hedges" and ask them to come. When they come to Sunday School let them take home with them a blessing.

Pastors and Laymen, the Sunday School is your foundation for your church. If you take care of your Sunday School, the church will take care of itself.

Let us set as our goal for the new year in this association 5,000 new members. Do not allow any week to go by without asking someone to attend. Let's make this year a real harvest for the Lord.

Repectfully submitted,

W. M. Futrell

39. The Historian's report was read by A. P. Mustian.

Historian's Report

From your Historian's point of view, West Chowan Association has had another good year.

There are five churches at present without pastors—Galatia, Ashley's Grove, Menola, Lasker and Mars Hill. One new pastor has come into the Association, Rev. C. L. Gatling, who is now pastor of Republican church. Rev. Jarvis Teague has left the Association and accepted the pastorate of the Marshall Baptist Church, Marshall, N. C.

On December 25th the Elam church building was destroyed by fire. The membership under the leadership of the pastor, Rev. E. S. Morgan, began at once to make plans for a new building and are now completing a splendid house of worship located at Gumberry.

Rev. Lonnie Sasser reports that Conway is now occupying their new building. The Conway church is perhaps one of the most modern church buildings in our Association. It was constructed at a cost of one hundred thousand dollars and is fully equipped throughout.

Mount Tabor has done some renovating and installed a new heating system.

Bro. H. B. Huggins reports that Capeharts has done some repair on the building, and placed concrete walks on the ground.

Greens Cross has completed plans for remodeling their church plant.

Rev. Roy V. Young reports that Bethamy has moved forward in many things. In two years they have gone from quarter time to half time, and for the first time adopted the unified budget. The Ross church has recently gone from quarter time to half time, and added three class rooms.

Rev. R. T. Greene reports the Riverside church during the associational has paid $2,500.00 of their $3,000.00 debt, and is looking forward to building more class rooms in the near future.

Merry Hill has remodeled the front of their building at a cost of $3,000.00 and hope to begin work on additional class-

rooms in the near future.

Rev. W. P. Milne reports the Aulander church has completed the basement making possible another assembly room and five class rooms, kitchen and pastor's study.

Rev. T. N. Cooper reports the Rich Square church has nearly completed their new building at a cost of $40,000.00.

St. Johns has under construction seven class-rooms.. Askewville has built seven room parsonage. All bills paid.

Rev. W. I. Johnson reports Cashie has enlarged the Sunday School department to care for 150 additional pupils at cost of $18,000.00.

Rev. J. B. Dailey reports that Potecasi has built baptistry in the church.

Rev. T. H. Williams reports improved quarters for the Sunday School work at Powellsville, reconstructed interior of the auditorium, and installed new pews.

Center Grove has added nursery and two class rooms. Bethlehem painted their building.

Siloam reports two additional class rooms, and remodeled the pulpit.

Rev. George Reynolds reports the 200th anniversary of the Sandy Run Church, observed during the associational year.

Respectfully submitted,

A. P. Mustian

40. The report of the Credentials Committee was presented by H. B. Huggins.

Report of the Credentials Committee

We, the Credentials Committee, recommend that the Cashie Baptist Church be continued under the watchcare of the Association, with view to full restoration to the fellowship, as they continue to solve their problems.

We further recommend that the Association join them in prayer and Christian understanding as together we deal with the common problem of alcohol, bearing in mind the admonition of Paul, "Brethren of a man be overtaken in a fault, ye

which are spiritual, restore such a one in the spirit of meekness; considering thyself, lest thou also be tempted."

Report Of Committee On Resolutions

1. Resolutions on funds and equipment of associational missions.

(1) Be it resolved that the associational missions fund be held in reserve, and turned over to the associational treasurer, to be used for promotional causes, as directed by the executive committee of the association.

47. Also the resolution with regards to the equipment of the Mission Committee failed, and it was voted to turn this over to the Woman's Missionary Society.

48. T. H. Williams, for the Committee on Resolutions expressed appropriate words of gratitude and appreciation to the Harrellsville and Greens Cross Churches for their kindness and hospitality, and to the officers of the Association for their

fine work, and to all who had a part on the program for the good reports and inspiring addresses.

Moderator's Message - 1950

First, deep appreciation is hereby expressed to the churches and pastors of the West Chowan Association for the fine spirit of cooperation. For two years, 1948 and 1949, it is my understanding that our churches have been 100% in contributing to the Orphanage and to the Mother's Day offering for the Baptist Hospital. The West Chowan has been the only Association to reach this distinction. This year also every church has contributed to both the Orphanage and the Hospital. All our churches contributed last year to the Cooperative Program and have this year.

These facts certainly speak well for the churches, pastors and the Association.

Second, let me make some suggestions as aims for our churches for the coming year:

1. Every Church a supporter of Chowan College through the DOLLAR-PER-MEMBER PLAN, and send funds monthly.

2. Send funds every month for Cooperative Program to Treasurer M. A. Huggins, even through the amount is small.

3. Send funds to the Orphanage each month.

Note—Twelve monthly payments by any church put the church on the Honor Roll. Watch the reports in the Recorder twice a year and from the Orphanage quarterly. Watch for the star by the name of your church.

4. Every church continue to take the Mother's Day offer-

and send the funds promptly to the Hospital. When the report comes out in the spring, may there be no "goose eggs" reported in our Association.

5. May every church be a contributor to the Baptist Hospital for the New South Wing-; and if possible, reach your quota. It will be a splendid commendation for our churches and pastors, if this is done.

6. May every church have a Recorder Club or have the paper in the budget, take Charity and children and The Home Life Magazine. Brother Carpenter reports that forty-six of our fifty-eight churches now have Recorder Clubs.

7. The hearty response yesterday pledged to the support of the Simultaneous Evangelistic Campaign or Crusade beginning January first was most encouraging. Please follow as nearly as you can the outline of activities as submitted by Brother Milne, chairman of Evangelistic Committee.

8. There are two objectives to work for as results of this crusade:

(1) That every church be interested in winning souls and have baptisms. It is sad for a church to report no baptisms during a whole year.
That the spiritual life of every church be deepened. Paul says in Romans 6:4- "To be spiritually minded is life and peace." A church without spiritual life is dead; and without peace is miserable.

9. The last suggestion is that we make an earnest effort to indoctrinate our people. Especially teach the Juniors, Intermediates and Young People. Our people must know what Baptists believe.

Baptist, Stand By The Bible and Stand By The Churches That Stand By The Bible.

52. "Bless Be The Tie" was sung and the session of the West Chowan Association was closed with prayer.

How the West Chowan Association Came To Be

1. The Kehukee Association was organized November 9, 1769, (according to Paschall). Sand Run (then called Bertie) was the only West Chowan church in the organization.

2. In 1806, the Kehukee was divided at the Roanoke River and north of the River in North Carolina became the Chowan Association. The following West Chowan churches were in the new organization: Ahoskie, Sandy Run, Bethlehem, Cashie, Meherrin, Boss (then called Ross' Meeting House), Colerain (then called Wiccacon).

3. In 1883 the Chowan Association divided at the Chowan River and the three counties between the Chowan and Roanoke Rivers became the West Chowan Association. Twenty-eight churches formed the Association.

The Kehukee was probably the fourth Baptist Association in America. The Philadelphia formed in 1707 was first; the Charleston (S. C.) in 1751; the Sandy Creek (around Sanford) in 1758; and the Kehukee in 1769.

The Baptist Hour

The Baptist Hour is brought to you each Sunday, 1:30 P. M. over our local radio station W. R. C. S. This program is considered by the Pastors, as a worthy Associational Program of radio evangelism.

From January to October, 1951 we have had a total of thirty participating churches. These churches have ranged in gifts from twelve dollars to sixty dollars. The greater number have contributed only twelve dollars. Our last bank statement shows that we have a cash balance on hand of $143.97.

As a means of Associational Evangelism may we continue to support these broadcasts with our means for the Glory of Christ and the Salvation of the Lost.

Respectfully submitted,
Ernest C. Upchurch, *Treasurer*
W. C. Baptist Hour Fund.

8. Leon P. Spencer read the report on Christian Education. Claude Gaddy spoke on the report, urging that we support our Baptist Colleges.

Report Of Christian Education

The pages of history are constant reminders to us that the pillars of progress which our great nation has enjoyed for several centuries, were erected on foundations of Christian character molded in church related schools. Our forefathers had little equipment, but they had great ideas and sincere purposes. For 200 years after we settled America, our schools

were Christian schools. There are now about 600 Christian institutions of higher learning in America. It is impossible to evaluate the service rendered by these colleges in the training of the youth of our land.

In our seven North Carolina Baptist colleges there were enrolled in 1950-51 about 5,000 students, of which 500 plan to enter some department of our denominational life after graduation in full-time service. Not one of us is able to estimate the worth of these trained leaders in our program to make the world Christian. The Christian college had a big part in building America and the American way of life. It must have a big part in preserving America's future. Not how to live, but how to live together is the world's big problem. Our denomination is also blessed to have located in the State a Baptist Theological Seminary from which will flow a large number of trained workers and ministers to carry on our program.

The church related college must furnish society with the highest type of education possible; it must furnish a meaningful philosophy for living. These colleges should not be interested in a cafeteria style of education. Their emphasis should be upon a style of education which will develop the Christian leadership and church leadership which will result in worthy social action for creative living.

These colleges must furnish a distinctive type of education that can not be possibly found in institutions which do not profess to have the religious emphasis. The burden and challenge of tomorrow for outstanding future social leadership for service is on the church and the church related college. Will we measure up to the challenge which we and we alone can meet? The youth of America want education that will help face tomorrow with understanding, conviction, and purpose. Christian education must make us one world, or short sightedness, selfishness, and science will wreck civilization.

We cannot refuse to lend our whole-hearted support to each of the fine institutions which have through the years furnished our communities with quality leadership and in which such a small investment has been made. May our prayers ever attend the heads of our institutions as they seek to enrich our denominational life.

Respectfully submitted,
Leon P. Spencer

9. F. O. Mixon, President of Chowan College in an address on Chowan College challenged the large congregation of Messengers and visitors, with plans for the future of the College. Oscar Creech closed this discussion with a plea for the continuing support of the College.

10. The former Moderators were recognized and Joseph Talley new pastor of host church, made announcements relative to lunch.

11. E. C. Upchurch preached the Annual Sermon selecting as his topic *"A Call to Christian Action"* based on Ephisians 6:10-18. This was a challenging message delivered in an earnest and sincere manner.

AFTERNOON

12. After a delightful lunch and fellowship period, the Afternoon Session began with the singing of, "Lead On O King Eternal " and prayer by J. B. Dailey.

13. The report on Evangelism was read by E. S. Morgan.

15. The report on the Baptist Orphanage was read by W. I. Johnson. J. O. Walton spoke with earnestness on the subject.

Orphanage Report

"Again the time has come for your Orphanage to submit its annual report to the District Association. We are happy to do this because you are the ones who support this host of homeless children with your love, your prayers, and your money.

In your child care program you make available three channels through which dependent children are aided. At Mills Home and Kennedy Home we cared for 606 last year. Then through Mother's Aid we helped support 100. In addition to this we supported 58 children in Boarding Homes. This makes a grand total of 764 children who were given support through your Orphanage Program.

There are two major sources of support for your program of child care. The greatest of these is the ONCE-A-MONTH offering by the Sunday Schools and churches. The other is the Thanksgiving Offering. All this money is used exclusively fo the support of the children. By strict economy it has always been sufficient to meet their needs. Hence, your Orphanage has never sponsored a special campaign for funds. All buildings have been erected by special gifts from interested friends. Since the members of our churches have given DIRECTLY AND REGULARLY to the Orphanage it has kept these children close to their hearts, and we believe has stimulated their religious zeal and caused them to give more to the total Denominational Program.

The financial condition of your Orphanage is good. However, it DOES NOT HAVE a large surplus of funds as some have thought. Like most of your own families. we have to be extremely careful with our expenses in order to get through the year without a deficit.

Although we have never sponsored a special campaign for money, we have tried to keep you informed as to what we were doing and as to our needs. Each week we send *Charity and Children* to more than forty thousand families. We endeavor to meet with every District Association. Also, we go into as many of your local churches as possible during the year. Our Baptist people have always responded in the spirit of the Master who said, "Whosoever receiveth one such children in my name, receiveth not only Me, but Him that sent Me."

We solicit your continued prayers and support, and we

pledge you that we will CONTINUE TO GIVE THESE HOMELESS CHILDREN THE BEST TRAINING POSSIBLE."

Respectfully submitted,
W. I. Johnson

16. The report on the Baptist Home for the aging was presented by J. B. Dailey who also spoke on the report.

Baptist Home For The Aging

The N. C. State Convention, in session November, 1950, authorized the Committee on the Home for the Aging to proceed as they found funds to equip and operate the Home at Winston Salem. January 9, 1951, the committee elected the Rev. James M. Hayes as President. A building was leased for $1.00 per year for 15 years. There are 19 people in the building at this time. The third floor can be completed at a cost of $23,000, which would make space for 16 more people. Friends of the Home have made possible many gifts in furnishings that enabled the Home to be opened.

The residents range in age from 67 to 91 years, and they come from widely scattered sections of the State. There is a happy, congenial Christian spirit and rejoicing in the opportunity to live in the Home. Here we see Christianity put into practice. May God lead many friends to have a part in this worthy program for the aging is our sincere prayer.

Respectfully submitted,
J. B. Dailey

17. Upon recommendation of the Credentials Committee, a new church, Edgewood Chapel was received and welcomed into the fellowship of the Association.

19. The Resolutions Committee read prayer resolutions expressing sincere appreciation of the body to the Aulander Baptist Church of its kind and generous hospitality.

20. The first day's Session came to a close with an impressive Memorial Service conducted by Warren F. Taylor.

SECOND DAY

BUCKHORN BAPTIST CHURCH

MORNING

21. This session opened by the singing of "We're Marching to Zion" and "I Am Thine, O Lord" and prayer by L. G. Leggett.

22. Other Messengers were enrolled.

23. Geo. E. Reynolds made motion that a committee be named to study the finances of the Association and as to salary of the Clerk.

24. The Moderator named the following to serve on this Committee: Austin Staples, W. A. Thomas, E. E. Ward, A. P. Mustian and Mrs. Grady Bridgers.

25. The report and Denominational Literature was given by Roy Hollowell and discussed by J. B. Dailey.

Report On Denominational Literature

There is lots of religious literature in the form of tracts, magazines and books. The Bible, of course, is the chief Book in all of our literature.

The immense volumn of literature produced by Southern Baptists covers the fields of Bible study, Sunday School and Training Union work, W. M. U., Brotherhood, Home and Foreign Missions and so forth. We must encourage our people to read and study the various types of literature which helps us to understand and teach the Bible and which offer inspiration and guidance in Christian living and service.

When the North Carolina Baptist Convention was organized in 1830, its main purpose, according to the Constitution was the promotion of missions, education, social service and the distribution of sound religious literature. In 1833, the Biblical Recorder was founded and for over a hundred years it has been going into the homes of our Baptist people in North Carolina. The present circulation of the Recorder is nearly 46,000. It now has 24 pages instead of 16. It is a wholesome, attractive family weekly journal.

I feel that it ought to be in every North Carolina Baptist home.

Last year at our Annual Meeting of the West Chowan Association we had eight churches in the Association that did not have a Recorder Club of some kind. I am glad to report

at this time that we have only four churches that does not have Recorder Clubs.

I want to thank the pastors and leaders in our Association for what they have done to get the Recorder into the home o: the people.

26. F. O. Mixon brought a forceful message on Civic Righteousness. He listed four categories of evil; Alcoholic Beverage, Inordinate Sex Life, Selfishness and Pride.

27. A motion was made by L. J. Rainey that the Resolutions Committee be instructed to draw up appropiate resolutions on each of the evils presented by F. O. Mixon.

28. The Missions Report was given by H. B. Huggins. Our State Secretary, M. A. Huggins in his usual dynamic manner spoke on the subject.

The Mission Report of the West Chowan Association For 1951

Upon leaving the earth, Jesus gave his followers a very definite commission: "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and the Son and the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and lo, I am with you always, even unto the end of the world." Matt. 28:19-20. And further He stated to those who were gathered to see Him ascend to heaven: "And ye shall be witnesses unto me both in Jerusalem, and in all Judea, and in Samaria, and into the uttermost part of the earth." Acts 1:8.

In doing this Jesus divided the world for each Christian into four mission fields, namely Local, State, Home, and Foreign.

LOCAL

On the Local Level there are 58 Baptist Churches in our association. Their income for 1951 was $494,110.00. From this amount only $103,183.00 was given for mission work outside of the association, of about 21%. If all the people in our associational area were to decide to go to church all at the same time, less than 40% could find a seat. This refers to all denominations and all people. We also need to win more than 60% of our church members to the church. Less than 40% of our church members are active in the work of God's kingdom.

The West Chowan Baptist Church members has averaged only about $41.00 per member.

STATE

There are in North Carolina 2,915 Baptist Churches and 687,760 Baptist church members. This year, these churches and people will give through the cooperative program, the designated and undesigned funds, to foreign missions approrimately $650,000.00; to Home missions approximately $325,000.00; and to State missions in neighborhood of $300,000.00. Should North Carolina Baptist tithe, and the monies were distributed through the same channels and at the same rate, we would have given no less than fifteen millions of dollars, instead of just a little more than one million to State missions.

The state convention is supporting eighteen worthy ministries. More should be done for each phase of the already established work and the number of ministries should be greatly increased.

HOME MISSION

In recent years the Southern Baptist Convention has added 988,642 square miles of territory to the Home Mission field and 22,000,000 people. In the Western States, the Canal Zone, Cuba, and Alaska there are 25,000,000 unchurched people.

The Five-Year Crusade in Home Missions, which is now in its second year of operation, seeks to double the number of Good Will centers, to add 500,000 unaffiliated Baptist to our church membership, to double the number of churches in the outposts of the Board's mission field, to have every church in the territory of the Convention winning souls, to establish 181 missions in the language-group field, to secure 200,000 subscriptions to *Southern Baptist Home Missions,* to publish and distribute annually 200,000 mission books, and to secure a total attendance of 5,000,000 in schools of missions. For this it needs an annual operating budget of $2,500,000.

In 1950 there were 754 missionaries, 271 student workers, and 259 chaplains working under the auspicies of the Home Mission Board. Also a radio program is fostered and promoted.

FOREIGN MISSIONS

The Foreign Mission Board has lengthened its cords and strengthened its stakes in all parts of the world during the past year. Funds for Foreign Mission Advance have enabled the Board to establish new stations in almost every country in which it has work, and in four countries in which Southern Baptist have not been represented before. We have never before had as many foreign missionaries on the field as we have now.

The largest number of missionaries ever appointed by the Board in any one year were appointed in 1950, giving a total of 803 active missionaries. Thirty more have been appointed

during the first four months of 1951.

Our four new mission fields are Ecuador, Peru, Southern Rhodesia and Malaya—placing our missionaries in a total of 28 countries. (Korea also, was entered by our missionaries in February, 1950; one of the missionaries forced out by the outbreak of the war the following June expects to re-enter in 1951 to administer relief.)

Two Hospitals are under construction in South America where we have had a hospital before. One of these is in Asuncion, Paraguay, and the other in Barranquilla, Columbia. We now have a Hospital in Ajloun, Jordon for medical service among Moselems.

Strong international theological schools which have been located at strategic points will strengthen our work for years to come."

"Inauguration of agricultural missionary leadership in two mission fields launches a new service which will deepen Baptist influence among people in farming areas. One of the agricultural missionaries is stationed in interior Brazil; the other at a co-operative Hebrew settlement in Israel."

Every new missionary, every new station, every new institution established requires much more than the initial financial outlay which inaugurates their services. Dr. Theron Rankin, executive secretary of the Board, estimates that $3,000 is the minimun yearly requirement for every new missionary added to the foreign mission staff.

The foreign Mission Board's total receipts ror 1951 were $6,014,009.49.

The time is upon us for greater interest, deeper consecration, more dedication, and more giving into the Lord's work around the world.

H. B. Huggins

A F T E R N O O N

31. After a delightful lunch and social period, the afternoon session opened by the singing of, "Stand up, Stand up For Jesus," and prayer by W. I. Johnson.

32. The Chowan College Choral Group favored the Association by the rendition of two musical numbers; "The Holy City" and "Onward Christian Soldiers."

33. William Futrell brought in the Sunday School report.

Sunday School Report

If you will observe the reports of our Sunday School work for the year, you will find there has been one of the most fruitful years of the past decade. Our Sunday Schools have enjoyed an increase of more than 2,000 members which is an increase of more than twenty percent during the year.

When we find a year with a record of this type the first thing that comes to our minds is what was the reason for our progress, and why should we not try the same thing for the

new year. First, we must not forget that the Simultaneous Revivals were not only a means of enlargement of our Churches but for all organizations of the Church. Second, let us not forget the Clinics held at Ross, Menola, Conway, and Lewiston. Those were real foundations for our Sunday School work.

Third, we would not lose sight of the fine fruitful Vacation Bible Schools held in fifty-three of our Churches. Fourth we wish not to forget the new Sunday School and Church organized during the year at Edgewood Chapel.

Surely God blessed us and prospered us on the way.

During the work of the Clinics more than 276 teachers, officers, and students attended our four schools and prepared themselves for better teaching in our Sunday School work. Let me take this opportunity to express my personal appreciation to each of the pastors, teachers, and all who helped make possible these days of study.

This has indeed been a banner year for us, but let's say with Paul, "I, Paul, have planted, Appolis has watereth, but God giveth the increase." Let all the credit go to God, who giveth the increase.

Let us not overlook the study courses taught in our Churches by our pastors and fine laymen throughout the Association.

During the year a meeting was held for the officers and teachers at Woodland and our Association meeting was held with Creeksville. Both meetings were represented by most of our Churches and well attended.

For the new year I would recommend the following to all Churches: at least two revivals in each Church, a Vacation Bible School in each church, five Clinics held for one week during the month of February and at least one study course taught in each Church sometime during the year.

Let me again express my sincere appreciation to the officers, teachers, pastors and all who contributed in any way for the success of our Sunday School work.

Respectfully submitted,
William M. Futrell

34. E. C. Upchurch, presented a report on the Training Union

Training Union Report

The Training Union Theme for the year of 1951 was "Choose Ye this day." The Scripture was Joshua 24:15"—Choose ye this day whom ye will serve; whether the gods which your fathers served that were on the other side of the flood, or the gods of the Amorites, in whose land ye dwell: but as for me and my house, we will serve the Lord."

There were a total of four meetings for the year. These were held in the following churches: Ahoskie, Potecasi, Coler-

ain, and Lewiston. The inspirational speakers for these meetings were the Rev. W. P. Milne, Aulander; and the Rev. J. J. Rainey, Harrellsville.

The Associational Tournaments were held at the meeting with the Potecasi Church. The winners of the tournament were as the following: Miss Yuanne Mitchell, Winner Junior Memory Work, Intermediate Sword Drill; Miss Rogenia Hughes, Winner Better Speakers Contest.

Our aim, as an associational training program, is to lead every church to carry on a constructive program of training, not only through the weekly meetings but with a great program of study course work, and the Bible Reading Crusade to enlist ALL CHURCH MEMBERS.

Respectfully submitted,
Ernest C. Upchurch, *Director*

35. C. L. Gatling brought in a report on the American Bible Society and challenged the churches to contribute to this worthy cause of sending the word of God to the people of the world.

36. The Historian's Report was read by A. P. Mustian.

Historian's Report

With the unfolding of divine providence, God leading the way, West Chowan Association has perhaps, set up an unprecedented high mark in Kingdom building.

Our leaders, and our followers alike, seem to have caught the spirit of Paul who wrote to the church at Corinth: "Therefore, my beloved brethern, be ye stedfast, unmovable, always abounding in the work of the Lord, for as much as ye know that your labor is not in vain in the Lord."

The Evangelistic Crusade in the easy spring swept our entire territory with 55 of our churches participating. There were 271 conversions and 1,932 rededications. With the coming of Dr. F. O. Mixon as president of Chowan college and Rev. Oscar Creech associate to Dr. Mixon, we are rejoicing, and our hope for the grand old College is brighter than for many years.

During the year three of our pastors have resigned their work. After 26 years Rev. Oscar Creech resigned the Ahoskie Church to accept work with Chowan College. Rev. W. P. Milne resigned the Aulander Church to accept the pastorate of the Clinton Baptist Church. Rev. Austin Lovin resigned the Winton-Buckhorn-Holly Spring Churches to do further Seminary study.

There are at present four churches in our Association without pastors. Ahoskie, Buckhorn, Winton and Holly Springs.

Four new pastors have accepted work among us. Rev. J.

A. Talley, pastor of Aulander and Oak Grove; Rev. J. B. Hewett, Askewville and Elm Grove; Rev. H. Y. Thompson, Mars Hill and Union; Rev. Frank Robinson, Galatia, Ashleys Grove and Menola; John Fischer is with the Ahoskie Church as Minister of Music.

The Kelford Church is well on the way to completion of a remodeling and building program. The old sanctuary has been reworked, new educational plant joined on to the sanctuary which has new windows, hard wood floors, new paneling and ceiling, baptistry installed, and new lighting system. The educational plant has 14 class rooms, 2 rest rooms, pastor's study, a combination class room space for recreational facilities, a heating system to take care of entire building. Mrs. A. C. Johnston donated to the church a Hammond Organ in memory of her deceased father, Mr. George Brown. Total expenditures on the building program thus far $33,422.00 The church has only 135 resident members.

Rich Square dedicated their new building June 26, 1951.

Lasker is erecting a two story educational plant.

St. Johns will in the near future be using its new Sunday School addition.

Colerain dedicated their new pastorium January 14, 1951.

August 19, 1951 Connaritsa had home-coming day and dedicated new pews and other church furnishing.

Elm Grove remodeled old building, added four class rooms and installed new lights and heating system.

Mt. Tabor reports new ceiling. Sanded floors and placed new carpet.

Potecasi dedicated their church and furniture September 2, 1951.

Ross has installed heating plant, graded and seeded the grounds.

Sandy Run adopted "Lord's Acre Plan" to raise funds to build parsonage and repair church building.

Hebron has built three class rooms and repaired the entire old building.

Meherrin has under construction a modern church plant to care for the ever growing congregation. The building is of cinder blocks and brick veneer. The auditorium will be 40x70 feet, with 23 class rooms, library and pastor's study, with basement under entire plant. Members have given much free labor. As of date, $21,164.00 has been spent on the building.

Merry Hill has built eight class rooms to care for the ever expanding Sunday School.

Riverside began a Sunday School Mission in the Lea Lumber Community near Windsor, and as an outcome, Edgewood Baptist Church was organized August 12, 1951 with seven charter members. The present membership is 19. The church now

owns a lot valued at $1,000.00 and work has already begun on a building program.

Brantley's Grove has screened the church, painted the inside, placed new carpet and arranged nursery.

Wakelon has begun building 5 additional class rooms.

Seaboard has completed a magnificent church plant, completely equipped at a cost of $90,000.00

Elam will dedicate its $50,000.00 plant December 17.

Holly Grove has renovated their building and installed new heating system.

The Murfreesboro church has under construction additional Sunday School quarters.

Mars Hill has repaired their parsonage and furnished the kitchen at a cost of $2,500.00.

Askewville has completed a modern pastorium and is occupied by their pastor Rev. J. B. Hewett.

In the spirit of gratitude and humility, we thank God for all that He has accomplished through us.

Report of The Credentials Committee

I. ONE NEW CHURCH:

We recommend that the Edgewood Chapel Baptist Church be received into the fellowship of the West Chowan Association.

II. CHURCHES REPORTING ON THE LIQUOR QUESTION:

1. One Church reported through its Pastor that they had solved their problem in the case of a member who had been living in violation of the Associational rule. We commend this church in its action.

2. Another Church reported that they were experiencing diffiiculty with two of its members who were living in violation of the Associational rule. The Pastor of this Church felt that without publicity he and his fellow members would be able to solve their problem within the coming year. We recommend that their request be granted and that we pray for them.

3. In the case of the Church under the watch-care of our Association we recommend that they be continued under

the watch-care of our Association, and that we pray for them, and that we seek to help them in solving their problem as soon as possible.

41. Roy V. Young reported for the Resolutions Committee.

Report Of Resolutions Committee

I. Be it resolved that the West Chowan Baptist Association composing 59 churches in the counties of Bertie, Hertford, and Northampton in North Carolina, go on record as opposing the appointment, by the President of the United States and the approval by the Congress of the United States, of an emmisary or ambassador to the Vatican which is the seat of the Roman Catholic Church.

It is our firm conviction that such an appointment would be, in effect, recognition of the Roman Catholic Church as a sovereign state.

This, we feel, is a breach of the spirit and letter of the law in the first amendment of the Constitution of the United States.

It, we feel, would pave the way for the abolishment of the first amendment.
Therefore be it resolved that copies of this resolution be sent to

1. The President of the United States, H. S. Truman
2. The U. S. Senators from North Carolina, Clyde Hoey and Willis Smith
3. The U. S. Representatives from this district of North Carolina John H. Kerr and Herbert Bonner
4. The Biblical Recorder, the Journal of N. C. Baptists, and to local and world wide press agencies

II. Be it resolved that the West Chowan Baptist Association recommend to the individual churches that they send letters to these above mentioned parties opposing the appointment of an ambassador to the Vatican.
III. Be it resolved that the West Chowan Association go on record as favoring a statewide referendum on the sale of liquor, wine, and beer.
That a copy of this resolution be sent to all representatives of this district to the N. C. Legislature.

IV. That the West Chowan Baptist Association go on record as favoring and requesting a law that would outlaw the advertising of liquor, wine, and beer by any agency involved in interstate commerce or interstate communication. That a copy of this be sent to Senators Smith and Hoey and to Representatives Bonner and Kerr.

V. Be it resolved that the West Chowan Baptist Association go on record as favoring a referendum on liquor, wine, and beer in the counties of Bertie, Hertford and Northampton.
We further urge that the Christians help the law enforcement officers to combat and to stamp out the manufacture and sale of both and illegal alcoholic beverages.

VI. The rising tide of sin among our people is appalling to us and we take our stand as opposing the sinful practices that indicate the moral breakdown of our people and nation. We advocate that all Christians abstain from:

1. The sale or use of alcoholic drinks as a beverage
2. Inordinate sex life. The rising tide of prostitution among the minor age group of women was mentioned.
3. Divorce. The alarming increase in divorces was pointed out.
4. Selfishness and pride
5. Gambling. Much was said about gambling. There was a strong emphasis put upon the fact of gambling in the schools of the counties as sponsored by the P. T. A. and any other groups. In connection to the schools there was mentioned the bingo games which is illegal according to the ruling of the Attorney General of N. C. The other games of chance which lead to the teaching of our boys

and girls to become gamblers was strongly condemned and opposed. The people were urged to do all within their power to have the abolition of the pari-mutual betting at Currituck and Morehead City and the bingo games that have been legalized.

A motion was made to send a copy of this resolution to the principals of the schools in the three counties, the county Superintendents, the P. T. A. presidents.

We further urge that the local churches establish or continue a program of education within their total program to teach Christian truths as given in the word of God as the only adequate answer and solution to the evils that confront us.

Compulsory Universal Military Training

VII. A blueprint for a compulsory Universal Military Training system will be recommended to Congress in January. If the military minded people succeed in getting this passed it will mean that henceforth and forever every American boy will be enslaved not only during war-time but also during peace-time. This strikes at the very foundation of our "American Way of Life." Moreover, we are convinced that under the universal draft system which we have been using and are using that the defense of our country has been taken care of and that the universal draft system will give us all the defense needed without the evils of compulsory universal military training. Let us wake up, and protect our American way of life before it is too late!

Therefore, Be It Resolved:

1. That we express our opposition to compulsory universal military training as a permanent system.
2. That we urge our Congressmen and Representatives to work to prevent compulsory universal military training from becoming the law of our land and that we make known our wishes to them by writing them.
3. That this resolution be presented to the North Carolina Baptist State Convention.

VIII. Be it resolved that the West Chowan Baptist Association express its appreciation to the host Church today, Buckhorn, for its wonderful hospitality and the fine meal, also that we express our appreciation to the program committee and also to those who took part on the program—by standing.

Respectfully submitted,
E. S. Morgan, Chairman
George E. Reynolds

42. F. O. Mixon, after discussion by various Messengers,

made a motion that the Executive Committee of the Association be instructed to form the organization for holding a referendum on intoxicating beverages in Bertie, Hertford and Northampton Counties.

43. Austin Staples and J. B. Dailey requested that their names be entered in opposition to the resolution on compulsory universal military training.

45. The Special Finance Committee through its Chairman, Austin Staples, made its report.

Special Finance Committee Report

We recommend that since the term "Minute Fund" seems to cause some confusion in the minds of some people and since the fund includes not only the printing of minutes, but also the salary of the Clerk and other expenses, the item be called the Associational Expense Fund.

We further recommend a means of financing our work, that Churches be encouraged to send in seven cents per resident member, and that the balance be made available to the Executive Committee for such emergies that may arise.

We further recommend that the salary of the Clerk be increased to $150.00 per year, The Chowan Association pays

$200.00 and the Roanoke $150.00. West Chowan has paid $75.00 since 1944.

How the West Chowan Association Came To Be

1. The Kehukee Association was organized November 9, 1769, (according to Paschall). Sand Run (then called Bertie) was the only West Chowan church in the organization.

2. In 1806, the Kehukee was divided at the Roanoke River and north of the River in North Carolina became the Chowan Association. The following West Chowan churches were in the new organization: Ahoskie, Sandy Run, Bethlehem, Cashie, Meherrin, Boss (then called Ross' Meeting House), Colerain (then called Wiccacon).

3. In 1883 the Chowan Association divided at the Chowan River and the three counties between the Chowan and Roanoke Rivers became the West Chowan Association. Twenty-eight churches formed the Association.

The Kehukee was probably the fourth Baptist Association in America. The Philadelphia formed in 1707 was first; the Charleston (S. C.) in 1751; the Sandy Creek (around Sanford) in 1758; and the Kehukee in 1769.

8. Mrs. Julian Porter of Severn read the report on Denominational Literature which was discussed by L. L. Carpenter, Raleigh, Editor of the Bibical Recorder.

Report On The Denominational Literature

The winning of people to Christ and the training and developement of our people must be carried on primarily through preaching, teaching, and the use of good religious literature. We must place in the hands of the people religious literature in the form of tracks, magazines and books. The Bible, of course occupies the chief place in our list of literature.

The immense volume of literature produced by Southern Baptists covers the fields of Bible study, Sunday school and Training Union work, W. M. U., Brotherhood, Home and Foreign Missions, etc. We must encourage our people to read and study the various types of literature which help us to understand and teach the Bible and which offer inspiration and guidance in Christian living and service. Unique in this list is the State Baptist paper because it seeks to promote and support all phases of our Baptist work, both at home and abroad.

The present circulation of the BIBICAL RECORDER, our state Baptist paper in North Carolina, is more than 50,000. This means an increase of more than 5,000 during the past twelve months. For our large circulation we are grateful to God and to the pastors and leaders of North Carolina Baptists who have supported the paper enthustically and have done what they could to get into the homes of the people. We express our appreciation to General Secretary M. A. Huggins and all the state workers for the great help which they have rendered.

One of the great needs of our people is that they be informed, trained and enlisted in the whole program of the church and the Kingdom of God. We would follow the injunction of Paul to Timothy: "Give diligence to present thyself approved unto God, a workman that needeth not to be ashamed, handling aright the word of truth."

Respectfully submitted,
Mrs. Julian Porter

9. In the Chowan College period, a group of students from the college favored the splendid congregation with three musical selections. Dr. F. O. Mixon brought an encouraging message on the college and Christian Education as distinguished from other kinds of education. He also stressed certain immediate needs of Chowan.

10. In the report on Associational Missions, P. T. Worrell presented Oscar Creech, Chairman of the Executive Committee, C. G. Maddrey, Treasurer of the Missions Fund and R. T. Greene, Associational Pastor, each of whom gave their reports.

Report of The Executive Committee In Reference To The Associational Missionary

At the meeting of the Baptist State Convention meeting in Ashville last November Rev. H. B. Huggins, then pastor at Green Cross and Capeharts, talked with our General Secretary, Dr. M. A. Huggins, about the need of a missionary in the West Chowan Association to start missions and organize churches, beginning in Ahoskie and Windsor. Several other pastors talked with Dr. Huggins after Brother H. B. Huggins had his conversation with him.

At the Pastors' Conference at Ahoskie on Monday after the first Sunday in December following the Convention these pastors reported their conversation to the whole group. They explained the fovorable reaction of Dr. Huggins and that he said he would recommend to the General Board that $200 per month be appropriated to this work in our Association, on condition that the Executive Committee make applicatin for it.

The pastors discussed at length the advisability of employing a full-time missionary. They considered the action of the Association the year before in abolishing the services of a Field Worker. However, they were of the opinion that the Association would favor and support a missionary program. They decided to take the matter back to their churches to see if they would agree to support such a program by giving tweny-five cents per member as before, and then report the results at the next meeting in January. The Moderator was asked to call a meeting of the Executive Committee at the same time to sit in with the pastors and then have their meeting following the adjournment of the Conference.

At this January meeting enough of the churches were heard from to see that the work was possible and believing that others would help in the program, especially as the work could not be started at once. The Executive Committee met and after full discussion voted to employ a full time missionary and apply to the General Board for $2400 or $220 per month from the time the missionary began work. The application was made and approved by the General Board at their January meeting in Raleigh.

It was now in order for the Exeutive Committee to employ the missionary. The committee was again called for the first Monday in February. The Committee and the pastors knew of the fine work that Rev. Tom Greene had done in organizing

the Edgewood Chapel Church about two miles west of Windsor, and he was asked to meet with the Committee and was offered the position. He expressed his deep interest in mission work and explained that he had wanted to be a Foreign Missionary but was denied that privilege. He agreed to accept the challenge, but stated that it would be March 15th before he could take up the wark.

The followin remuneration was agreed upon:

Salary	$3600
Retirement	144
House	600
Car expense	300
Office expenses	300
Convetion expenses if money in hand	150
Total	$5094
Convention to give	2400
To be paid by the Association	$3494

The following brethern were asked to serve as the Missions Committee:

H. B. Huggins, Chairman
C. G. Maddrey
P. T. Worrell

Later brother Huggins left our Association and Rev. Oscar Creech was asked to fill the vacancy. Brother C. G. Maddrey was appointed to serve again as mission treasurer.

Brother Greene has now been on the job seven and one-half months and the Executive Committee meeting Sunday after reviewing the work done thus far, felt deeply grateful for the work accomplished already. The missionary will give his report of the work done.

This important matter was unexpectedly thrust upon your Executive Committee and had to be accepted or rejected then. Your Committee believes the wise thing was done.

We have brought the whole matter for your consideration and for instructions as to future action.

Report of Your Associational Missionary For The Year 1951-52

Since I have been your Associational Missionary, from March 15, 1952 I, have done the following things: Preached 154 sermons, made 57 other addresses, taught 4 study courses for five nights each, talked to 181 lost souls about accepting

Christ, preached during four revivals, and Baptised 31 souls into Edgewood Chapel or Creech Memorial. I have traveled 11,570 miles in doing this work.

On May 11, 1952 Creech Memorial Missionary Baptist Church was organized. We have been using a borrowed tent for our worship and other Services since our founding. Mr. Ned Evans, Ahoskie, gave us a lot 75 by 150 feet and we bought a lot adjoining this one which is also 75 by 150 feet. We the members have given 1,525 hours of labor toward our Church building and the most of this labor has been given at night after the men got off of work. This is a great amount of labor when you consider that we have only 12 able bodied men, who are members of our Church. We the 51 members have put $2,651.60 cash money into the building beside our cash gifts, and we have given $96.10 to the Cooperative Program, $10.00 to the new wing of the Baptist Hospital, $60.00 to Associational Missions, $10.50 to Chowan College, and five dollars plus clothes and food for Community Missions. When you total the money we have given and put a money value on our labor and include the gifts of labor, use of machinery, building materials and money that others have given you will see that we have above $10,000.00 in the first unit of our building. Beside this we have Prayer Meeting, B. T. U., Sunday School, W. M. U. and Worship Services.

At Edgewood Chapel we have put over $7,000,00 into our building and we have put hundreds of hours of labor. We also have Prayer Meeting, Worship Services, Sunday School, Training Union and W. M. U. We have given to every cause fostered by the Southern Baptist Convention. We are at the present building on our auditorium.

We have looked at money and money values, now let us turn to souls. In this I combine the figures of both Churches. We have had 105 people to join the Churches. We have a Combined average attendance of around 130, out of this 130 souls only 21 were attending any Church of any denomination prior to the establishing of these Churches.

You have put $1,226.32 into this program and State Missions has put $1,100.00. If you look at it on the basis of dollars then you have multiplied your Kingdom Dollars 17 times. If you look at it on the basis of Souls, then who can value the more than one hundred souls that have been won because you are doing Associational Mission Work?

Respectfully submitted,
R. T. Greene, Associational Missionary

11. Lonnie Sasser, host pastor welcomed all those present and made announcements relative to lunch.

12. A Trio of young ladies from Seaboard Baptist Church rendered special music and the Annual Sermon was ably

preached by E. Sumpter Morgan of Seaboard on, "The Voices By The Red Sea," using as the Scripture reference Exodus 14.

13. The report on the Transfer was given by R. T. Greene, Ahoskie.

Report of Transfer Church Membership Week

Since I have received a report from only five Churches I can not give very much information and that from the Church letters

Last year the West Chowan Baptist Association reported 4,550 non-resident members of all of our Churches. This year we have 4,500 non-resident members.

These figures are astounding when we realize that they represent souls that are not any good to Christ's Kingdom anywhere.

I believe that if these people are to be won to effective work in the Kingdom, they must be members where they are living. To do this tremendous job I would suggest that our Churches do the following things:

1. Vote to ask every non-resident member to comply with the Church covenant by moving their membership to a Baptist Church where they are now living.
2. Write the non-resident members and let them know the action of the Church and encourage them to comply.
3. Write to the nearest Church to each of the non-resident members and tell them what you have done and let them know the address of your member living in their community.

Respectfully submitted,
R. T. Greene

14. E. S. Morgan pronounced the benediction and asked the blessings of God upon the food.

Afternoon Session

15. After a bountiful lunch the afternoon session was opened with the singing of, "In The Cross," and prayer by K. D. Bryant of Pittsboro, a former pastor in the Association.

16. The Mission Report was turned in by J. O. Walton, and forcefully discharged by Earle Bradley of the State Missions Board, Raleigh.

Mission Report, West Chowan Oct 28, 29, 1952

There are several things that we as Missionary Baptists ought to do and teach all the time:

First, each Christian among us ought to practice missions. This is one thing that sets us apart from many another group—missions. If we as Missionary Baptists are not truly missionary

at heart and in practice, we might as well join the other group who for the past hundred and more years have made public declaration that they do not believe in missions. They practice what they preach. They prove that they do not believe in missions by having just about the same number on their list now as they had then. What do we prove when we declare we are missionary people?

Second, each of us ought to make a special effort to become better informed about missions. Know this, dear friends, unless we are informed about missions we are not going to be progressively missionary. It may be a trite saying, but it is true: "What we are not up on we are down on." A knowledge of what Missionary Baptists have accomplished in missions during the past century is essential if we are to strive to increase our work for the future.

Third, each ought to go to the source of the greatest of all movements—missions. Dr. W. O. Carver, in his MISSIONS IN THE PLAN OF THE AGES, gives a most wonderful treatment of the origin of missions. Though the book was used as a text book in the seminary, it was, and is, a most inspirational book. He declares that missions came out of the heart of God; that Jesus in truth was Heaven's missionary to us; that Christianity must be missionary at the core as well as on the surface; that missions begin at home and reach to the uttermost parts of the earth. And all of this is surely based upon nothing but sound teaching of the Bible itself.

Fourth, each of us ought to make a practical, home case out of our preachments for missions. That is to say, we ought to study our State Convention missinary program. We ought to study our Associational missions program. We ought to study our own local church missions program.

Fifth, each of us ought to accept the whole gospel for the whole man for the whole world! Our Bible is not a book of local interests only. It covers the earth, as waters cover the sea. It gives a complete gospel. When you read in the Book that He will save to the uttermost all who come to Him by faith, you are reading about something powerful and complete. The Book calls for no credentials but a repentant heart and an active faith in God through Christ Jesus.

Sixth, each of us ought to be missionary enough to make us rejoice in His service. How happy are we as Christians? We sing, "I Am So Wonderusly Saved From Sin!" Brother, that is something to shout about! How much true happiness can a Christian exhibit when he spends more money for cold drinks, cosmedics, smokes, chews, etc. than he does for the work of the Lord on the earth? What would happen in terms of mission money and missionary spirit if all Christians made it a rule to give as much to missions as the government takes in F. I. T.?

In conclusion, let us consider one thing: *We Are Bought With A Price*; that price is none other than the life-blood of the Son of God. If that price were the life-blood of your only child, you would be much more interested in the work than you are!

Respectfully
J. O. Walton

18. J. O. Walton made a motion that since the Association was in the arrears in our Associational Fund, an offering be taken both days of the Association. This was done.
19. L. J. Rainey, for the Credentials Committee, recommended that the Creech Memorial Church of Ahoskie be received into the fellowship of the Association. The Moderator welcomed the Church and extended the pastor and members the hand of fellowship.
20. Frank Robinson of Galatia, Chairman of the Resolutions Committee, expressed the appreciation of the Association for the hospitality of the Conway Church.
21. The first day's session was closed with prayer.

Second Day

CASHIE BAPTIST CHURCH

22. This session was opened by singing, "Come Thou Fount" and Scripture reading by W. P. Milne, Ahoskie and prayer by Stewart Simms, Richmond.
23. The Moderator stated that the Association was meeting today on historic grounds, that according to Paschal's History of North Carolina Baptist, the first organized missionary work in North Carolina was started in this Church, and the first meeting of the West Chowan Association weas held here.
24. The Messengers were enrolled and the Digest of Church Letters was presented.
25. J. F. Colston read the report and spoke on the Minister's Retirement urging the importance of this phase of our work.
26. J. B. Hewett, Windsor, brought the report on the Baptist Hospital and Dr. W. K. Magee of the Baptist Hospital, Winston Salem, spoke on the report.

Report of North Carolina Baptist Hospital 1952

"And he healed many that were sick"—(Mark 1:34). This statement refers to the ministry of Jesus when he was here in the flesh. Also, it describes the ministry of our Baptist Hospital today, where hundreds of sick people go each week in search of relief from disease and sickness of almost every nature. In many cases they go as a last resort when hope has all but failed.

"And a certain woman, which . . . had spent all that she had, and was nothing bettered, but rather grew worse, . . . came"—(Mark 5:25). Here, again, this statement concerning the woman who made her way to Jesus is the oft repeated story to those who work at our Baptist Hospital. They come saying, "We have spent all our money and we are still sick.

Can our Baptist Hospital help us?"

It is the business of our Hospital to do all in its power to say, "Yes,' to these pleas which come out of sickness and poverty. It is our opportunity through our Mother's Day Offerings to make it possible for our Hospital to answer these calls for help from those who have little or no money. Last year more than 10,000 people were cared for as bed patients in our Hospital. There were 95,000 visits made to the clinics for examinations and treatments. A large number of these were people who could not pay for the care they received. Much of this service could not have been provided without the help of our Mother's Day Offerings.

The construction of the new wing to the Hospital is now well advanced. This will greatly enlarge our ministry to the sick, adding 150 new beds and many other badly needed facilities. It is hoped that before this year closes every one of our churches will have done its part in helping with the cost of this building.

Jesus said, "Inasmuch as ye have done it unto one of the least of these my brethern, ye have done it unto me"—(Matt. 25:40). Let us give our best in the name of our Lord in meeting the opportunity to help sick people who need the service of our Baptist Hospital.

Respectfully submitted,
J. B. Hewett

27. An address on Civic Righteousness was earnestly given by J. O. Walton.

28. P. T. Worrell spoke on behalf of the Baptist Home for the aged.

29. The Orphanage Report was not there, but W. C. Reed of Mills Home, Thomasville brought an apealing message from the Orphanage.

30. George E. Gibbs, Murfreesboro read his report on Christian Education and Professor Jasper Memory of Wake Forest spoke on this subject.

Christian Education Report

The North Carolina Baptist Convention promotes a program of Christian education which is almost incomparable in its two Senior and five Junior Colleges. These colleges have in attendance this year approximately 5000. The Convention in excess of which is raised for the removal of Wake Forest and approximatly $150,000.00 for Capital Outlay will distribute to these Colleges this year $400,000. This distribution is made upon a per student ratio. With the exception of Wingate and Chowan College. Wingate receives this year a flat sum of $20,000.00 and Chowan $10,000. The nine year program of the

Convention anticipates distribution to these colleges in the next nine years a total of $10,125,000 for Capital Outlay. It is anticipated that the increase each year in gifts and in the number of Baptists in the state will make this possible. These funds for Buildings etc. will be divided according to a percentage basis, Wake Forest 25%, Meredith 15%, Mars Hill 10%, Wingate 7%, Gardner Webb 8%, Campbell 8%, and Chowan 7%. Likewise for openation the Convention anticipates distributing $4,070,000 in this nine year period. This money for operation will be distributed according to a per student ratio.

No report on Christian Education would be complete in the West Chowan without a summary of Chowan, our own College. Chowan has an enrollment of 190 or in excess of thirty of the largest enrollment in the 104 years history. Its faculty is of the finest. The spirit on the Campus is good. The freshman class Numbers 150, and with an anticipated freshman class of from 200 to 250 next Sept., Chowan is at the cross roads. The increased student body and the expanded circulum create several musts in equipment before next September. Material are being gathered now for a Graphic Arts Building. It is imperative that the shop for Vocational insruction be ready and that some farm land be available. It is also absolutely necessary that at least the first unit of the boys dormitory be ready for occupancy.

Respectfully submitted,
G. E. Gibbs

31. F. O. Mixon made an appeal for support of the proposed new Graphic Arts building at Chowan College.

32. W. I. Johnson, host pastor, welcomed the Association and made announcements relative to lunch.

33. Stewart Simms sang, "Seal Us, O Holy Spirit" and R. T. Greene pronounced the Benediction and asked God's blessings on the food.

Afternoon

34. To begin the afternoon session, "Footstepts Of Jesus" was sung, and C. G. Maddrey led in prayer.

35. The Training Union Report was given by E. G. Blythe, Harrellsville, Associational Director.

Training Union Report

The Training Union work under the direction of our Associational Officers: R. G. Williams, Associate Director; Sarah Bowen, Secretary; Linda Tyler, Adult Leader; Marian Jenkins, Young People's Leader; Mrs. K. B. Scull, Jr., Intermediate Leader; E. H. Britt, Junior Leader; Mrs. William White, Nursery; Beginner and Primary Leader, Shirley Griffith; Pianist John

Fisher, Chorister; and L. J. Rainey, our Advisor, went forward with increased enthusiasm.

Four mass meetings were held during the year with a substantial increase in attendance. Each of these meetings was carefully planned in advance by the officers at their executive meetings, and a different type program was presented at each meeting with the view in mind of practical suggestions to the Unions.

We do not have the total membership we had a year ago, and while we have added four new training unions, the work as a whole has suffered a set-back. This is due, your officers feel, not to lack of enthusiasm or energy of Associational Leaders but members of the church at large.

Respectfully submitted,
E. G. Blythe, Director

36. William Futrell, Rich Square, Associational Sunday School Superintendent, presented the Sunday School Report.

Sunday School Report

It is again that we close our books of Chronicles to the old year and our work in the Sunday School becomes history and tomorrow we open our new books with a new sheet for the future year.

As we bid farewell to this history, let us review the past with a desire that the future will be more eventful.

We had a program planning meeting at St. John's last November for the officers and during the year we held four clinics at Murfreesboro, Rich Square, Seaboard, and Cashie. Study courses were taught during the week to more than five hundred, and an inspirational speech was given following the lesson taught each night.

During the year I have visited in twenty-seven of the Churches and I can say that I have had the opportunity to visit sometimes at some service during my five years as superintendent, all the Churhes in the Association with the exception of three which I trust I may visit this year. I find there has been more progress made in building and improvement than possibly before in almost fifty years. I wish to take this opportunity to congratulate the good people in this Assciation and I am sure Jesus can look upon that side with a smile. I would like for those Churches that have not attempted to improve their physical plant to catch an inspiration and go forward with their building programs.

I wish to take the opportunity to express my appreciation to Mrs. W. E. Vaughan of Margarettsville who has travelled, organized and helped in the Cradle Roll and Nursery Classes. She has given her time and talent to this work.

At Union Baptist Church we held our annual meeting. The theme of the day was "Building in His Name." We had a wonderful meeting which was well attended by most of Churches in the Association.

The following officers were nominated and elected by the body present and are to be approved here today by the Association.

Associational Supt.	W. M. Futrell, Rich Square
Associate Supt.	H. O. Edwards, St. John

37. The report of the American Bible Society was read and discussed by C. G. Maddrey, who interestingly postrayed the work of the Society in preparing, publishing and distributing the Bible in various sections of the world.

38. The Historian's Report was read by the Associational Historian A. P. Mustian.

Historian's Report

After thirty years as pastor in the West Chowan Baptist Association, your Historian asks the privilege of offering some observations of the Associatinal years 1951-1952.

Under the leadership of the Lord, our pastors and laymen seems to be discovering new avenues of approach to the field of service to which we have been called.

We observe Chowan College with its expanded curriculum and renewed emphasis upon Christian education as voiced by Dr. F. O. Mixon who places the stamp of Christainity upon mathematics, setting of type, agriculture and other like courses being offered as well as courses in Bible study, which has brought about an unpresedented enrollment of 190 students.

Again, the appointment of a Missionary pastor is already proving to be a great and much needed step toward carrying the gospel message to many of our people, as yet, not reach by our pastors.

Then we observe with my thanksgiving and great joy the vision that has dawned upon our people looking to forming more compact fields.

Riverside with a reported membership of 233 began a full time program in July of this year and called Rev. R. L. Trexler as pastor. This is the only full time country Church in our Association. Merry Hill has built a parsonage and formed a field and called Rev. Lamar Sentell as pastor. Galatia and Margarettsville has formed a field and Rev. Frank Robinson is their pastor. Repubican and Siloam has formed a field and Rev. J. A. Pittman is serving as pastor. The above forward steps indicate a most wholesome advance in Kingdom building from your Historian's point of view.

At present there are quite a few vacant pulpits in our Association, namely: Lewiston, Kelford, Horton's, Aulander, Oak Grove, Ross, Bethany, Menola, Ashley's Grove.

The following ministers have accepted work in our Association during the year: Rev. R. L. Trexler, Riverside; Rev. J. A. Pitman, Republican - Siloam; Rev. J. L. Colston, Winton, Buckhorn, Holly Springs; Rev. W. P. Milne, Ahoskie; Rev. Lamar Sentell, Merry Hill and Lawrence; Rev. Jason Ross, Woodyand.

One Church was organized during the year, Creech Memorial in the town of Ahoskie, with 17 charter Members and has begun a modern Church plant with the first unit well on the way to completion.

Edgewood Chapel has built and paid for the educational unit of their building with aid from some of her friends over the state. Mars Hill reports improvements on their building and parsonage at a cost of $384.32.

Siloam spent $540 on improvement on their building and grounds and bought a bus at a cost of $350.

Greens Cross built educational department and put down a deep well.

Capeharts built modern rest rooms and redecorated Sunday School rooms.

Rich Square has equipped modern kitchen, spent $1,000

on floors and placed carpet on balcony floor and purchased 100 chairs for the Sunday School.

Lasker has built and almost paid for $12,000 educational plant, with rest rooms and modern heating system.

St Johns has finished their Sunday School rooms and improved their auditorium.

Union has installed Hammond organ, amplifier and record player at a cost of $1500.

Margarettsville has built Sunday School rooms, kitchen and rest rooms.

Bethel has completed redecoration of the interior of their building.

Elam has purchased new organ, landscaped the grounds, organized a Brotherhood and departmentalized the Sunday School.

Seaboard paid indebtedness of $9,000 on Easter Sunday and dedicated their building June 22, 1952.

Center Grove built rest rooms.

Powellsville sanded floor.

Bethlehem painted interior of thier building.

Wakelon has under construction five class rooms.

Riverside has erected additional class rooms.

43. Frank Robinson brought in the report of the Resolutions Committee.

Report of The Resolutions Committee

To the Lieutenant Governor of North Carolina and the speaker of the House of Representatives of North Carolina.

Whereas it is believed by many that the Committee on Propositions and greivances of the Legislature of North Carolina in the past has been biased toward the legal sale of alcoholic beverages, and whereas this Committee has failed to report out a favorable bill calling for a state-wide refrendum on the sale of alcoholic beverages, which has caused many to feel that the dry forces were not equally represented on the Committee.

Therefore, the West Chowan Baptist Association meeting this day, October 29, 1952 in their annual session at Windsor, North Carolina do earnestly implore you to be fair in the appointment of this Committee so that the dry forces will be equally represented on the Committee.

(This resolution was prepared by Lonnie Sasser and F. O. Mixon, approved by the Resolutions Committee and passed unamiously by the Association).

Whereas the Association has enjoyed such good days because of the hospitality and generosity of the Conway and Cashie Baptist Churches in providing adequate and spacious room, delicious meals and other conveniences, and whereas the Messengers of all the Churches have enjoyed the splendid speakers and have heard excellent reports, now therefore be it resolved: That the Association in written form express thanks to the Conway and Cashie Churches for their reception, hospitality, generousity and friendship, and that those of us who are now present express our personal appreciation by a rising vote of thanks.

44. L. J. Rainey reported for the Credentials Committee.

Report of The Credentials Committee

I. ONE NEW CHURCH:

We recommend that the Creech Memorial Baptist Church be received into the fellowship of the West Chowan Association.

II CHURCHES REPORTING ON LIQUOR QUESTION:

1. We recommed that the Cashie Baptist Church be reinstated in the full fellowship of the West Chowan Association.

2. In the case of another Church, the Messengers reported that their Church was experiencing difficulty with two of its members and that they desired another year in which to solve their problem. We recommend that their request be granted and that we pray for them. Moreover, we recommend to them that their pastor and deacons invite the new Credentials Committee into a meeting with them for the purpose of seeking their help in solving this problem.

3. Your Committee has brought to them some new problems which they have not had the time to investigate. We shall turn them over to the new Credentials Committee to investigate and to make a report to the West Chowan Association next year.

4. Your Committee has seen the need of a uniform plan of church discipline which shall include all evils, and not just the sale of beer, wine, liquor, and which shall have as its purpose the reclaiming of all wrong ones. Moreover, such a plan must recognize the independence of the local church to deal with its own members. The Association and its Committees can and should advise with the local church and its members to help, but must never seek to force its ideals upon the local church.

We would recommend that the new Credentials Committee and the Executive Committee be charged with the duty of working out such a plan based on the New Testament and the Church Covenant, and that said plan be presented to the West Chowan Association next year.

NOTE—According to the report sent in the following churches gave more to Missions than to local church work: Bethlehem, Creeksville and Mars Hill.

NOTE—Our churches are reporting less in every line above than was reported last year with the exception of the last two lines; our gifts to Missions and our Per Capita Gifts to Missions. It is very gratifying to see that there is a large increase there.

NOTE—The Clerk appreciates the churches getting their letters in on time.

How the West Chowan Association Came To Be

1. The Kehukee Association was organized November 9, 1769, (according to Paschall). Sand Run (then called Bertie) was the only West Chowan church in the organization.

2. In 1806, the Kehukee was divided at the Roanoke River and north of the River in North Carolina became the Chowan Association. The following West Chowan churches were in the new organization: Ahoskie, Sandy Run, Bethlehem, Cashie, Meherrin, Boss (then called Ross' Meeting House), Colerain (then called Wiccacon).

3. In 1883 the Chowan Association divided at the Chowan River and the three counties between the Chowan and Roanoke Rivers became the West Chowan Association. Twenty-eight churches formed the Association.

The Kehukee was probably the fourth Baptist Association in America. The Philadelphia formed in 1707 was first; the Charleston (S. C.) in 1751; the Sandy Creek (around Sanford) in 1758; and the Kehukee in 1769.

CONSTITUTION

NAME

Article 1. This body shall be known as the North Carolina West Chowan Baptist Association.

MEMBERSHIP

Article 2. It shall be composed of messengers elected by the churches connected with this body and all ordained ministers who are members or pastors of said churches, together with the officers of this Association, and chairmen of all standing committees. Each church of one hundred members and under shall be entitled to two messengers, and for each additional one hundred members, an additional messenger; provided that no church shall have more than four messengers.

OBJECTS

Article 3. The object shall be to devise and recommend measures for increasing the harmony, the intelligence and spiritual power of the churches, and for developing and directing their energies, their resources and their gifts, in advancing the Redeemer's Kingdom on earth.

POWERS AND PREROGATIVES

Article 4. The Association shall have no power to infringe upon the sovereignty or rights of the churches. It is neither an ecclesiastical nor legislative council, nor court of appeal. It may advise the churches and recommend measures of usefulness for their adoption, but cannot bind them in any way. Yet, in view of the combined wisdom, piety and intelligence of the body, it may justify claims for itself, for its objects, and for its recommendations the very highest consideration and regard.

Article 5. The Association may dissolve connection with any church that becomes heterodox in doctrine, or disorderly in practice or that fails to represent itself, either by messenger or letter, more than two successive sessions, without sufficient reason, or that treats with contempt it objects and requirements, upon application of a church for dismission.

RIGHTS OF CHURCHES

Article 6. Each individual church shall hold and exercise all the functions of an independent church of Jesus Christ. As constituent members of this Association, the churches shall have the right to advise, when desired, in case of difficulty, and suggest plans of usefulness to be adopted. It shall be the undisputed privilege of any church to withdraw its membership from this Association whenever it shall so elect.

DUTIES OF CHURCHES

Article 7. It shall be the duty of the churches to appoint as messengers as far as practicable, their most capable members, to require their attendance, and to send by them a contribution to the Association fund to pay for printing the Minutes and other necessary expenses.

Article 8. It shall be the duty of each church to send an annual letter to the Association giving: (1) locality; (2) name of its pastor and clerk and their respective postoffices; (3) the Sabbaths of regular

service; (4) church statistics, including the number baptised, received by eltter, restored, dismissed, deceased, expelled and aggregate membership, male and female; (5) Sabbath school statistics; (6) amount contributed to benevolent objects and the Association fund; (7) names of messengers and alternates; (8) and other information of special importance.

ORGANIZATION

Article 9. The officers of this Association shall be a Moderator, Vice-Moderator, Clerk, Treasurer and Historian, who shall be elected at each annual session on the first day; the terms of all officers shall commence at the conclusion of the annual session at which they are elected and continue until the close of the next annual session of the Association. The Moderator and Vice-Moderator may not be elected for more than two consecutive years. All nominations may be made by the Committee on Nominations.

Article 10. In order to conserve time and not to interfere with the main work of the body, this Association will not consider any routine or miscellaneous business except at the close of discussion of each general topic.

DUTIES OF OFFICERS

Article 11. It shall be the duty of the Moderator to open the meetings punctually at time appointed; to enforce the rules; to enforce order, and to exercise all the prerogatives of a presiding officer according to the principles of parliamentary usage.

Article 12. It shall be the duty of the Vice-Moderator to discharge the duties of the Moderator in his absence.

Article 13. It shall be the duty of the Clerk to keep a faithful record of the proceedings of this body, and superintend the printing and distribution of same, and to keep on file the printed Minutes and other important documents belonging to the body. He may appoint an assistant when necessary. The Clerk shall receive for his service $150.00 out of the Minute Fund.

Article 14. It shall be the duty of the Treasurer to receive and disburse the money contributed to the Minute Fund, as directed by the body, and make an annual report of the same.

Article 15. It shall be the duty of the Historian, who shall be elected at each annual meeting of the body to prepare for publication in the Minutes an historical sketch of the church with which the Association meets, with obituaries, incidents and other facts of the year that shall be preserved, and make report to the next Association.

Article 16. On the morning of the first day as one of the first items of business, the Moderator shall appoint five as a Committee on Committees. It shall be the duty of this Committee to report before the morning session closes the following Committees: A Committee of one on Finance, A Committee of three on Place and Preacher, and a Committee of three on Resolutions; and to report during the two-day session the following Committees: A Committee of seven on Nominations to report next year, Officers of the Association and Representatives of the various agencies and institutions, a Committee of three on Order of Business for next year, a Committee of three as Associational Missions Committee, a Committee of five on Credentials, nominate three at large as Members of the executive committee, and report any other

committees that may be assigned by the Association.

Article 17. The Executive Committee of the Asociation shall be composed of eleven members, the five officers of the Association; Moderator, Vice-Moderator, Clerk, Treasurer and Historian; the heads of the three departments of work; President of the Woman's Missionary Union, Superintendent of the Sunday School Convention, President of the Baptist Training Union, and three members at large. It shall be the duty of this committee to transact whatever business may require attention between sessions of the Association.

AMENDMENTS

Article 18. This Constitution may be altered at any annual session of the body by a two-thirds vote of the members present.

RULES OF ORDER

1. Association shall convene annually at the time and place of its own adjournment.

2. During each annual session it shall meet and adjourn from day to day at the hours fixed by the body.

3. All meetings of the Association shall be opened and closed with religious exercises.

4. Majority of the members present shall be a quorum for the transaction of business.

5. No member shall absent himself temporarily without leave of the Moderator, nor finally without leave of the body.

6. No member shall speak more than twice on the same subject without permission of the body.

7. No member shall be allowed to talk, stand up, read or move about the house during business, except to gain or impart information under consideration.

8. No committee shall be in session during the hours of business without permission from the body.

9. All questions of order not herein provided shall be decided by Mell's Parliamentary Practice.

RESOLUTIONS

Resolved (1) That no church shall be entitled to representation in this body unless in perfect accord with the Constitution thereof, that fact to be ascertained by a committee of five on credentials, appointed at each session of the body immediately after organization.

Resolved (2) The report of this committee shall be the property of the Association just as any other report. (Adopted 1884).

Resolved (3) That henceforth this Association withdraw fellowship from any church that allows its members to engage in the manufacture and sale of intoxicating liquor as a beverage. (1885.)

Resolved (4) That it is the sense of this Association that selling intoxicating liquors through a dispensary is a violation of the spirit and letter of the resolutions of our Constitution. (1905).

Resolved (5) That we deem the sale of beer and wine or selling liquors in ABC stores a violation of the spirit and letter of Resolutions "3." (1944).

Report on The Denominational Literature

We all agree that the Bible is the most important of all of our religious literature—but how important are the various magazines, tracts, and booklets produced by Southern Baptists! Interesting and inspirational programs and articles for Sunday School and Training Union Work, W. M. U., Brotherhood and Home and Foreign Missions are included in this literature for our benefit, in order that we might better understand our Bible and lead a more Christian life. We should try to encourage the young people of our churches to subscribe to the new W. M. U. magazines which have been especially planned for them.

Here in North Carolina the Bibical Recorder, with a circulation of approximately 55,000, is by far our most popular magazine and each week we enjoy the almost personal contacts with friends throughout the State as we read with pride of the progress and acts of Christian service rendered by fellow Baptists.

We extend our grateful appreciation to each of the workers who contributes to the publication of our Recorder and other religious literature, for they, like the writers of old, are recording the Christian way of life of our times as an encouragement to all who would believe.

Respectfully submitted,
Mrs. Robert C. White

8. The Chowan College program was opened by remarks by Oscar Creech. The Trio of the College sang, "Oh Savior Hear Us." Following this Dr. F. O. Mixon, President, spoke on some of the highlights of the College.

10. The report on the American Bible Society was read by B. B. Mitchell. He stressed the need of presenting the word of

God to all the world, and urged our support to this great undertaking.

11. Warren F. Taylor made announcements relative to the R. A. Conclave at Mt. Tabor Church November 5th and W. D. Barbee, of the host church, made announcements concerning lunch.

12. The Seaboard Quartet brought a special message in song.

13. The Annual Sermon was preached by Frank Robinson, pastor of Galatia and Margarettsville Churches, who read and preached from Isaiah 54:2. He stressed some of the things which are necessary if we are to launch a real program of advance for the Lord. 17. Joseph McTeer, Mission Pastor of Creech Memorial and Edgewood Chapel Churches, brought an encouraging report on the progress of these two mission points.

18. Herbert Jenkins was called to the chair and Oscar Creech, Chairman of the Executive Committee, brought the following recommendations, which were adopted.

Meeting of The Executive Committee Of West Chowan Association—Oct. 4, 1953

AT CREECH MEMORIAL BAPTIST CHURCH

On Sunday afternoon of October 4, 1953, at Creech Memorial Baptist Church the Executive Committee of the West Chowan Association met with all members present but one and C. G. Maddrey, treasurer of the mission funds, and W. P. Milne, Baptist Hour Committee, also pastor of the two mission churches and representatives from these churches.

After fully discussing the work done in the two mission churches and whether or not to continue the work, it was decided to recommend to the Association the following:

1. To continue the mission program in the Association.

2. For the next year that the work be continued at Creech Memorial and Edgewood Chapel and that the Association give up to $100.00 per month on pastor's salary, house rent and retirement.

3. It is understood that the pastor of these two churches is not an associational missionary but the pastor of these two mission churches.

It is our hope that during the coming year a good surplus can be built up in the treasury so that one year from now the Association may deem it wise to employ a missionary to proceed with work at other points in the Association.

ANOTHER RECOMMENDATION

We recommed that the Assocation adopt a budget covering all phases of the work of the Association, except the W. M. U., and with one treasurer; that any money collected by any associational group, except the W. M. U., be turned over to the treasurer and that all funds are to be paid out by him.

We further recommend the following budget to cover all expenses of the Association, except the W. M. U.:

Clerk and Minutes	$ 700.00
Baptist Hour	624.00
Training Union	75.00
Sunday Schools	100.00
On Salary, House & Retirement of Mission Pastor	1200.00
Contingency	212.68
Debt	187.32

It is recommended that each church pay thirty-five (35) cents per resident member to meet this budget and provide a surplus for further mission work a year hence.

19. W. P. Milne, at the request of the Executive Committee, presented a Calendar of Activities for the next Associational Year. This appears elsewhere in the minutes.

20. Mrs. Carlton Cherry, Associational Superintendent, brought the report on the Woman's Missionary Union.

21. Mrs. Grady Bridgers read the Missions Report. Dr. E. L. Spivey of the Baptist State Convention spoke most inspiringly on the report.

Mission Report

The great objective of State Missions is to take North Carolina for Christ. The winning of people and the teaching and training of people is a must. Much has been done. Far more remains to be done! Eighteen activities are promoted to reach this objective. Here is a picture of some of these activities. Sunday School Department works for Better Trained Teachers; Training Union Department Discovers and Trains Leadership for Churches; Summer Assemblies; Teaching Activities; Evangelism; Missions Pastors; Work Among Indians and Silent People; Schools for Ministers; Interracial Activities; Allied Church League and Rural Work; Neglected Areas (Lots for New Churches); and Student Work Among 15,000 Baptist Students.

What a mighty program we could have if each Baptist would give to help take North Carolina for Christ.

Soul Winning is the chief aim of Home Missions. The achievement in this field is encouraging. In 1952 the reports show 30,565 conversions in the ministry of home missionaries. The 425 chaplains reported 11,284 professions of faith in the armed forces. There were 6.626 conversions reported in crusades led by the personnel of the Home Mission Board's evangelistic staff. The conversions as a result of the mission radio programs could not be estimated. The Department of Evangelism has made a success of the Transfer Church Membership Week. Royal Ambassadors in cooperation with the House Mission Board have started a tract distribution. The Baptist Student Union work among Negroes to serve all Negro colleges and seminaries has been enlarged. Definite plans were adopted by the Board in 1952 for the enlargement of Negro work in the selection of an evangelist to serve on the staff of the Department of Evangelism; the employment of a worker in the field of home counseling and juvenile deliquency; a church ministry to members of the armed forces; and employment of missionaries to the Russians in California and in the H. Bomb center in South Carolina.

WHAT IS A FOREIGN MISSIONARY?

In the words of the late Dr. M. Theron Rankin, the objective of our foreign missionaries is to "lead people to a personal faith in Christ Jesus as Lord and Saviour, to bring them together in churches for worship of God and service in his kingdom, to teach and train them in stewardship and in cooperation service, and to aid them in developing their own

schools and institutions for training their pastors and other church workers."

Working toward that objective, Southern Baptists have, as of June 1, 1953, 911 foreign missionaries distributed in 32 counties. These Missionaries are chosen from varying professions—ministerial, medical, educational, religious education, publication, social welfare, and others. To mantain this foreign missions work, Southern Baptists gave in 1952—through Co-operative Program, Lottie Moon Offering, and special designated gifts—$7,785,699.64.

About 29 per cent of the missionaries are ordained ministers; about 10 per cent are members of the medical profession and about 48 per cent are engaged in some form of educational work. In 1952 the churches baptized 18,154 new converts. Many people are reached through the Sunday Schools, Training Unions, and Woman's Missionary Union.

What is a foreign missionary? He is a Christian doctor, minister, teacher, editor, using his earthly profession for Jesus' sake in a country not his own. She is a Christian homemaker, school teacher, W. M. U. leader, social worker, nurse, transplanted in a foreign land to spread the seed of the Christian gospel. Foreign missionaries are living witnesses of Christ's love in lands where Christian witnesses are fewer than in their own.

Respectfully submitted,

Mrs. J. Grady Bridgers

22. A recommendation relative to the blind people was read by J. B. Dailey.

The Blind People of West Chowan Association

There are many blind people in the territory of the West Chowan that need Christ and need to be encouraged in many ways by our churches that they might make Him their Saviour and the Lord of their lives. We can and will do something about this challenge when we are informed as to what can be done to help our blind people.

I wish to make a motion that a committee of 3 or 4 be so designated to help the blind in our association.

1. This committee to encourage our churches to help the blind in their church membership and in the community.

2. That this committee make an annual report to the As-

What is a foreign missionary? He is a Christian doctor, minister, teacher, editor, using his earthly profession for Jesus' sake in a country not his own. She is a Christian homemaker, school teacher, W. M. U. leader, social worker, nurse, transplanted in a foreign land to spread the seed of the Christian gospel. Foreign missionaries are living witnesses of Christ's love in lands where Christian witnesses are fewer than in their own.

22. A recommendation relative to the blind people was read by J. B. Dailey.

The Blind People of West Chowan Association

There are many blind people in the territory of the West Chowan that need Christ and need to be encouraged in many ways by our churches that they might make Him their Saviour and the Lord of their lives. We can and will do something about this challenge when we are informed as to what can be done to help our blind people.

I wish to make a motion that a committee of 3 or 4 be so designated to help the blind in our association.

1. This committee to encourage our churches to help the blind in their church membership and in the community.

2. That this committee make an annual report to the As-

sociation.

3. That the committee have a member from each of the counties in the territory, Bertie, Hertford, Northampton.

4. That this committee will not incur any expense to the Missions budget.

Respectfully submitted,

Dr. W. R. Parker

Reed and wife of the Orphanage, Bro. Brooks of the Sunday School Board, Rev. and Mrs. R. B. Stephenson of Franklin, Va., Rev. W. H. Hollowell and Roy Young, former pastors.

26. The Training Union report was given by the Associational Director, E. G. Blythe.

Baptist Training Union Report

The Baptist Training Unions of our Association have made progress within the past year. We have a total of 30 participating churches at this time. Our goal for the coming year is 5 churches with new training Unions in them. During the past year, we had a total of 1479 enrolled in Training Unions, 149 given study course awards, with 17 churches requesting awards. It is your Associational officers' hope that we have 2000 enrolled with at least 1000 requesting study course awards and at least 35 churches participating in study courses in the year 1954.

Our Associational Training Union held regular quarterly

mass meetings and executive meetings with a satisfactory attendance at all. There were two new training unions organized within the past year. Our Association had representatives in each of the tournaments at both the Associational meeting and the Regional convention, with participants in the Junior Memory Work, the Intermediate Sword Drill, and the Hymn Festival at the State Tournament. There were five churches represented at our state assemblies. Our Adult Scripture Reading participant was a state winner.

For the coming year, our Associational Training Union has selected the following to be our officers: E. G. Blythe, Director; R. G. Williams, Associate Director; Yvonne Mitchell, Secretary; Ellen Williams, Pianist; W. P. Milne, Pastor Advisor; Robert Glenn Mulder, Chorister; Mrs. Eslie Phillips, Adult Leader; Miss Marion Jenkins, Young People's leader; Mrs. Willie Bowen, Intermediate leader; Euclid Britt, Junior leader. These officers are to be elected by this Association.

Our Associational officers have set the goals for our training unions this year; it is their hope that the churches will use the Associational officers in setting up and organizing training unions. Only with the help of the churches in our Association can this be a successful year for our Training Union.

Respectfully submitted,

E. G. Blythe, Director

27. In the report on Civic Righteousness, H. G. Thompson presented Dr. Beggerstaff of the Allied Church League who spoke forcefully on the subject.

28. Since J. M. Hayes, Superintendent of the Baptist Home for the aged had not arrived, C. W. Bazemore was given time to bring his message on Denominational Literature.

29. Time was also given for J. B. Dailey to present representatives of the Blind, Mrs. Gertrude R. Anderson, Social Work Supervisor and Miss Lila Creech, Case Worker for the Blind.

30. The Chowan Glee Club sang, "Praise Ye The Lord." The male voice group sang, "Faith of Our Fathers."

31. Dr. Raleigh Parker presented the report on the Baptist Hospital. Chaplain Arnold Smith of the Hospital spoke on the report.

The Baptist Hospital — Winston Salem

The North Carolina Baptist Hospital was incorporated in 1922 and received its first patient on May 28, 1923. The present site of eleven acres is located in the Ardmore section of Winston Salem.

Originally built as an eighty bed institution, the hospital was enlarged in 1942 to a capacity of two hundred and fifty beds and fifty bassinets. A nurses' home, out-patient building, new west wing, children's wing and laundry have been added to the original plant. The new south wing is now under construction and part of it will be ready for patients this fall. This will increase the capacity of the hospital to 450 beds, including bassinets.

Along with the Baptist Hospital, we have the Bowman Gray School of Medicine, the School of Nursing, the School of X-ray Technology, the School of Laboratory Technology, the School of Nurse Anesthetists, the School of Medical Librarians, Premature Nursery, Private Diagnostic Clinic, Out-patient clinic.

You might be interested in knowing that an average of 100 babies are born each month at the hospital; 14 operations are performed each day. Last year 5,252 operations were performed; 44,656 diagnostic X-rays were made; 2,177 X-ray therapy treatments were given; 8,290 visits to the Emergency room; 654,569 meals were served. The Bookmobile makes 312 trips per year and circulates 3,600 books and 12,000 magazines.

The Pharmacy fills 185 prescriptions and floor orders each day. It takes 80 pounds of bacon and 90 dozen eggs and 130 loaves of bread each day at the hospital. The daily food service costs about $900.00. It takes 17,000 pounds of coal each day. It takes 460 employees to keep the work of the hospital going each day. So—from a bird's eye view, we can readily see and realize the necessity and importance of our cooperation and financial assistance to such a worthy cause.

Our hospital program is really in its infancy and plans should be in the making whereby hospital facilities would be available within a day's ride of each and every home for the purpose of visiting and being with the afflicted loved one.

"If Thou wilt, Thou cans't make me clean" was the leper's plea that touched the heart of Jesus. A like plea from the sick multitudes who need help has touched the hearts of the North Carolina Baptist. One of the most important parts of our program at our Hospital is the spiritual ministry it provides. This

is necessary if the full needs of a sick person are to be met. Our hospital has trained Chaplains who render an effective ministry for the sick.

More than ten thousand patients were cared for in our hospital last year, while thousands of others were seen in our clinics. Almost half of these were service patients unable to pay the full cost of the care they received. From all over North Carolina, there is a constant stream of afflicted people coming seeking help. The hospital provided skilled specialists for them in various fields of medical care. The demand is so great that it is never safe to go without an appointment, although emergencies can and will be taken care of if the family physician makes direct contact with the hospital.

Three floors of the new wing are nearing completion. This will provide urgently needed space and facilities.

If any church in the association has not contributed its part toward the building of the new wing, we hope that they will do so at once.

"If Thou wilt, Thou canst make me clean." Jesus replied "I will."

Let us all answer with a generous "I will" in our next Hospital Day program.

32. The Orphanage Report was given by Finley Johnson, and W. C. Reed spoke on the subject.

North Carolina Baptist Orphanage

Our Orphanage is moving forward in its ministry of child care. During the past year it served a total of 728 children. In addition to this the Social Service Department helped to adjust 214 children with relatives. Our program includes Mills Home, Kennedy Home, Mothers Aid, and Boarding Homes. The Baptists of North Carolina probably provide more services for children than any other similar group in the nation.

The Homes are developing spiritually. During the year a total of eighty accepted Christ as Savior.

The greatest building and renovating program in the history of the Orphanage is still in progress. A new cottage, a new Print Shop, and a new Infirmary were completed in 1952. The I. G. Greer Recreational Building was finished in 1953, and a beautiful new Church will be completed this year. This great building program was made possible by the late Robert

M. Idol.

Charity and Children is 66 years old and has a circulation of nearly 45,000.

The income for the year was good, even better than the preceding year. Through North Carolina Baptists God has lifted the burdens from many of our fine boys and girls.

Respectfully submitted,

Finley Johnson

33. The Historian's report was read by the Associational Historian, A. P. Mustian.

Historian's Report

With a like Spirit of him who in the long-ago lifted his voice to God and cried from the depth of his soul "The Lord hath done great things for us whereof we are glad."

As men and women yield themselves wholely, unreservedly, completely to the divine will of God and at his hand be made fit vessels for service in the Kingdom program are we able to say, "I can do all things through Christ who strengtheneth me."

Out of the goodness of God material prosperity is ours to share in a great way as he continues to bless the labor of our hands with an abundant harvest.

How much money have we made? How did we make it? What have we done with it? We are happy to know that much of it has been put into the treasury of the Lord as is revealed in the various reports made to the present session of our Association.

We take courage under the leadership of Jesus Christ, believing that greater achievements in the future streching out before us, may be ours.

The following ministers have accepted work in our Association during the associational year. Wayne E. Scott, is pastor at Seaboard, Elam, Bethel; E. R. Phillips, is pastor of Aulander; E. G. Willis is pastor of Ross, Bethany; Joseph McTeer is pastor Creech Memorial and Edgewood Chapel; E. R. Johns is pastor of Ashley's Grove and Menola.

At present the following churches are without a pastor: Harrellsville, Christian Harbor, Greens Cross and Republican.

Lewiston and Severn have gone to full time.

Galatia and Margaretsville have formed a field with Rev. Frank Roberson pastor. Galatia has three quarter time, Margaretsville has two services each month, one night and one morning. The Galatia Church has erected an out door bulletin board, redecorated the building, remodeled the baptistery, installed two attic fans. The Woman's Missionary Society presented to the church a new communion table.

The Margaretsville Church has completed the educational building with the exception of some kitchen equipment. Merry Hill has finished paying for their parsonage.

The Buckhorn Church has repaired its heating system and painted interior of the building.

Holly Springs reports much repair on building and added light fixtures.

The Winton Church has purchased chairs for two class rooms, put celotex ceiling, put in light fixtures, sanded some class room floors, and arranged two rest rooms.

The Jackson Church has erected a 22 room educational plant and brick veneered the old building.

Hebron has remodeled their plant, added three class rooms and installed new heating system.

Creech Memorial has plans well on the way in completing the first unit of their building.

The Meherrin Church has completed a most beautiful and modern plant which was begun in March 1951. The auditorium has a seating capacity of 500. Located in the basement are 17 class rooms, a kitchen and dining hall.

Mars Hill and Center Grove Churches have built barbecue pits with ample shelter where out of doors meals may be prepared and served.

The Union Church has built four additional class rooms, two rest rooms, a beautiful baptistery and erected an outdoors bulletin board.

Wakelon has sufficient funds on hand to complete five additional class rooms.

Kelford and Pleasant Grove have formed a field and being served by a student pastor from Chowan College.

Sandy Run has bought and paid for a parsonage located

at Roxobel.

Elm Grove has under construction a modern parsonage looking to a full time program in 1954.

Afternoon

35. This session opened with the singing of a hymn, and prayer by Herbert Jenkins.

36. William Futrell, Associational Superintendent, read the report on Sunday Schools and D. P. Brooks spoke on the aim of, "A Million More In '54."

Report of Associational Sunday Schools Superintendent

The Association year for our Sunday School closed September 30, and on October 1, 1953 we have begun a new year.

Before we bid farewell to the past, which is now history, let us renew some of the events of the year that has just closed.

During the year I have visited twenty of our Churches and I feel the Sunday School work is far above the average in our State and Southland. Of the entire sixty Churches each has a very active Sunday School and a very few exceptions each has made improvement not only in their Sunday School but in their physical plants.

I do not have the exact figures since all the reports are not in at the present time but I am sure we have gained in membership almost two thousand members during the year. This I am sure all of us can be grateful for the work of the officers, teachers, and members.

There were five Sunday School clinics held during the year at the following places, simultaneously during the second week in February: Roberts Chapel, Lasker, Cashie, Mars Hill, and Aulander. During the week over five hundred attended the courses of study and many awards were presented to those

present.

The annual meeting was held with Greens Cross Baptist Church. The attendance was very good with most of the Churches represented. The theme of the day was "One Million More in '54."

The following officers were nominated and elected by the body present and are to be approved by the Association here today:

Superintendent	W. M. Futrell
Assistant Superintendent	H. O. Edwards
Superintendent of Training	Rev. Frank Robertson
Superintendent of Evangelism	Rev. H. B. Thompson
Secretary and Treasurer	Worley Minton
Chorister	Mrs. T. H. Williams
Organist	Mrs. T. H. Williams

GROUP SUPERINTENDENTS

Bertie	W. G. Slade
Hertford	Gordon Maddrey
Northampton	J. Craig Revelle

DEPARTMENT SUPERINTENDENTS

Cradle Roll and Nursery	Mrs. W. E. Vaughan
Beginners	Mrs. C. S. Forbes
Primary	Miss Irma Evans
Junior	Mrs. T. N. Cooper
Intermediates	Mrs. Edith Freeman
Young People	Miss Luther Bazemore
Adult	Mrs. L. J. Godwin
Vacation Bible Schools	Mrs. John Fisher

On September 29, 1953 we had an officers and teacher meeting with Meherrin Church to make plans for the new year. The meeting was well attended and the following speakers presented the new program for the new year: Rev. Oscar Creech, Rev. Joseph McTeer, Mrs. W. E. Vanghan, and State Secretary, L. L. Morgan.

Now let us close the books of the old year behind, that is now history, and take a look in the future. Since the slogan for the new year is "One Million More in '54" throughout the Southland.

In order to reach this goal everyone must begin today. We want to set our goal four thousand new members during

the year.

In order to reach this goal we must have more activities that will interest the young people; we must dedicate our time and talents to God's service.

Let us remember the words of the poet:

"Let us then be up in doing,
With a heart for any fate.
Still achieving, still pursuing,
Learn to labor and to wait."

Respectfully submitted,

William M. Futrell

37. The report on Christian Education was presented by Raynor Woodard, and Dr. Allen Easley of Wake Forest College spoke on the subject.

THIS REPORT COVERS THREE PHASES OF CHRISTIAN EDUCATION

1. *The Southern Baptist Convention*—Southern Baptists now have five Theological Seminaries located in Kentucky, Texas, California, Louisiana and North Carolina. In addition, the Convention helps in the operation of a Seminary in Tennessee for negroes. Also, there is The Carver School of Social Work and Missions in Kentucky. In these seven schools last year there were 4,727 students. Of these 3,192 were preachers preparing for the Ministry.
   In addition to these Seminaries, Southern Baptists have fifty-two Junior and Senior Colleges, and ten Academies and Bible schools. In these Southern Baptist Schools there is a total enrollment of 52,660.

2. *North Carolina*—North Carolina has seven colleges; two Senior: Wake Forest and Meredith and five Junior Colleges: Mars Hill, Gardner-Webb, Campbell, Wingate and Chowan. The enrollment in these colleges now exceeds 5,000.

   The Wake Forest removal program, a thing which many people thought could not be done, is succeeding with dispatch under the inspired leadership of Dr. Harold W. Tribble. There apparently was never a brighter day for the Baptist program of Christian Education in North Carolina. This report would not be complete without mention of the

Council on Christian Education, under the talented leadership of Mr. Claude Gaddy, the Executive Secretary. This Council has unified in a fine way the total program of Christian Education in the family of seven Baptist colleges in North Carolina.

3. *West Chowan Association*—The West Chowan Association is proud to have one of these Baptist Colleges located in its midst. Chowan College, this 105 year old institution in a very vital sense is our college and deserves our very best support, while at the same time we are not to forget our total program of Christian Education. Let us not forget that in the evolution of our colleges the territories adjacent to them have largely furnished the funds for their buildings, and have come to their aid in a remarkable way in their operational problems.

   We are genuinely proud of the progress our college, Chowan, is making and we pledge ourselves again to a renewed effort to build a greater college in our midst, with an enrollment at present of 269 and with the probability in the next year, or few years, of an enrollment of 500, and with the enlistment of an outstanding administration and faculty, we must gird ourselves for advancement.

   Respectfully submitted,

   Raynor Woodard

38. J. M. Hayes, Superintendent of the Home for the Aged, was given time to report on the Home. He told of the progress which had been made and urged our continued support.

Report of the Resolutions Committee

Whereas the Messengers of all the churches of the West Chowan Association have had the glorious privilege of fellowship, spiritual inspiration and challenges for greater service:

Be it resolved:

That the Association, in written form, express its appreciation to Seaboard Church and Chowan College for their wonderful hospitality and bountiful meals.

That the Association commend the program committee for a well planned program.

That those of us who are now present express our personal appreciation by a rising vote of thanks.

43. A report on the Baptist Radio Hour Fund was presented by W. P. Milne, Treasurer.

44. J. B. Dailey read a report on the Pine Forest Baptist Church.

Findings—Pine Forest Baptist Church

The Pine Forest Baptist Church was organized by the West Chowan Association in 1882 through the efforts of Rev. Joshua Fleetwood. The Association obtained the land, the deed is so recorded in the Register of Deeds office of Northampton, and helped to build the church and paid part of the salary of the pastor "as long as anyone can remember." The church has as it seems fulfilled its mission. It was closed about 10 years ago, due to the few members, and they have all but a few gone to the Gaston Baptist Church which is 1¾ miles away. The other members have gone to the Skippers Baptist Church, in Virginia. The Lebannon Methodist Church is located about ¾ of a mile and is carrying on. The shift of population has also been a force that has caused the church to cease function.

The church building is in fair shape, and the grounds has some timber that is salable. Your Moderator, Oscar Creech, and J. B. Dailey made a visit to the community and contacted some of the former members, so as to ascertain the conditions there. He appointed a committee and they have also rechecked the community and the physical plant and grounds and wish to make the following recommendations.

1. That the pews and furniture and piano at Gaston be reserved for the Association to dispose of as they see fit.
2. That the property be sold at Public Auction, with the right to reject any unworthy bid, and dispose of the property as to the best advantage of the Association.
3. That twenty-five percent (25%) of the net sales, go to Gaston Baptist Church and the remainder go into the Missions funds of the West Chowan Association, the source of the original money.

How the West Chowan Association Came To Be

1. The Kehukee Association was organized November 9, 1769, (according to Paschall). Sand Run (then called Bertie) was the only West Chowan church in the organization.

2. In 1806, the Kehukee was divided at the Roanoke River and north of the River in North Carolina became the Chowan Association. The following West Chowan churches were in the new organization: Ahoskie, Sandy Run, Bethlehem, Cashie, Meherrin, Boss (then called Ross' Meeting House), Colerain (then called Wiccacon).

3. In 1883 the Chowan Association divided at the Chowan River and the three counties between the Chowan and Roanoke Rivers became the West Chowan Association. Twenty-eight churches formed the Association.

The Kehukee was probably the fourth Baptist Association in America. The Philadelphia formed in 1707 was first; the Charleston (S. C.) in 1751, the Sandy Creek (around Sanford) in 1758; and the Kehukee in 1769.

CONSTITUTION

NAME

Article 1. This body shall be known as the North Carolina West Chowan Baptist Association.

MEMBERSHIP

Article 2. It shall be composed of messengers elected by the churches connected with this body and all ordained ministers who are members or pastors of said churches, together with the officers of this Association, and chairmen of all standing committees. Each church of one hundred members and under shall be entitled to two messengers, and for each additional one hundred members, an additional messenger; provided that no church shall have more than four messengers.

OBJECTS

Article 3. The object shall be to devise and recommend measures for increasing the harmony, the intelligence and spiritual power of the churches, and for developing and directing their energies, their resources and their gifts, in advancing the Redeemer's Kingdom on earth.

POWERS AND PREROGATIVES

Article 4. The Association shall have no power to infringe upon the sovereignty or rights of the churches. It is neither an ecclesiastical nor legislative council, nor court of appeal. It may advise the churches and recommend measures of usefulness for their adoption, but cannot bind them in any way. Yet, in view of the combined wisdom, piety and intelligence of the body, it may justify claims for itself, for its objects, and for its recommendations the very highest consideration and regard.

Article 5. The Association may dissolve connection with any church that becomes heterodox in doctrine, or disorderly in practice or that fails to represent itself, either by messenger or letter, more than two successive sessions, without sufficient reason, or that treats with contempt it objects and requirements, upon application of a church for dismission.

RIGHTS OF CHURCHES

Article 6. Each individual church shall hold and exercise all the functions of an independent church of Jesus Christ. As constituent members of this Association, the churches shall have the right to advise, when desired, in case of difficulty, and suggest plans of usefulness to be adopted. It shall be the undisputed privilege of any church to withdraw its membership from this Association whenever it shall so elect.

DUTIES OF CHURCHES

Article 7. It shall be the duty of the churches to appoint as messengers as far as practicable, their most capable members, to require their attendance, and to send by them a contribution to the Association fund to pay for printing the Minutes and other necessary expenses.

Article 8. It shall be the duty of each church to send an annual letter to the Association giving: (1) locality; (2) name of its pastor and clerk and their respective postoffices; (3) the Sabbaths of regular

service; (4) church statistics, including the number baptised, received by eltter, restored, dismissed, deceased, expelled and aggregate membership, male and female; (5) Sabbath school statistics; (6) amount contributed to benevolent objects and the Association fund; (7) names of messengers and alternates; (8) and other information of special importance.

ORGANIZATION

Article 9. The officers of this Association shall be a Moderator, Vice-Moderator, Clerk, Treasurer and Historian, who shall be elected at each annual session on the first day; the terms of all officers shall commence at the conclusion of the annual session at which they are elected and continue until the close of the next annual session of the Association. The Moderator and Vice-Moderator may not be elected for more than two consecutive years. All nominations may be made by the Committee on Nominations.

Article 10. In order to conserve time and not to interfere with the main work of the body, this Association will not consider any routine or miscellaneous business except at the close of discussion of each general topic.

DUTIES OF OFFICERS

6. Associational Missions Report - 1953 - 1954 was given by Eslie R. Phillips, as follows:

Associational Missions Report

A. Mr. Moderator, fellow messengers, bretheren in Christ, with joy and pride, your Chairman brings this report from the Missions Committee and the Executive Committees.

B. The report will be given under three headings: An explanation of the work, A survey of the results, and the proposal of the Committees.

I. AN EXPLANATION OF THE WORK: (Reading of Letter)

A. Status of the Missions *Pastor,* Joseph McTeer.

B. $1200 is given by Association to help pay his salary, churches and Home Mission Board pay the rest until churches can carry their own financial program.

C. An Associational Missionary would cost the Association in excess of $5000.

II. A SURVEY OF THE RESULTS: (From McTeer and Church Letters)—Churches are growing

A. Creech Memorial:

1. Receipts—$9363.66, last year $8419.39
2. New Building—$6260.00
3. Missions—$390.00
4. Additions—30
5. S. S.—En. 106, Av. Att. 59, 40 last year
6. T. U.—En. 64

B. Edgewood Chapel:

1. Receipts—$5000
2. On Building—$2080, to be paid $2000
3. Missions—$687
4. Additions—12
5. S. S.—En. 149, Av. Att. 82, last year 73
6. T. T.—En. 57

III. THE PROPOSAL OF THE COMMITTEE:

A. Continue our support of these churches another Associational year.

B. Objections—We're going to have to do our best to clear up these in view of our knowledge.

1. Churches can support themselves:

a. Home Mission board supports.

b. These are our projects, so we must care for our own young.

2. McTeer's place in the Association—He's not a Missionary but a Missions' Pastor.

3. McTeer's salary is bigger than mine:

a. Creech Memorial pays ..... $ 55
Edgewood pays 80
State Missions pays 115
Association pays 50
$300

b. He travels about 18,000 miles a year—amounts to better than $100 per month.

4. That church is building a bigger building than we have:

1. They need it.

2. By the same argument we would stop supportting anything bigger than we—Dept. Stores, Government, Coop. Program, State and Foreign Missions.

Respectfully submitted,

Eslie R. Phillips

After some discussion the report was adopted.

7. Vice-Moderator, P. T. Worrell, was called to the chair and Herbert Jenkins brought the following recommendations which were adopted.

THE FOLLOWING ACTION WAS TAKEN BY THE ASSOCIATIONAL EXECUTIVE COMMITTEE IN ITS MEETING AT AULANDER, ON OCTOBER 5, 1954

After a thorough discussion of the work of the association and particularly of the Missionary Pastor, it was decided to recommend:

1. That we continue the present mission program of the association at Creech Memorial and Edgewood Chapel and that the association pay $100.00 a month on pastor's salary and house rent.
2. That the association discontinue the support of the Missionary Pastor at the end of this associational year.
3. That the association continue a budget covering all phases of the work of the association except the W. M. U., and with one treasurer, that all money collected by any associational group except the W. M. U. be turned over to the treasurer and all funds be paid out by him.

We further recommend the following budget to cover all expenses of the association except the W. M. U.

Clerk and Minutes	$ 750.00
Baptist Hour	624.00
Training Union	75.00
Sunday School	100.00
Mission Program	1200.00
Contingency	251.00
Total	$3000.00

It is further recommended that each church continue to pay $.35 per member to meet this budget and provide for further mission work in the future.

8. William Futrell read the report of G. E. Gibbs on Chowan College. Dr. F. O. Mixon spoke on the report after he had presented Marvin Piccard, head of the music department at the college, who in turn presented a soloist who sang, "O, Saviour, Hear Me," accompanied by antoher Chowan student. Oscar Creech distributed a folder "Thirty questions and answers on seven Baptist Colleges in North Carolina" and he also displayed a chart of a plaque to be made with names of persons who had or who will give $1000.00 to Chowan College.

9. W. R. Wynn gave a most helpful report on Minister's Retirement and Federal Social Security for Ministers. He explained fully the plan and recommended that each pastor be a member of both plans. He stated that further information may be had by writing to M. A. Huggins, 119 Hillsboro Street, Raleigh.

10. A committee has been appointed to look into the matter of a fitting Grave stone for the Grave of Lemuel Burkett, a Pioneer leader of other days. The committee wishes to recommend:

1. That a suitable Grave stone be placed at the head of the grave of Rev. Lemuel Burkett.
2. The cost not to exceed $350.00.
3. That a love offering be taken at the association to meet this need.
4. That Rev. W. Richard Wynne be made treasurer of this fund.
5. That this committee or some committee be appointed to see this project completed.
   W. Richard Wynne, W. P. Milne, Oscar Creech, J. B. Dailey.

This was passed. Offering taken for this marker on the two days amounted to $170.46.

11. Warren Taylor announced the Annual R. A. Conclave to be held at Connaritsa Baptist Church on November 11, beginning at 4:00 P. M.

12. "Christ Receiveth Sinful Men," was sung.

13. Wayne Scott, pastor of the Seaboard Baptist Church used as the text for the annual sermon Romans 6:19-23. His subject was "A Sinful World, Unconscious of Its Sin." He urged his hearers to "Be ye seperate from the world" and said, "Sin is unrealized partly because it is undenounced from the pulpit, in the home or on the street." He said 50% of our church members do not go to church because they are sick—sin sick and asked "What are we doing about it?" In pronouncing the benediction Mr. Scott asked God's blessing upon the lunch to be served.

AFTERNOON

14. After a bountiful lunch of old fashioned barbecue, L. S. Mizelle, song leader, led in singing "Marching to Zion" and

Harvey Coppedge led the afternoon prayer.

15. Dr. Douglas Branch, Rocky Mount, President of Baptist State Convention brought a most enlightening message on "Baptist Practices."

17. The Missions Report was given by Mrs. W. P. Milne of Ahoskie who spoke inspiringly of the Mission program and asked Dr. Douglas Bronch to add to the remarks.

Mission Report

Southern Baptists have as their objective the evangelization of the whole world, the proclaiming of salvation in Jesus' name to the uttermost parts of the earth. For this task we must have motive, money, and men. We know that these are produced as the fruit of denominational life, but there must be evangelization and mobilization of the forces at home in order for these to be developed.

We speak often of our Advance Program of Missions. According to the October, 1954 *Commission,* we have increased our average total per capita gift from $2.35 for the years 1948 to 1953 for mission causes to a total per capita gift of $2.88 in the year 1953. Yet, whereas we have increased our total gifts, the amount we have given to direct mission causes has remained the same for this entire period. The *Commission* asks, Is This Advance?

It is the purpose of state missions to take North Carolina for Christ. Our Secretary for Evangelism, Mr. E. L. Spivey, tells us that about half the people of our state are Christian in name, and we remember that one out of every two people in our state who are members of any church are Baptists. There are nearly 800,000 Baptists in North Carolina. There are 2,800,000 unsaved or lost people in our midst. Think of what a mighty impact upon our state we could make if we mobilize our men and our money, and have a compelling motive of evangelization within our state. It is with a thrill that we realize that we have an agency to direct us toward this end.

Through our state program of missions we now have 22 phases of work. The common task of all of these is to hasten the spread of the Gospel in North Carolina and through North Carolina to the ends of the earth.

Our Home Mission Board also calls for advance in almost every single area of its work—in Cuba, in Alaska, in work with the foreigners, the language speaking people, the migrants, and so on. We now have over 900 missionaries working in hundreds of mission fields. The physical assets of our Home Mission Board are over $3,000,000. We have cause to be proud that, according to the latest report of our Southern Baptist Convention, we have given $45.822,830 to all mission causes; there were 361,835 baptisms, and 29,496 churches with a membership of 7,886,016 members. Yet, lest we become complacent and self-satisfied with our efforts, let us remember that it takes 8,500 of us to send one missionary to a foreign field, a missionary who receives a salary of about $1200 per year. Southern Baptists are next to the bottom of the list of the protestant denominations in support of missions. This gives us no reason for pride but for shame, that there are so many of us to do so little!

Many events influencing our Foreign Mission work have taken place recently. We mention only a few of the most outstanding.

We read constantly of Christians being persecuted around the world. In many places evangelicals have been barred from using the newspapers and radio, and from preaching. Churches have been destroyed by bombing and by fire. Yet Baptist work has continued to grow in these places in spite of these handicaps. There is a steady growth in baptisms, in conversions, in church membership. The church still grows on the blood of martyrs.

A heavy toll was taken last year of missionary leadership through the deaths of Dr. M. Theron Rankin, Executive Secretary of the Foreign Mission Board since 1945, and Dr. Everett Gill, Jr., Secretary for Latin America.

Losses have been suffered but we can say that victories are assured, as we hear reports of how Christ is born daily in the hearts of believers around the world. Territories have expanded. New names of far away places appear in our Foreign Mission Board report. Among these recently are Gaza, Bahama Islands, Canary Islands. More patients are treated in our hospitals, more people are accepting Christ, more churches are being organized and being built. Advance continues.

We must suppose that our task is done. If Christ's message

is to be given, our churches must work together. If we work together, there must be denominational organization and support of these by all. Let us cooperate to work through these agencies as we walk and work, pray and push forward, and labor together with God.

Respectfully submitted,

Mrs. W. P. Milne

18. Because the treasurer, G. B. Story, could not be present on Wednesday, he gave his report at this time.

19. Officers for 1954-55 were elected as given on page 5. Rev. Warren F. Taylor made the report for the Nominating Committee.

20. The Tuesday afternoon session was closed with prayer.

Second Day

COLERAIN BAPTIST CHURCH

21. The Wednesday's session was called to order by Moderator, Herbert Jenkins and L. S. Mizelle led in singing "The Church's One Foundation." C. W. Duling brought a message from God's word and led in prayer.

22. Messengers were enrolled for the second day.

23. The report on Denominational Literature was given by G. T. Underwood and D. L. L. Carpenter of Raleigh spoke on the report.

Report on Denominational Literature

The printed page is the chief medium for increasing one's knowledge. One's ideas are largely formed by what he reads. As never before we are flooded with literature, the good and the bad. People are reading more than ever before; and reading both kinds. There is much religious literature in the forms of tracts, magazines and books; but the Bible is the most important of all.

If we want to keep abreast with the times, we must read in order to be informed. We should encourage our people to read and study the right kind of literature in order that they may understand and teach the Bible more effectively.

The christian who is informed will be an inspired christian,

an interested worker, and the one on whom God can depend to do His will.

Our denomination publishes literature to meet the spiritual and educational needs of all the Church programs. If we wish to grow in usefulness we must emphasize the importance of Christian literature.

The two periodicals that mean most to the promotion of Foreign and Home Missions are "The Commission" and "Southern Baptist Home Missions." Both have a wide circulation and many readers, keeping ever before us our greta Mission Program.

Our State Baptist paper, "The Biblical Recorder" furnishes us denomination news and sound religious literature reports. It ought to be in every North Carolina home.

By having and reading denominational literature will help to meet the needs of our churches and denomination in informing, training, and enlisting our membership in the whole program of the Church and the Kingdmo of God.

Respectfully submitted,

G. T. Underwood

24. E. G. Blythe, Associational Director of the Baptist Training Union, brought the report of that department.

Baptist Training Union Report

The Baptist Training Unions of our Association have made progress within the past year. The goals which were set for this past year were exceeded with the exception of one, which now gives us 2254 members enrolled in Training Union. We now having 35 Training Unions in our Association with 23 of them requesting awards in study courses.

Our Associational Training Union held regular quarterly meetings, and this year Officers'-Leaders' Council meetings were started which have proved most beneficial to all participating Training Unions. We are hoping that more churches will avail themselves of this opportunity in the future.

One of the high-lights of our Training Union year is the tournaments which are held: the Junior Memory Work drill, the Intermediate Sword drill, the Young People's Better Speakers tournament, the Adult Scripture Reading tournament, and the Hymn Festival. We had participants in each of these with the exception of the Adult Scripture Reading tournament, and

we hope that next year even more churches will be represented in this important phase of our work.

In conjunction with our Sunday Schools, the Training Unions are attempting to keep in touch with its members in military service through the Military service membership plan which helps keep our members as an integral part of our church membership.

For the coming year, our Associational Training Union has selected the following as our officers:

E. G. Blythe, Director ..... Harrellsville
Mrs. Henry Harrison, Associate Director ..... Windsor, Rt. 2
Yvonne Mitchell, Secretary ..... Merry Hill
Ellen Williams, Pianist ..... Merry Hill
Rev. W. P. Milne, Pastor Advisor ..... Ahoskie

25. The report on Civic Righteousness was given by P. H. White. L. L. Carpenter read a letter of greeting from W. P. Biggerstaff of the Allied Church League, in which he expressed concern over existing conditions in North Carolina. Dr Carpenter also spoke briefly on the report.

Report on Civic Righteousness

The country in which we live is often referred to as "Christian America." We are proud of the fact that now for the first time in our nation's history, more than half the people belong to some church or religious group. We live in a land of churches, many and great, where millions of people go to church every Sunday, and where millions of dollars are freely given year after year to religious and charitable causes. "In God We Trust" is stamped on our coins, and every single citizen is free to worship as he pleases. No people in the world respond more freely to the cry of human need at home and abroad. We have given milions of dollars in money, more millions in food and clothing to the war ravaged peoples of Europe and Asia. We

are proud to live in Christian America: but must honestly and penitently confess that America is not Christian enough.

While America leads the world in religious enterprises, it also seems to lead the world in its divorce rate, in its great army of juvenile delinquents, and in its increasing number of alcoholics. Homicides, suicides, and sex crimes are items of news in the press day after day. Our army of criminals is large, and on the march. Our total crime bill is staggeringly large. The forces of evil are never weary, always ready to work overtime, and always on the job. They never take a vacation!

The gambling interests are never weary in evil doing, and for greed's sake they prey upon man's current and prevailing desire to get something for nothing. Simmons Fentress reports in last Sunday's News and Observer that the dog track gambling interests that had their business stopped in Currituck and Carteret Counties by court action, are beginning " A vigorous lobbying campaign directed toward the Representatives and Senators who will come to the General Assembly in January. Its goal, he says, "is a Statewide act, patterned after the ABC law, that would give every county and city the right to vote upon dog racing and legalized betting."

It was only through vigorous and sustained action of Christian people that these gambling places were closed by supreme court action declaring that the legislative act allowing them to be set up was unconstitutional. The forces of evil, defeated in battle, do not give up the war. Christians must be alert. Unless there is "eternal vigilance" on the part of the forces of righteousness the dog tracks will be back again, and this time by some local option law that will be constitutional.

Another great evil that takes such a tragic toll of life is the liquor traffic, legal and illegal. In the great majority of crimes coming to the attention of our courts, liquor plays a prominent part. Alcoholic rehabilitation centers are crowded. Homes are wrecked, children are orphaned, lives are wrecked beyond repair, poverty comes to many because of liquor. And yet North Carolina is in the liquor business. Liquor is attractively advertised in the leading and so-called "best" magazines and news papers. Beer advertising (not hard liquor as yet!) comes into our homes Via television, and both liquor and beer drinking are pictured as both pleasant and accepted forms of conduct. Cock tail parties are not held by, and attended by, just the unchurched people of our community.

Our Christian witness must be more vigorous. Our religion must be carried into the market place. The salt must not lose its savor, and the light must not be hid under a bushel. A

Christian is a citizen of the Kingdom of Heaven; he is also a citizen on the earth, and he must be interested enough in problems of earth to be concerned about what is going on in his country—from the least precinct to the national scene—and should lend his voice, his influence and his vote to get good men in office and stand by them and support them when they are in, and encourage others to do so. Above all, in his own personal life and witness, he must be a judgment on the paganism of our time, and set such an example of good living that his witness will be attractive and win others.

Respectively submitted,

P. H. White

26. Superintendent J. M. Hayes, of the Baptist Home for the aging, spoke very encouragingly of the work at the two homes. He told of two gifts to the home, one for $50,000 and one for $20,000 and of plans for additional buildings.

27. W. C. Reed, Superintendent of the Baptist Orphanage was present and told of the work there and of the many applicants who had to be turned down for lack of room. He recounted several success stories of young people who had received their training at our orphanage.

28. In recognizing Rev. Grover Everett for his report on Evangelism the moderator also recognized Mrs. Everett, a bride of only two weeks. In his report Mr. Everett stressed the importance of the approaching 1955 revival and plead that everyone co-operate whole heartedly in the revival and in closing asked J. C. Ray to lead the Association in prayer for the success of the approaching campaign for souls.

29. The Baptist Hospital report was read by J. F. Colston and was spoken on by W. K. McGee.

Report On The Hospital

We believe that the Lord would have us take care of the sick. We are, therefore, trying to do His will by supporting our Hospital. Our Baptist Hospital is caring for more people this year than at any other time in its history. This is possible because of the use of the New South Wing, about half of which is now complete and in use. This new building provides many new and enlarged facilities which add a great deal to the service provided for our people. About 14,000 bed patients will receive treatment in the hospital this year, while many other thousands will be seen in the clinics.

The enlargement of the hospital has made possible the en-

larging of our school of nursing. Our hospital offers a superior type of training and its graduates rating wherever they go. They especially want high grade students of fine Christian character from our Baptist homes. A new class enters each September. Prospective students should make application early in the year since there are far more applications than can be accepted. The Baptist Hospital trains doctors, nurses, technicians and pastors. Everything is secondary to and must be in the interest of the patient.

The Federal and State Goverments have assisted in building hospitals in counties and areas where there have been no hospitals. The majority of the patients who go to our Medical Center are sent by their own local doctors in order that the patient may have the benefit of such facilities and specialists.

Our Hospital provides this type of service for persons who cannot pay for it, as well as for those who can pay in full. This is where our churches share in this ministry of healing. There are multitudes in our State who cannot receive the care they need unless somebody else helps pay for it. Our Hospital has no money except what the patients pay and what we give. Unless we give generously on Mother's Day some will seek in vain for help at our Hospital. Let this not be true because you and I have failed.

Respectfully submitted,

J. F. Colston

30. A. P. Mustian closed the morning session with prayer and returned thanks to God for the lunch soon to be served.

AFTERNOON

31. "To The Work" was sung to open the afternoon session and J. M. Long led the association in prayer.

32. Mrs. W. D. White read the report on Christian Education and presented Dr. S. L. Stealey, President of the Southeastern Baptist Seminary at Wake Forest, who spoke on the report.

Report on Christian Education

In a day when the lot of denominational colleges and seminaries in general is becoming more and more difficult compared to that of state supported schools, there is reason to be thankful that Southern Baptist educational institutions are going forward in enrollment and in support in their academic grow-

th and in their relation to the denomination and to each other.

The education commission of the Southern Baptist Convention reported an increase the past year of six per cent in total enrollment of regular students in our denominational institutions. The greatest increase was in the seminaries, fourteen per cent, and this was during a period when enrollments in seminaries throughout the U. S. decreased by 10.8%.

The total number of students in Baptist schools of the Southern convention, including the ministerial students, was 55,500 last year. Nearly 5,000 of these were enrolled in the sev 55,500 last year. Nearly 5,000 of these were enrolled in the seven Baptist colleges of North Carolina. Of these 433 were in training for the ministry and 236 were classified as mission volunteers.

It is of interest to compare the support of our Baptist Colleges with the amount made available by the State for each student in the Greater University. The State spends $544 for operation and $500 for capital needs for each student, making a total of $1054 per student in contrast to our $136.85 per student. Yet our Baptist colleges, without question, turn out as good doctors, lawyers, statesmen and business men as the State institutions in spite of such handicaps, and in addition, furnish our ministers and trained church leaders. Our schools deserve better support financially.

North Carolina Baptists are grateful for the superb leadership in our colleges and for the program they are making in their expansion and building program, but they should not be expected to make brick without straw. Their progress is far from rapid enough to prepare for the demand which will come in the next decade due to the increased birth rate of recent years. More support through an increase of Co-operative Program funds is urgently needed if our schools are to meet the challenges of the future and continue to hold their own. Nearly all of our colleges need buildings badly and Wake Forest must hasten the completion of its new home at Winston Salem.

North Carolina Baptists take pride in having one of our six seminaries in the South located in our state, Southeastern, at Wake Forest. West Chowan Baptists also take pride in having one of our seven Baptist colleges in the state located in our midst, Chowan at Murfreesboro. It's rapid growth has been made possible by its excellent leadership and the generosity of many of devoted friends who have caught a vision of the service they can render this and future generations by helping to build a great school in this area. It will be a new day for the college, for our Baptist youth, and for our churches when every

Baptist in this association becomes a booster and financial supporter of Chowan College.

Respectfully submitted,

Mrs. W. D. White

33. The Associational Sunday School Superintendent, William Futrell, gave the Sunday School Report as follows:

Sunday School Superintendent's Report

Before we turn over a new leaf and begin a new year, in our Sunday School work, let us make a survey of the year that has passed.

This has indeed been a good year for our Sunday Schools not only in the West Chowan, and State, but throughout the Southland.

The slogan for the year has been "One Million More in '54. There has been more talk, more interest, and more enthusiasm shown during the year than any year in several decades. Our attendance has been very good, and we have shown a gain in membership in most of the sixty churches. Several churches show a gain of 10% to 33 1/3%.

For the gain I would like to pause and thank God for His blessings. I would like to take this opportunity to thank our fine pastors, Christian laymen, and everyone that has contributed toward the success of the year.

In January Bro. Jarvis Teague held a reorganization and clinic at Meherrin Church for his Sunday School.

During the second and third weeks of February there were five clinics held simultaneously at the following churches: Aulander, Winton, Robert's Chapel, Green's Cross and Potecasi. Most of these clinics were well attended and great interest was shown.

The climax of the greatest event of the year was our Association Sunday School meeting, that was held with Severn Baptist Church on Friday, May 21, 1954. The theme of the day was "Every Home a Christian Home." This meeting was very well attended by members from most of the churches.

The following officers were nominated and elected by the body present; subject to the approval of the Association here today:

Superintendent	W. M. Futrell, Rich Square
Assistant Superintendent	H. O. Edwards, Ahoskie
Superintendent of Training	E. R. Phillips, Aulander
Secretary and Treasurer	W. Spurgeon Clark, Seaboard
Chorister	Rev. J. F. Colston, Winton
Organist	Mrs. E. B. Lassiter, Potecasi

GROUP SUPERINTENDENTS

Bertie	J. M. Chamblee, Aulander
Hertford	Glenn Askew
Northampton	Russell Johnson, Conway

DEPARTMENT SUPERINTENDENTS

Cradle Roll and Nursery	Mrs. W. E. Vaughan, Margarettsville
Beginners	Mrs. C. S. Forbes, Ahoskie
Primary	Miss Irma Evans
Juniors	Mrs. Robert Johns, Conway
Intermediates	Mrs. Edith Freeman, Ahoskie
Young People	Miss Leatha Bazemore, Aulander
Adults	Mrs. J. F. Colston, Winton
Vacation Bible School	Mrs. Grady Bridgers, Jackson

The vacation Bible School has been held in most all of the churches. At the present time 42 churches have reported very fine work. We hope the other 18 did hold a Bible School some time during the summer.

Again, I wish to thank all those who have contributed their time and talents to the Sunday School work.

During the new year that has already begun let us reach forward. "Lengthen thy cords, and strengthen thy strokes."

Respectfully submitted,

William Futrell

34. Oscar Creech brought to the attention of the association the fact that a change in the policy of the association made it unnecessary to have the Finance Committee and moved that such a committee be done away with and the constitution so changed. This was passed and, so hereafter "a committee of one on Finance" will be omitted from Article 16 of the constitution.

2. Be it resolved that the speaker on Evangelism on the Associational program be given at least twenty minutes.

3. That we express our gratitude that the para-mutual betting and gambling dog-racing tracks at Moyock and Morehead City have been closed by court action, declaring that legislation permitting their establishment and operation is unconstitutional—

And that we admonish our people to be alert and watchful lest this evil return under some local option law, for which, we are told the gambling interests have already begun lobbying—

And that we notify our representatives of our stand in this matter, urging them to stand with us.

4. Be it further resolved that the Association express through this committee on resolutions its appreciation and pleasure to the Colerain Church for inviting us to come and providing for us when we arrived, in such a Christian manner.

MAY 21, 1954

The annual meeting of the Sunday School Convention of the West Chowan Association was held with Severn Baptist Church on May 21, 1954 at 10:15 A. M.

The meeting was called to order by Brother William Futrell, Associational Superintendent. Since our last meeting Brother T. H. Williams and Mrs. Williams, our chorister, have moved from the Association. Brother J. F. Colston was appointed chorister, and Mrs. E. B. Lassiter was appointed organist. The meeting was opened by a song "To The Work." Brother C. W. Kreamer, of Rich Square led the devotional, *"The Mistakes of Hezekiah."* After the devotional he led us in preyer.

In the absence of Brother J. C. Ray, Mrs. Julian Porter gave a very warm welcome to the delegates, which was responded by Brother H. T. Green, of Horton's Baptist Church.

The theme of the day was "Every Home a Christian Home" and consisted of the following programs: "The Ideal Christian Home," discussed by Reverend H. G. Thompson of Mars Hill Baptist Church; Mrs. Jesse Colston of Winton gave a very fine demonstration of "What the Cradle Roll and Nursery Department Should Mean to Our Home;" Mrs. Robert Johns of Ashley's Grove gave a talk on "What the Extension Department Should Mean to Our Home."

Business was then in order. Eight new pastors were recognized and welcomed into our Association.

A nominating committee, consisting of the following: H. W. Greene, of Hortons, Joe Parker of Lasker, and W. M. Edwards of Menola.

A time and place committee was appointed consisting of the following: Brother P. H. White of Cashie, Brother Russell Johnson of Conway, and Brother Lonnie Sasser of Murfreesboro.

The roll was called and forty one of the sixty churches were represented. There were one hundred and ninety one

present by count.

Brother J. C. Ray, pastor of Severn, made an announcement about the dinner.

The climax of the meeting was reached when the annual sermon was preached by Brother Jarvis Teague of Meherrin. He used for his subject "Faith in the Home." He closed his sermon by returning thanks for the dinner.

We were then served a delicious lunch by the host Church.

The afternoon service was opened by song, "Jesus Calls Us" and prayer was led by Brother Warren Taylor of Murfreesboro. In the absence of Mrs. Grady Bridgers, Reverend J. B. Dailey gave a very timely talk on "Vacation Bible Schools."

Dr. F. O. Mixon, president of Chowan College, spoke on the subject of "Christian Education." He also told us many fine things about Chowan College.

The report of the time and place committee was as follows: Time—April 29, 1955, at Cashie Church. Brother Robert Johns is to preach the annual sermon with Reverend C. W. Kreamer as alternate. The report was approved by the body present.

How the West Chowan Association Came To Be

1. The Kehukee Association was organized November 9, 1769, (according to Paschall). Sand Run (then called Bertie) was the only West Chowan church in the organization.

2. In 1806, the Kehukee was divided at the Roanoke River and north of the River in North Carolina became the Chowan Association. The following West Chowan churches were in the new organization: Ahoskie, Sandy Run, Bethlehem, Cashie, Meherrin, Boss (then called Ross' Meeting House), Colerain (then called Wiccacon).

3. In 1883 the Chowan Association divided at the Chowan River and the three counties between the Chowan and Roanoke Rivers became the West Chowan Association. Twenty-eight churches formed the Association.

The Kehukee was probably the fourth Baptist Association in America. The Philadelphia formed in 1707 was first; the Charleston (S. C.) in 1751; the Sandy Creek (around Sanford) in 1758; and the Kehukee in 1769.

CONSTITUTION

NAME

Article 1. This body shall be known as the North Carolina West Chowan Baptist Association.

MEMBERSHIP

Article 2. It shall be composed of messengers elected by the churches connected with this body and all ordained ministers who are members or pastors of said churches, together with the officers of this Association, and chairmen of all standing committees. Each church of one hundred members and under shall be entitled to two messengers, and for each additional one hundred members, an additional messenger; provided that no church shall have more than four messengers.

OBJECTS

Article 3. The object shall be to devise and recommend measures for increasing the harmony, the intelligence and spiritual power of the churches, and for developing and directing their energies, their resources and their gifts, in advancing the Redeemer's Kingdom on earth.

POWERS AND PREROGATIVES

Article 4. The Association shall have no power to infringe upon the sovereignty or rights of the churches. It is neither an ecclesiastical nor legislative council, nor court of appeal. It may advise the churches and recommend measures of usefulness for their adoption, but cannot bind them in any way. Yet, in view of the combined wisdom, piety and intelligence of the body, it may justify claims for itself, for its objects, and for its recommendations the very highest consideration and regard.

Article 5. The Association may dissolve connection with any church that becomes heterodox in doctrine, or disorderly in practice or that fails to represent itself, either by messenger or letter, more than two successive sessions, without sufficient reason, or that treats with contempt it objects and requirements, upon application of a church for dismission.

RIGHTS OF CHURCHES

Article 6. Each individual church shall hold and exercise all the functions of an independent church of Jesus Christ. As constituent members of this Association, the churches shall have the right to advise, when desired, in case of difficulty, and suggest plans of usefulness to be adopted. It shall be the undisputed privilege of any church to withdraw its membership from this Association whenever it shall so elect.

DUTIES OF CHURCHES

Article 7. It shall be the duty of the churches to appoint as messengers as far as practicable, their most capable members, to require their attendance, and to send by them a contribution to the Association fund to pay for printing the Minutes and other necessary expenses.

Article 8. It shall be the duty of each church to send an annual letter to the Association giving: (1) locality; (2) name of its pastor and clerk and their respective postoffices; (3) the Sabbaths of regular

service; (4) church statistics, including the number baptised, received by eltter, restored, dismissed, deceased, expelled and aggregate membership, male and female; (5) Sabbath school statistics; (6) amount contributed to benevolent objects and the Association fund; (7) names of messengers and alternates; (8) and other information of special importance.

ORGANIZATION

Article 9. The officers of this Association shall be a Moderator, Vice-Moderator, Clerk, Treasurer and Historian, who shall be elected at each annual session on the first day; the terms of all officers shall commence at the conclusion of the annual session at which they are elected and continue until the close of the next annual session of the Association. The Moderator and Vice-Moderator may not be elected for more than two consecutive years. All nominations may be made by the Committee on Nominations.

Article 10. In order to conserve time and not to interfere with the main work of the body, this Association will not consider any routine or miscellaneous business except at the close of discussion of each general topic.

DUTIES OF OFFICERS

Article 11. It shall be the duty of the Moderator to open the meetings punctually at time appointed; to enforce the rules; to enforce order, and to exercise all the prerogatives of a presiding officer according to the principles of parliamentary usage.

Article 12. It shall be the duty of the Vice-Moderator to discharge the duties of the Moderator in his absence.

Article 13. It shall be the duty of the Clerk to keep a faithful record of the proceedings of this body, and superintend the printing and distribution of same, and to keep on file the printed Minutes and other important documents belonging to the body. He may appoint an assistant when necessary. The Clerk shall receive for his service $150.00 out of the Minute Fund.

Article 14. It shall be the duty of the Treasurer to receive and disburse the money contributed to the Minute Fund, as directed by the body, and make an annual report of the same.

Article 15. It shall be the duty of the Historian, who shall be elected at each annual meeting of the body to prepare for publication in the Minutes an historical sketch of the church with which the Association meets, with obituaries, incidents and other facts of the year that shall be preserved, and make report to the next Association.

Article 16. On the morning of the first day as one of the first items of business, the Moderator shall appoint five as a Committee on Committees. It shall be the duty of this Committee to report before the morning session closes the following Committees: A Committee of one on Finance, A Committee of three on Place and Preacher, and a Committee of three on Resolutions; and to report during the two-day session the following Committees: A Committee of seven on Nominations to report next year, Officers of the Association and Representatives of the various agencies and institutions, a Committee of three on Order of Business for next year, a Committee of three as Associational Missions Committee, a Committee of five on Credentials, nominate three at large as Members of the executive committee, and report any other

committees that may be assigned by the Association.

ARTICLE 17. The Executive Committee of the Association shall be composed of seventeen members, the five officers of the Association: Moderator, Vice Moderator, Clerk, Treasurer, and Historian; the heads of the three departments of work; President of the Woman's Missionary Union, Superintendent of the Sunday School Convention, President of the Training Union, and three members at large from each county, Bertie, Hertford, and Northampton. These are to be elected on a rotating basis. All nine will be elected at the Association in 1956 for one, two, and three year terms. At each Association thereafter one will retire and one will be elected from each county. It shall be the duty of this committee to transact whatever business may require attention for the Association between sessions.

AMENDMENTS

Article 18. This Constitution may be altered at any annual session of the body by a two-thirds vote of the members present.

RULES OF ORDER

1. Association shall convene annually at the time and place of its own adjournment.

2. During each annual session it shall meet and adjourn from day to day at the hours fixed by the body.

3. All meetings of the Association shall be opened and closed with religious exercises.

4. Majority of the members present shall be a quorum for the transaction of business.

5. No member shall absent himself temporarily without leave of the Moderator, nor finally without leave of the body.

6. No member shall speak more than twice on the same subject without permission of the body.

7. No member shall be allowed to talk, stand up, read or move about the house during business, except to gain or impart information under consideration.

8. No committee shall be in session during the hours of business without permission from the body.

9. All questions of order not herein provided shall be decided by Mell's Parliamentary Practice.

RESOLUTIONS

Resolved (1) That no church shall be entitled to representation in this body unless in perfect accord with the Constitution thereof, that fact to be ascertained by a committee of five on credentials, appointed at each session of the body immediately after organization.

Resolved (2) The report of this committee shall be the property of the Association just as any other report. (Adopted 1884).

Resolved (3) That henceforth this Association withdraw fellowship from any church that allows its members to engage in the manufacture and sale of intoxicating liquor as a beverage. (1885.)

Resolved (4) That it is the sense of this Association that selling intoxicating liquors through a dispensary is a violation of the spirit and letter of the resolutions of our Constitution. (1905).

Resolved (5) That we deem the sale of beer and wine or selling liquors in ABC stores a violation of the spirit and letter of Resolutions "3." (1944).

FIRST DAY—RICH SQUARE BAPTIST CHURCH

MORNING

1. The seventy-third annual session of the West Chowan Baptist Association was called to order by the Moderator, Herbert Jenkins. L. S. Mizelle, Song Leader, led in the singing of, "All Hail the Power."

2. The devotional exercise was led by Eugene Johns.

3. The Clerk, P. T. Worrell had charge of the enrollment of Messengers and presented the Order of Business.

4. The Moderator appointed the Committee on Committees: J. B. Dailey, W. P. Milne, Warren Taylor, R. W. Hollowell, Gordon Maddrey. The new pastors and a number of visitors were recognized.

5. The Digest of Church Letters was presented by the Clerk.

6. Paul Burke read the report on Denominational Literature. L. L. Carpenter spoke on this report.

Report On Denominational Literature

One of the greatest problems facing us today is spiritual illiteracy. It is both amazing and appalling. But this state of spiritual ignorance need not be. We must continually urge our people to read and to study God's Word every day. As we make

the Bible an important part of our daily life, we will want to know how the teachings of that Book can be used to bless us, our family, our church, our community, our state, our nation, and the world. Our Baptist literature will tell us how.

HOME LIFE, "a Christian Family Magazine," should be read in every Baptist home. THE BIBLICAL RECORDER, our State Baptist journal should be in every home to inspire, to inform, and to instruct every member to *know* more, to *be* more, and to *do* more for the glory of God. CHARITY AND CHILDREN will tell us about our orphans and their care. HOME MISSIONS and THE COMMISSION will reveal who our missionaries are and what they are doing in home and foreign fields, and will acquaint us with their needs.

THE SUNDAY SCHOOL BUILDER, the teachers' magazines, the pupils' quarterlies and papers, and the Training Course for Sunday School wokers, if wisely used, will revolutionize the life and work of our Sunday Schools.

THE BAPTIST TRAINING UNION MAGAZINE, the pupils' quarterlies, the leaders' magazines and helps, together with the Training Course for Baptist Training Union workers, properly used, will bring new life and progress to our Training Unions.

ROYAL SERVICE for the women, THE BROTHERHOOD JOURNAL for the men, AMBASSADOR LIFE for the boys, TELL for the girls, and THE WINDOW OF YWA for the young women will help earnest church members to know more and do more for the spreading of the Gospel of Christ "in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost part of the earth."

Our Baptist literature is the very best obtainable. Let us *read* it and *use* it for the glory of God and for the good of man!

Respectfully submitted,
Paul F. Burke

Sunday School Superintendent's Report

In making a survey of the good work done in our Sunday School Association for 1954 - 55, it is with pride and thanksgiving to God that we mention a few of the outstanding events.

I wish to take this opportunity to thank our fine pastors, teachers, and superintendents for their splendid co-operation and good work during the year.

Our state and southern leaders tell us that the gains of 1954 were greater than any year in the history of the Sunday

School. We shall strive for even greater gains for a new year.

During the year there were four clinics taught simultaneously at Jackson, Meherrin, Cashie and Harrellsville. During the week classes were taught to more than 300 people.

A vacation Bible School clinic was held in Ahoskie with more than 100 people attending.

Forty-eight churches were reported having held vacation Bible Schools during the summer with more than 4,000 attending.

The annual meeting was held with Cashie Baptist Church in Windsor, April 29, 1955. The theme of the day was "Revitalizing Our Sunday Schools After the Simultaneous Revival."

Very fine discussions on the Cradle Roll and Nursery Department, Intermediate Department, and Extension Department were made by Mrs. W. E. Vaughan, Rev. Joseph McTeer, and Rev. J. M. Long. A report on the "Simultaneous Revivals" was given by Rev. Grover Everett. Rev. C. W. Kreamer preached the annual sermon. He closed the morning session with prayer and returned thanks to God for the lunch to be served.

In the afternoon program Mrs. Grady Bridgers discussed the Vacation Bible Schools. The program was brought to a close by Rev. R. A. Cadle who discussed Christian education. The following officers were nominated subject to the approval of the Association here today:

Associate Superintendent	H. O. Edwards
Superintendent of Training	Rev. W. E. Carter

On September 20, at Kelford, the 1956 Sunday School officers and teachers meeting was held. The new plans for the new year were ably discussed by Mrs. W. E. Vaughan, Mr. Oscar Whitescarver, and Mr. J. I. Griffin.

The Sunday School work in the Association seems to be growing day by day, and may God's richest blessings be with every church in the Association.

May I again take this opportunity to thank each pastor, teacher and Sunday School worker for all you have done to make this a banner year.

Respectfully submitted,
W. M. Futrell

9. A very informative report and message on the American Bible Society was presented by Grover Everett.

11. After announcements by C. W. Kreamer, host pastor, relative to lunch, and the singing of a hymn, W. P. Milne preached the annual associational sermon. He read II Corinthians 8:1-10 and his theme was, "God's Level of Giving and Living." This was a message which all present heard with profit.

AFTERNOON

12. After a delicious lunch served by the Rich Square Church, the afternoon session got under way by singing and a prayer by Oscar Creech.

13. Superintendent, J. M. Hayes brought a well-received message on "Our Homes for The Aged."

14. The report on Evangelism was presented and a fine message on the subject was brought by Robert Johns, pastor of the Ashley's Grove Church.

Report on Evangelism For the Year 1954-55

Baptisms 480; Other Additions 308; Total Gain 788.

This figure does not represent a net gain because some of the gains listed under "other additions" came as a result of transfer of church membership from one church to another within the association, and some of our members living outside the association moved their membership to churches in the communities in which they are now living. It is encouraging, however, to note that such a large number of our people have been led to transfer their membership. This fact certainly speaks well of the type of evangelism which is being done throughout our association.

One church reported having three revival meetings during the church year. Thirty-five churches reported two revival meetings held during the year. Twenty-one churches reported having one revival meeting during the year and two churches reported no revival meetings during the past church year. (One church did not report.)

There were five churches in the association that had no

additions by baptism during the year. There was no report from one church.

Respectfully submitted,
Robert Johns

15. The Baptist Hospital report was prepared and read by C. W. Duling and discussed by Dean Bergin, Chaplain at the Baptist Hospital.

Report of North Carolina Baptist Hospital

Our Baptist Hospital fills an important place in the life and work of North Carolina Baptists. It will probably serve 50,000 patients this year, touching every area of our State.

In addition to this great host of sick people, our hospital provides an educational program for more than 450 young people who are in training to become nurses, doctors, technicians, pastors and other Christian workers.

The Deparment of Pastoral Care provides Christian counseling and guidance for the patients, students, hospital staff and personnel, as well as hundreds of others who come to the hospital from over the State for this purpose alone.

It is not easy to estimate the value of these and other services rendered by our hospital to multiplied thousands of people of all ages in the fields of health, education, and spiritual guidance.

The cost of carrying on this program for such a multitude of people is tremendous—more than two million dollars a year. One-half million dollars of this is spent in helping to care for sick people who are not able to pay for the service they need. We are grateful to God for the privilege of sharing in such a work, and we want to thank the Churches of our Association for their part in it.

The opportunities for Christian service and witness through our hospital are truly great. We need to give it a much more generous support through our Mother's Day offerings and the Cooperative Program.

Respectfully submitted,
Charles W. Duling

Second Day

WOODLAND BAPTIST CHURCH

19. For the second day's meeting we gathered together in the Woodland Baptist Church. The devotional was led by Jack Hill.

20. After the enrollment of other Messengers by the Clerk, W. D. Barbee presented and discussed in his usual forceful way a report on Christian Education.

Report On Christian Education

Christian Education in Southern Baptist Territory has reached a new high. In enrollent, funds collected and appropriated, and genuine interest shown, there is today more concern by the Baptist people for Christian Education than ever before in the long 110 years of this Convention history. The average member of the Baptist Church today is no longer ignorant of what is going on and planned for in Christian Education. He is fastly becoming acquainted with it, and with this added knowledge, he is more willing to contribute to its advancement and development.

In this Southern Territory, North Carolina Baptists are having a big part in this program. In addition to the Seminary recently organized on Wake Forest Campus, known as Southeastern Seminary, we have seven colleges, including Wake Forest College at Winston Salem, Meredith, Mars Hill Campbell, Gardner Webb, Wingate and Chowan Colleges, with an enrollment of about 6000 students and spending annually more than $900,000.00 of Cooperative Funds, and further, with the success of our nine year program, these colleges will require increased amounts for the very important job of training and placement of our own boys and girls. What a picture! What a job! What a challenge!

We must focus our attention upon the tremendous army of Teen-age boys and girls graduating from Southern Baptist

Territory Schools, giving them all the information and direction possible about the great program of Christian Education in our Schools, Colleges and Seminaries. These young men and young women too, have a challenge to meet in preparing themselves for the tasks ahead. Above all, they must be taught more fully the concepts of life dedication and stewardship of God-given abilities in their selection of, and preparation for, life's work. State and Convention-wide growth of cooperative study and effort among Southern Baptits Schools is very encouraging. The High School graduates must know the particulars and details of our plans.

With highest enrollment in our educational institutions since their organization, greatest increase in financial support for these Institutions, the growing cooperative effort among these Institutions and their supporters, and realizing capital needs must be included in all our plans, we shall pray for, expect, plan, and look forward to the greatest achievement of all time in the on-going of our Institutions.

Yes, we must meet the challenge, and we will—we will have much to humbly thank God for and go on and plan for the next 100 years of effort. What will that century disclose?

Respectfully submitted,
Walter D. Barbee

21. Oscar Creech was recognized and read a report on the progress of Chowan College.

Chowan College, July 1951—October 26, 1955

A BRIEF REPORT OF THE PROGRESS OF CHOWAN COLLEGE SINCE DR. F. O. MIXON CAME TO BE PRESIDENT

Dr. Archibald McDowell of South Carolina, first president of Chowan College, laid a good foundation at the beginning of the first century of the institution; another South Carolinan, Dr. F. O. Mixon, came to our College at the beginning of another century and has already laid a wonderful foundation for future growth during this second century.

In order for you to best understand the progress that has been made during the past four years that Dr. Mixon has been president, I give a comparison in a number of items *showing what the College is today* with *what it was four years ago.*

1. FACULTY—13 members then and 20 now; salary increase of 25%.
2. STUDENT BODY—Opened in September of '51 with 87 students and have now 237 college students, with com-

plete enrollment of 292.

3. At present 4 states and Cuba are represented on our campus, 43 counties in North Carolina and 13 in Virginia are represented. Hertford County leads with 33; Northampton is second with 26; 38 are from Virginia.

3. FINANCES—Budget for '51 and '52 was $87,000; for this year '55—'56 it is $209,000.

4. CAMPUS ENLARGED—In 1952 the campus was enlarged by the purchase of 54 acres of land. This gives a total of 105 acres now owned by the College, or certainly we have the land to enlarge the campus when necessary.

5. BUILDINGS—
   (1) The Graphic Arts Building was erected in 1953 and was ready for use in September, at a cost of $10,000.
   (2) Vocational Building was erected in the fall of '53 at a cost of $4,000.
   (3) The Boys' Dormitory to house 100, was constructed in the spring and summer of 1954 and was ready for occupancy in September, cost $80,000.
   (4) Gymnasium was built in the summer and fall of 1954. Mr. Edwin P. Brown assumed the leadership to raise the funds for it. The College added eight class rooms, four on each side. The cost as it is today was $55,000.
   (5) A Science Building is now under construction. The excavation was done several weeks ago and last Wednesday, October 19th, actual construction on the building began. It is to cost $75,000 equipped. Mr. Rufus Green of Emporia Va., has given $40,000 on this as a memorial to his mother. The other $35,000 will be paid by funds received from the Baptist State Convention next year, 1956.

5. IMPROVING THE CAMPUS—In 1952 and '53 Mr. J. Henry Jones of Red Oak, N. C. led in improving the Campus. He was made chairman of the Ground Committee of the College. In 1953 he paid $1500 to have a hard surface put on the Circular Drive. Many friends donated time, trucks, tractors, etc. in beautifying the Campus and putting the proper amount of sand on the drive before the asphalt and gravel were put on.

6. LANDSCAPE ARCHITECTS—During September, 1955, a contract was closed with a firm of Landscape Architects of Raleigh to locate the new buildings and to aid

further beautifying the Campus. It is interesting to know that this is just about one hundred years since the first Landscape Architect was employed and the Campus was first laid out in walks, trees set, etc.

7. DEBTS—In July 1951 the College owed $73,000. Four buildings and eight classs rooms have been constructed at a cost of $150,000; 54 acres of land purchased at a cost of $9,000; several thousands of dollars have been added in equipment and in making repairs on the old buildings; on all this work $38,000 is still due and that will be paid by January 1st, 1956. Then the debt of the College will be $53,600, the balance on the original debt and the farm bought. Let me explain that in the spring of 1953 the old debt left from the renovation program and building the four cottages for boys while the College was closed was $60,000 and that was refinanced to be paid over a period of ten years. Those payments have been made regularly twice each year with interest.

   It is the purpose of the Administration and Trustees to borrow $35,000 after January 1, 1956, to complete the Science Building. This will be borrowed against funds received from the Convention.

8. COLLEGE INCOME OTHER THAN STUDENT FEES—Through the Dollar-Per-Member Plan through the Churches, (after this it will be Christian Education Day the fourth Sunday in April), and donations by individuals and the Nine Year Plan of the Baptist State Convention the College has fared fairly well, has been able to close each year in the black. For this record we are profoundly grateful to the many friends of Chowan College.

9. LIBRARY—Several hundred books have been added to the Library. The Herbert Peele Library of Elizabeth City was given to Chowan about two years ago by his widow. A few hundred books have been purchased during the past summer and they are now being catalogued.

10. THE GRAPHIC ARTS DEPARTMENT—This is entirely new department for Liberal Arts colleges in the South. The cost of the building was given as $10,000. A fair estimate on the equipment in that Department is $100,000; of this amount the College paid only $6,700 and the balance of $93,300 in equipment was donated by printers over the State and in Virginia. This Department has been the means of opening up a new avenue of revenue

for the College. Many printers over the State are send- each year donations for this Department.

11. MEMBERSHIP IN THE SOUTHERN ASSOCIATION—This is one of the chief goals for next year. During December, 1954, definite plans were made looking towards Chowan College becoming a member of the Southern Association of Colleges. Our President invited three members of that Organization to come as his guests and look over our plant and tell us what to do to meet the requirements. It is with pride that it can be said that all requirements will be met by the next fall, certainly by October when the application will be made for membership.

12. A TEN-YEAR PROGRAM—Last spring several groups worked with the Administration in formulating a Ten-Year Program for Chowan College and the Trustees adopted it. We now have a worthy goal, it can be reached and we challenge this great body to join with us in accomplishing it. Here it is:

1.	NEW BUILDINGS		$775,000
	1. Science Building	$75,000	
	2. Library Building	50,000	
	3. Music Building	50,000	
	4. Business Education	50,000	
	5. Administration Building including class rooms	150,000	
	6. Three Dormitories—two for men and one for girls	300,000	
	7. Student Center	50,000	
	8. Infirmary	50,000	
II.	Renovation of Present Buildings and grounds, to include Athletic Field, etc.		125,000
III.	Student Loan Fund		100,000
IV.	Endowment		2,000,000
	1. General Endowment	$1,500,000	
	2. Particular Endowment	500,000	
	(1) Liberal Arts, (2) Graphic Arts, (3) Vocational Training, (4) Business Education.		

This will provide for a student body of 600, 525 on the Campus.

Respectfully submitted,
Oscar Creech,
Associate to President

26. Miss Addie Mae Cooke spoke to the Association on the needs and opportunities offered by Church Libraries.

27. The Training Union Report was read by E. G. Blythe, retiring Associational Director, who presented Herman Dilday, incoming Director, who spoke on the report.

Training Union Report

As Direcor of the Training Union, I beg leave to submit the following report.

The Training Union of the Association has continued to make progress during this past year. Most of the goals were met with the exception of churches with Training Unions. We have 34 churches with a total enrollment of 2512, three of these churches having over 100 enrolled. One new Training Union was organized during the year, Galatia with 92 enrolled.

Our Association held its regular meetings during the year with the December mass meeting our high light. Mr. James P. Morgan, our state director, was our inspirational speaker and paid our Association a very nice compliment on the program.

There were participants in all of our tournaments with the exception of the Adult Scripture Reading. We feel the tournaments are one of the most important phases of our Training Union program and hope that more churches will participate in this interesting work of our Training Union.

For the coming year the Training Union has selected these officers to serve:

Director	Rev. Herman Dilday
Associate Director	E. G. Blythe
Secretary	Yvonne Mitchell
Adult Leader	R. L. Parker
Young People	Oscar Whitescarver
Intermediates	Mrs. Robert Johns
Juniors	Mrs. W. P. Milne

N. B. and Primary ..... Mrs. B. F. Harris
Chorister ..... Mrs. William Timberlake
Pianist ..... Mrs. Oscar Whitescarver
Pastor Advisor ..... Rev. W. P. Milne

It has been a privilege to serve in the capacity of Director during these past few years. I am grateful for the willing co-operation extended to me personally and as director, and it is my desire to thank each person who has helped our Training Union work go forward. My prayers, interest and continued support will remain with the Training Union and its officers.

Respectfully submitted,
E. G. Blythe

28. The Orphanage report was presented by J. M. Long, and a message on the Orphanage was brought by W. A. Smith, Superintendent of Kennedy Home.

North Carolina Baptist Orphanage Report

The Baptist Orphanage of North Carolina made up of Mills Home at Thomasville and Kennedy Home at Kinston is dear to the hearts of West Chowan Baptists. We have always supported the orphanage liberally and we have continued this liberality during the last Church year.

During last year the Orphanage cared for a total of 713 children. In addition to this number it gave services and helped in the placement of more than 600 other children.

Through special gifts the building program has continued. A beautiful new Church Building has been constructed at Kennedy Home and a new swimming pool at Mills Home. These two structures have filled a vital need in the lives of our children.

The Charity and Children continues to carry messagess from the Orphanage to over 47,000 homes each week. Let us be sure that every home receives one.

A transition is in process for the financial support of the Orphanage. The Baptist State Convention voted for the Orphaage to come into the Co-operative Program beginning January 1, 1955. From the Co-operative Program it will receive, "That part of its support not otherwise provided for." As a result of this action many Churches continue to take and send a once a month offering to the Orphanage. Other Churches stipulate a definite amount in their budgets and send it regularly. Other Churches are sending their funds through the Co-operative Program. A Church may practice either of these plans and at

the same time continue a warm friendliness for our Orphaned Children.

Under the new plan of financial support for our Orphanage the Thanksgiving Offering still plays an important part. Therefore let the Churches of the West Chowan Association resolve at Thanksgiving to send an abundant offering to our Children. May our Heavenly Father continue to bless our Orphans and those who give to them.

J. M. Long

29. The host pastor, Lewis H. Sutton, made announcements relative to lunch, and Dr. F. O. Mixon closed the Morning Exercises with prayer.

AFTERNOON

30. Following a very good lunch, the afternoon session was opened with hymn singing and prayer by Herman Dilday.

31. Gilbert Stephenson was presented by F. O. Mixon, and he spoke in interest of people making wills to their favorite institutions.

32. The Associational Missions report was presented by J. C. Ray, who also spoke persuasively on the employment of an Associational Missionary. After some discussion by several brethern and sisters the report was adopted, but with some opposition.

Report of Associational Missions Committee

The Missions Committee of the association met at the Creech Memorial Baptist Church during the month of June. Our purpose in meeting was to consider a Missions program for the coming associational year. We have also met twice with the executive committee and talked once with the pastors.

A great deal has been said in recent days concerning the need of an associational missionary to work with, and in all of the churches in our association. It is to be understood that such a worker would be of assistance to each and every church, working primarily along the lines of promotion and coordination of our united efforts here in the association.

We, the Missions Committee, sincerely believe that an associational missionary would be of great value to all of the churches in the advancement of the Lord's work here in West Chowan. However, we realize that we must consider the opinion of all our people, because we know that it will require full cooperation from all of the churches if such a program is to be

a success. (The executive committee and the Pastor's Conference goes on record as favoring such a move.)

Listed below is a proposed budget that we believe it will take to do the job:

Part 1—Associational Missionary	
Salary	$4,000.00
House rent	900.00
Travel expenses	600.00
Convention expense	150.00
Retirement	160.00
Office Expense, supplies, postage, etc.	500.00
TOTAL	$6,260.00
Part 2—Associational Activities	
Clerk and Minutes	$ 750.00
Baptist Hour	624.00
Training Union	75.00
Sunday School	75.00
Miscellaneous	150.00
TOTAL	$1,674.00
Total Part 1	$6,260.00
Total Part 2	1,674.00
GRAND TOTAL	$7,934.00

We now have 55 Associational Missionaries in the state. It is a State Mission program. The Board's budget before distribution uses $60,058.00 of the Cooperative Program dollar to support this program. Can 55 associations be wrong? Why would our Convention lend such support to the program if it were not a good one?

33. Leon Cooke led the association in a very impressive memorial service for those of our number who have gone to their reward during the past year.

34. The Missions Report was presented by the Clerk in behalf of Mrs. W. E. White, who prepared the report but could not be present to read it on account of illness. Dr. M. A. Huggins, Executive Secretary of the Baptist State Convention brought a stirring message on Missions.

Report of Missions

I wish it was possible for each of us here today not only to see the report of Mission work done by our Southern Bap-

tist Convention, but I wish we could see our own report for Missions as individuals. Jesus said, "Ye shall be witnesses unto Me, both in Jerusalem, and in all Judea, and in Samaria and unto the uttermost parts of the World." How interested have we been in Missions? Are we informed? How many of our Religious and Missionary magazines have you read this year? We have read and talked a lot about base ball, foot ball, farm prices, stock market and politics. Have we discussed or given freely to our Mission Program?

The following is the report of many who have studied, labored and given to our Misssion Program:

Southern Baptists have as their slogan, "Give Christ to the World." Last year here in our West Chowan Association we gave $482,861.00 for local causes and $128,101.00 for all Mission work; that is, we gave $20.74 per member for Local Causes and $7.49 per member for Missions. We had 480 additions to our churches by profession and Baptism. That means that it took 35 of us in the West Chowan Association to win one convert. Does this please us?

As we look at the slogan of our State Missison Board, "North Carolina for Christ," let us not forget that one half of our population here in North Carolina is not even Christian in name. Then less than half of our church members are taught, enlisted or trained in Christian service.

Last year State Missions received through the Cooperative Program $256,880.00, from Womna's Missionary Union $70,635, from the Sunday School Board $61,000, making a total of 426,600.00 for all the twenty different phases of our State Mission work. This year they are asking $450,000.00 and need $500,000.00.

Our Home Mission Board calls for advance in every phase of our work. Last year we had 1324 Missionaries for the Home Mission Board. Three hundred and seventy of these were summer students, serving just 10 weeks, 954 were regulars. Conversions reported were 35,843 with 31,527 additions to the churches. Home Mission Board Missionaries assisted in establishing 359 new churches and 401 new Missions. Our Home Mission Board ministers to Chinese, Russians, Spanish speaking people, the deaf, French, Indians, Italians, Japanese, and other neglected groups here in our south-wide territory.

For the first time in the history of our Foreign Mission Board we have reached the 1000 mark in the number of our Missionaries. They live in 182 centers, in 35 geographical areas.

The report shows 3,776 out stations. It shows 22,125 Baptisms last year in 2268 churches.

Working with our Missionaries in the Mission churches, schools, hospitals and Publishing Houses are 3582 native leaders. These we are very proud of.

May each of us resolve we will witness at home and abroad through our great Missionary program this year.

We have with us today the man who, to my thinking is more responsible for our Baptist advance in Kingdom building than any other man in North Carolina. I think he works harder and God has given him a great vision and marvelous power of leadership. He is our beloved Secretary Dr. M. A. Huggins, who will speak on this report.

Respectfully submitted,
Mrs. W. E. White

How the West Chowan Association Came To Be

1. The Kehukee Association was organized November 9, 1769, (according to Paschall). Sand Run (then called Bertie) was the only West Chowan church in the organization.

2. In 1806, the Kehukee was divided at the Roanoke River and north of the River in North Carolina became the Chowan Association. The following West Chowan churches were in the new organization: Ahoskie, Sandy Run, Bethlehem, Cashie, Meherrin, Boss (then called Ross' Meeting House), Colerain (then called Wiccacon).

3. In 1883 the Chowan Association divided at the Chowan River and the three counties between the Chowan and Roanoke Rivers became the West Chowan Association. Twenty-eight churches formed the Association.

The Kehukee was probably the fourth Baptist Association in America. The Philadelphia formed in 1707 was first; the Charleston (S. C.) in 1751; the Sandy Creek (around Sanford) in 1758; and the Kehukee in 1769.

Dr. F. Orion Mixon

The 1956 Minutes of the West Chowan Association we dedicated to Dr. F. Orion Mixon, recently deceased President of Chowan College. Under Dr. Mixon's Presidency of five years Chowan College has seen its greatest growth. The student body, the building program and faculty have all grown and developed rapidly. The financial and cultural status of the school is the best in years. Dr. Mixon was well trained for his life's work as a minister of the Gospel at Furman University and at the Southern Baptist Theological Seminary. This training was profitable in his many pastorates but came to its fullest reward in his fruitful years at Chowan College. We in the West Chowan Association will long remember Dr. Mixon as a most successful president of our local college. We will cherish the Chowan College slogan, "The Heart of Education is the Education of the Heart" because we believe it came from the heart of one who practiced this ideal in his own life. May the blessings of our Lord rest upon his faithful companion, Daisy Lou Mixon, and her two children and may they find comfort in a dedicated life of service lived by their husband and father.

An appealing message on Minister's Retirement Plan was ably given by P. T. Worrell.

8. An informative report on the American Bible Society was given by Wayne Scott.

American Bible Society Report

The work of the American Bible Society is fourfold: It translates . . . Constantly the Society is translating the Scriptures into new languages and giving counsel to translators on the mission fields. Second, it publishes . . . Since most of the world is agricultural and still primitive and Society must publish for these backward peoples. Third, it promotes the use of the Bible by an annual Worldwide Bible Reading Program. Last, it distributes the Scriptures to the four corners of the world.

The world's needs cry out as we make out our church budgets. One voice that goes unheard by many of our budget committees is the hungry, pleading voice of those who have never read the Bible. Let us prayerfully place the American Bible Society in our church budgets in order to help meet this worldwide need. "Man shall not live by bread alone but by every word that proceedeth out of the mouth of God."

Respectfully submitted,

Wayne Edwin Scott

AFTERNOON

14. The afternoon session began with the hymn "Come, Thou Fount of Every Blessing" followed by prayer led by Roy D. Campbell.

15. The Training Union Report was read by Director Herman Dilday.

Training Union Report

Our work this year has been on an associational basis as outlined by the state Training Union Department, with regular executive committee meetings, Officers and Leadership conferences and mass meetings quarterly. A calendar of activities for the year was planned at the beginning of the year and sent to each director of the association which included time, place, personalities and program for the meetings to be held.

Possibly the three outstanding meetings of the year were (1) "M" night December 5, Ahoskie First with an increase in attendance over 1954 and a stiring message by Rev. Clarence Godwin on the subject, "Prepared unto every good work," (2) Youth Night at Chowan College April 7, with one hundred and thirty-six in attendance and eighteen churches represented and (3) Associational Training Union picnic at Ashleys Grove Church on June 19.

We had participants this year in all the tournaments with the exception of Junior Memory work. We are happy that one of the participants in, "The young people's speakers Tournament" from aur association (Miss Lillie Mae Davis from the Galatia Church), went to Fruitland to compete for State honors.

It has been a privilege to serve in the capacity of Training Union Director this year and I wish to express my sincere appreciation to all who have worked with me or in any way have been connected with the Training Union program, for their spledid cooperation and united efforts in helping promote the Lord's work. My prayers and continued support are

with the Training Union and those who lead in this all important work.

The Training Union nominating committee has elected the following to serve as its officers for the coming year. (Shown elsewhere in minutes).

Respectfully submitted,

Herman T. Dilday

16. Gordon C. Maddrey gave the Report on Civic Righteousness and presented W. P. Biggerstaff who spoke on the report.

Report On Civic Righteousness

As this report is being prepared the League is making a determined effort to secure names on the petitions which call upon the legislature to enact a bill to provide for a state-wide referendum on the manufacture and sale of beverage alcohol in North Carolina. Your representatives in the League have sought to set up an organization in every county in the state. Just how successful we will be in securing a substantial number of names signed to the petitions remains to be seen. It looks now as if most of the counties will have an effective organization for this purpose. The success or failure of the effort will be determined by the effort put forth in each county to give every person of voting age in such county an opportunity to sign. We believe a majority of our citizens are eager to do whatever they can to help rid our state of the liquor traffic. The petitions offer an opportunity in that direction.

We belive the prospects for a referendum in the 1957 session of the General Assembly are brighter than have ever been. But it cannot be said too emphatically that much depends on the effort made to get signatures on the petitions. The employees of the League are helpless apart from the cooperation of the Christian people of our state. We urge that an effort be made to enlist every denominational group, including Negro Christians, in this worthy undertaking. If we should fail in this effort we believe our cause will be hurt for years to come.

It is becoming more evident all the time that we must promote a program of education in the churches which will have as its purpose a sober society and the creation of a moral climate which will eventuate in higher spiritual living. The rehabilitation of the victims of alcohol cannot longer be neglected by the churches. We must set up clinics designed to train our people in methods of working with people who have

drinking problems. To this end we urge the election in each Association of a person who will help the League in promotion of these projects. Each church should elect a committee on Social Education to work with the Associational leader. We must get back to the people with a program of education on all moral issues, and civic responsibilities.

We are now making a drive by which individuals can become members of the League and give financial help. The plan is this: Lifetime Contributing Membership—$500; Honorary Contributing Membership—$20. annually; Active Contributing Membership—$5. annually Contributing Membership $1. annually. Membership cards are available from the person making this report.

Respectfully submitted,

C. G. Maddrey

17. An impressive Memorial Service was conducted by Mrs. Sallie Parker. After this we sang the hymn "Face to Face."

18. Randolph Phillips read the report on The North Carolina Baptist Homes. Rev. Zeb A. Caudle, Superintendent of the Home in Albemarle spoke on his report.

Report Of North Carolina Baptist Homes

The Homes are in their sixth, and greatest, year of operation.

Construction of the Administration and Dormitory Building began in Februay. It should be completed by the end of the year, and ready for occupancy by February 1, 1957.

North Carolina Baptists have good reason to be proud of this new building, when completed and equipped, will add one-half million dollars to the total value of the Homes. What is more encouraging, there is reason to believe that the total cost of the new building will be paid for by the time it is occupied, if our 3,200 Baptist churches will respond with a generous Special Day offering on the third Sunday of February, 1957.

Your Homes are putting forth their best efforts to render a ministry of security, comfort, congeniality. and Christian love to our residents.

North Carolina Baptists should keep in mind that their special offering and the share of the Nine Year Program received by the Homes help to make this ministry possible to all who come to the Homes, and, especially, to a large number

who could not come but for such help.

There are some rooms left to be memorialized. Also, a limited number of cottages may be built on the Park Road site. If interested, contact James M. Hayes. general superinendent, N. C. Baptist Homes, Kentucky Avenue. Winston-Salem, N. C.

"Cast me not off in the time of old age; forsake me not when my strength faileth" (Psalm 71:9).

Respectfully submitted,

Randolph Phillips

19. William J. Sheridan was the reporter for the Baptist Orphanage. Superintendent W. C. Reed was presented by J. B. Dailey and he spoke on the report.

North Carolina Baptist Orphanage Report

During the year of 1955 a total of 824 applications for the care of needy children passed over the desk of the General Superintendent. A decision had to be made on each case. We were able to admit to some phase of our program 137 of these children. To the other 687 we had to say no. Of course, many of these were accepted for some sort of care by relatives or other agencies.

PLAN OF SUPPORT

Last year for the first time the Orphanage received part of its support through the Co-operative Program. About ten per cent of the total income was given through this channel. Most of the Churches continue to place the Orphanage in their budgets or else take the Once-A-Month offering through their Sunday Schools. Each Church of course makes its own decision about this matter. Let us always bear in mind the fact that the income for the Orphanage from Church budgets, Once-A-Month offerings, and the Cooperative Program is fixed and will be the same amount each year. Therefore, the only way for the Orphanage to get more money to meet the everincreasing needs for child care is through a greater Thanksgiving Offering.

In North Carolina there are more Baptist than ever before; the income of our people is at an all-time high; they have given more money to our total Baptist program than ever before. Surely this year they will make a greater Thanksgiving Offering to help the homeless child if our Church leaders will give

them a chance.

Respectfully submitted,

William J. Sheridan

20. The report of the Nominating Committee was presented by H. G. Thompson.

Report Of Nominating Committee

Moderator—Merrill Evans, Ahoskie
Vice Moderator—C. W. Duling, Windsor
Clerk—J. M. Long, Harrellsville

(Representatives of our Boards, and Agencies, etc., are given elsewhere in these Minutes.)

21. Motion was passed that all churches of the West Chowan Association begin to send in to the Associational Treasure 50c per resident member to build up funds to employ a Promotional Secretary.

22. A rising vote of thanks was given to the Riverside Church for an enjoyable day after which K. E. Bryant led the benediction.

Second Day
First Baptist Church, Ahoskie

23. The second day's session was called to order by the Moderator. After singing the Hymn "Holy, Holy, Holy" devotions were led by Rowland S. Pruette.

24. After the enrollment of Messengers Charlie Smith, President of Brotherhoods of this district gave a challenging message on Brotherhood work.

25. The Report on Christian Education was presented in a forceful manner by Herbert Jenkins.

Report On Christian Education

Christian Education is more than the name of a given institution of learning, its age, its physical equipment, the size of its student body and the faculty, the operating cost and income, its endowments, or its sponsoring agencies. Today there is the temptation and tendency to glorify figures which

represent budgets, enlargement programs, buildings and landscaped campuses—things tangible.

Certainly we Baptists take great pride in the wonderful progress we have made and are presently achieving in the ever expanding physical factors of our Christian schools. But physical bigness for the sake of bigness alone must never be our chief objective.

Assets of this character are common to all the institutions of learning.

Here in North Carolina our seven Baptist Colleges had an enrollment of about 6,000 students in 1955 with even more this year. Each of these schools is presently engaged in expanding its housing and teaching facilities.

Realizing the need for additional schools for the training of our Baptist youth, leaders in our Eastern N. C. area are exploring the possibility of establishing one or more additional colleges in this section of the state.

The place and importance of Christian Education in modern society is universally accepted.

Our devotion to the cause of Christian Education is deeply rooted in our denominational life. That cause must and shall ever prevail and prosper. Let us accept the challenge to lengthen the cords and strengthen the stakes of our Christian Education Program that it may fulfil its mission in the life of the world today and tomorrow.

Respectfully submitted,

Herbert Jenkins

30. The Congregation sang the Hymn "The Kingdom Is Coming."

31. The Report on Evangelism was given by Jack Hill, who spoke forcefully on his report.

Report On Evangelism

The sixty churches in this association reported baptizing only 334 people during the church year of 1955-1956. This is 146 less than the 480 reported baptisms for the previous year. It took 51 resident and non-resident members or 37.2 resident members to win and baptize one person. This ratio is more than double that of the whole Southern Baptist Convention as reported for the year 1954 when it took 21 resident and non resident members to win one person. The ratio for the last 105 years in the Southern Baptist Convention has been one for every 22 church members. We had 14 churches reporting that there had been no baptisms during the year. If the people of the New Testament had won people at this ratio you and I would never have had the joy of hearing and receiving the Gospel of Christ. Nero killed Christians at a greater ratio than we have won them to Christ. At the end of our church year we had 5 less total resident church membership than was reported for the beginning of the year.

Respectfully submitted,

Jack Hill

32. In the absence of the Missions reporter, Mrs. Robert

Johns, the Clerk presented the Report of Missions and Claude Gaddy spoke on the report.

Report Of Missions

We as Southern Baptists are entering fifteen months designated as World Missions Year. We are realizing the truth that we indeed live in a world which is "One World" and are seeing that what before would have been a local issue is now an international issue. No longer can we close our eyes to the world and its needs. As we think of missions, we know that missions, like charity, must begin at home.

What you and your local church are doing to promote world missions, beginning in your community, only you and your local church can answer. What we are doing as an association, a state, a Convention through the work of our Home and Foreign Mission Boards, we can readily see through the reports of these agencies.

Last year at our Associational meeting, we voted to set up an association missions program with a secretary to coordinate all of our associational activities. The program has not been established, though it is much needed, because although we voted to start it, we have not led our churches to pledge their support to the program. We certainly want to begin our World Missions Program by beginning here at home with an established and organized program in our West Chowan Association.

In 1948, the late Dr. M. T. Rankin presented the Southern Baptist Convention with a program of advance in Foreign Missions. As we look at our record since that time, we can see that we have advanced. The number of missionaries has increased from 625 in 1948 to 1084 on September 20, 1956 and an anticipated 1,120 by December 31, 1956. The gifts to foreign missions have increased from $5,113,579 in 1948 to $11,108,268 in 1955. Many ask which is needed more, money or missionaries, and the answer is both. There is a place for every available dollar and mission volunteer in mission service. When missionaries are available for appointment, they are given priority, for the first responsibility and best investment in world missions is in sending qualified men and women into world service.

We will meet the challenge of World Missions, of new fields being opened and to be opened, and the call of our older fields as we strengthen our home forces and prepare to send

our youth and our money, our prayers and our interest into the fields of the world.

Respectfully submitted,

Mrs. Robert Johns

33. Proper announcements were made about the lunch hour by W. P. Milne after which blessings and benedictions were given by P. T. Worrell.

AFTERNOON SESSION

34. The afternoon session began with the hymn "We're Marching to Zion" after which John B. Stephenson led in prayer.

35. Lewis Sutton presented a well prepared Associational Calendar of Activities which is shown elsewhere in this book.

36. The Sunday School Report was given by William Futrell.

Sunday School Report

Since the old year has faded away and a new year has begun we will now review some of the events of the old year.

All of the churches reported a Daily Vacation Bible School except five. We trust that those five did have a school or that they might have consolidated with some other church nearby.

All of the churches were asked to have a clinic in their church, and teach a study course of some type during the month of February. Many taught a course during thier prayer meetings, while most of the churches did not report of their work. We hope all did have some type of study during the month.

The Vacation Bible School Clinic was held with Ahoskie. Mrs. Milne and her group did a fine day's work in the month of March with the workers.

The annual Sunday School Convention was held with St. Johns on Friday, April 20, 1956. This meeting was very well attended by Sunday School people from most of the churches in the Association. The theme of the meeting was: "Meeting the needs of our young people."

We decided to have the next annual meeting with Creech Memorial Church and to meet Friday before the fourth Sun-

day in April, 1957.

Brother Joe Mack Long was selected to preach the annual sermon and Brother Randolph Phillipps was to be alternate.

An officers and teachers meeting was held at Hebron on September 18, 1956 at 7:30 P. M. Since Hebron Church was celebrating its centennial year we were welcomed by Brothers J. I. Griffin and J. B. Dailey.

The meeting was represented by twenty-two churches and the attendance was very good.

Now let us take a glimpse into the future of the new year that is before us. Let us forget the past and strive to make this year the greatest we have ever had in Sunday School work.

We are hoping to have five simultaneous Sunday School Clinics held during the month of February, and trust they may be well attended throughout the Association.

We hope each Church will have a Vacation Bible School held at least one week during the month of June.

As we go to our homes, let us certainly see that our Cradle Roll, young people, and the extension departments are working fine. "The harvest surely is plenteous, but the laborers are few."

Let me again take this opportunity to thank each pastor, superintendent, and everyone that has helped to make this year a success.

Respectfully submitted,

W. M. Futrell

37. The Historian's Report was given by Lonnie Sasser.

Historical Report

A new church was built at Lasker.

The Siloam Baptist Church has made quite a bit of improvement in their grounds. They have fenced the lawn and built new rest rooms, costing approximately $837.00.

The Cristian Harbor Church observed their 75th Anniversary, with a Home Coming Day on September 30th.

The Winton Baptist Church completed a nice and commodious parsonage during the year, and the pastor, the Rev.

Jack Hill and his family are now living in their new church home.

The Conway Baptist Church has begun landscaping the lawn of their church, and when completed it will be a beautiful one. Said landscaping will cost between eight and ten thousand dollars.

The Earley's Baptist Church is building four nice Sunday School rooms to be completed this winter. Their church will then have all the physical equipment they need. This is a small church but a very progressive one.

The Ahoskie Baptist Church is building a nice commodious Educational Plant, that will take care of the needs of the church for the indefinite future.

Connaritsa Baptist Church has landscaped lawn and building by planting grass and setting out shrubs and graveling the circled driveway. They have constructed outdoor picnic area with shelter, grill, fireplace, and tables at approximate cost of $500.

The Woodland Baptist Church has completed a new parsonage—cost around $16,000. Rev L. H. Sutton and his family are now living in this fine new home.

Hebron Church celebrated its 100th Anniversary on July 29th. Rev. E. F. Sullivan preached the morning sermon. Dinner was served on the grounds. Around 350 members, former members and friends. The afternoon sermon was preached by Rev. W. H. Hollowell. Both speakers were former pastors of Hebron Church. A brief history of the church was read by Mr. A. M. Futrell. The history was compiled by Mrs. Clayton W. Beale, Miss Hazel Futrell, Mrs. A. M. Futrell. The church has been underpinned and painted and new rest rooms have been built.

New pastors: The Rev. Rowland Pruette, Murfreesboro, the Rev. Mr. Stevens of Lewiston, the Rev. Mr. Turner of Merry Hill, the Rev. Roy Campbell of Elm Grove, the Rev. Charlie Sinclair of Aulander. We are very happy to have these brethern in our Association, and we trust their work will be very pleasant.

38. The Report on Denominational Literature was presented by K. E. Bryant. The Biblical Recorder representative, C. W. Bazemore, spoke on this report.

Report On Denominational Literature

Someone has said, "Tell me what you read and I can tell you a great deal about your character."

If that is true and surely we believe that there is a great deal of truth in that statement, in this day in which we live when it is so hard for each of us to find time to read as we ought, the right kind of literature is highly important.

In this day when so much is being said about our young people and our responsibility to them, surely a word is in order about the reading and study materials available from the Christian's point of view to offset the comics and periodicals which poison the mind and destroy the character. In addition to our southwide literature, we have here in our State the Biblical Recorder founded in 1833 just three years after the organization of our Baptist State Convention. This weekly with twenty-four pages can come into your own home through several ways: (1) The individual subscription; (2) The Club plan; (3) and the "Every Family" plan. In this "Journal" every one will find a very good cross-section of the happenings in both our own State and throughout our Southern Convention territory. Then at Thomasville we have not only a good printing plant but a good paper, called Charity and Children which comes to most churches through the club plan.

Finally, when thinking of Christian literature we must above all encourage the reading of the word of God which is "a lamp unto our feet, and a light unto our path." Newspaper reading has taken the ulace of Bible reading and study in many of our homes. The Bible is the only book containing all the wisdom and knowledge needed to diagnose and prescribe for our world which is sick unto death. Therefore, let us read all the Christian literature that we can but let us read it in the light of the Bible. "Thy Word have I hid in mine heart that I might not sin against Thee."

39. The Report of the Baptist Hospital was prepared and read by Dr. Raleigh Parker. Speaking on this report was Dr. W. K. McGhee.

Report of North Carolina Baptist Hospital

The North Carolina Baptist Hospital is located on an eleven acre site in the Ardmore Section of Winston-Salem, North Carolina, and admitted its first patient on May 28, 1928. From its beginning the Hospital has rendered great service to the people of our entire state, as well as a large surrounding

area, even receiving patients from foreign countries. From a beginning of one hundred beds, the Baptist Hospital now has four hundred beds and fifty bassinets. Now it is literally bursting at its seams, and today it needs a greater bed capacity.

You will see that the objectives of your Baptist Hospital are healing, preaching and teaching the precepts of Christ's Ministry. Underlying these objectives is the christian responsibility of providing medical care, for the sick of all circumstances.

The out-patient department is operated for the benefit of persons who are not able to pay the total cost of the medical service they need. This much needed service enlarges the hospital's opportunity of rendering service beyond the limited number of in-patients it can accomodate; and therefore, utilizes the personnel of the trained specialists and technicians in the medical school, and the large investments in laboratory and x-ray facilities. These devices which form this diagnostic center draw patients over a large area throughout this and other states.

What a wonderful institution! We Baptists, even here in the faraway West Chowan, are very proud of what is ours, even though it is so far away. Yet, I am mindful of that great teaching, "Blessed are the meek for they shall inherit the earth."

W. R. Parker, M. D.

How the West Chowan Association Came To Be

1. The Kehukee Association was organized November 9, 1769, (according to Paschall). Sand Run (then called Bertie) was the only West Chowan church in the organization.

2. In 1806, the Kehukee was divided at the Roanoke River and north of the River in North Carolina became the Chowan Association. The following West Chowan churches were in the new organization: Ahoskie, Sandy Run, Bethlehem, Cashie, Mehererrin, Ross (then called Ross' Meeting House), Colerain (then called Wiccacon).

3. In 1883 the Chowan Association divided at the Chowan River and the three counties between the Chowan and Roanoke Rivers became the West Chowan Association. Twenty-eight churches formed the Association.

The Kehukee was probably the fourth Baptist Association in America. The Philadelphia formed in 1707 was first: the Charlston (S. C.) in 1751; the Sandy Creek (around Sanford) in 1758; and the Kehukee in 1769.
